

A large, stylized, grey 'Y' shape with a thick black outline, positioned on the left side of the cover. The 'Y' is composed of three main sections: a top-left diagonal section, a top-right diagonal section, and a horizontal section extending to the right. The 'Y' is set against a white background.

FACULTY

Alley, Joe K., B.D.	Bible
Associate Professor of Bible; B.S., Mississippi State College, 1955; B.D.; Augustana Theological Seminary, 1961.	

* M.S. in L.S. to be obtained in 1965.

- Barnes, William Harold, M.A. Business
Instructor of Business and Secretarial Management; B.A., Harding College, 1963; M.A., Kansas State Teachers College, 1964.
- Barnett, Herman L., M.A., M.S. German and Spanish
Assistant professor of foreign language; B.A., Abilene Christian College, 1951; M.A., Butler University School of Religion, 1956; M.S., Kansas State Teachers College, summer, 1965.
- Baucom, Charles, M.S. in L.S. Library
Director of Library; B.A., Abilene Christian College, 1952; M.A. East Texas State College, 1956; M.S. in L.S. to be obtained in August 1965.
- Brown, A. Robert, M.D. Biology
Assistant Professor of Biology; A.B., Vanderbilt University, 1941; M.D., University of Tennessee, 1945.
- Campbell, Colis F., M. Ed. Bible and Physical Education
Assistant Professor of Physical Education and Director of Athletics; B.A., Harding College, 1947; M. Ed., University of Missouri, 1958.
- Epperson, William R., Ph.D. English
B.A., Eastern New Mexico University, 1961; M.A., University of Kansas, 1963; Ph.D., University of Kansas, summer, 1965.
- *Hawley, Roger, B.A. Speech
Part time instructor in speech. B.A., Harding College, 1950. Some graduate work completed at Biblical Seminary in New York.
- Jacobson, Robert L., B.A. Business
Manager of the Business Office and instructor in Economics; B.A., Kearney State Teachers College, 1961. Course work done toward M.A. at the University of Nebraska.
- Larsen, Dale R., M.A. Bible
Associate Professor of Religious Education and President of the College; B.A., Harding College, 1945; M.A., New York University, 1947. Candidate for Ed.D. degree at the University of Nebraska.
- Lewis, Emery A., M. Ed. Music
Assistant Professor of Music; B.M., Southwestern, 1930; B.A., Panhandle A & M College, 1936; M.Ed., University of Oklahoma, 1949.
- Lewis, Joe E., M.M. Music
Assistant Professor of Music; B.A., Harding College, 1956; M.M., University of Kansas, summer, 1959.
- Miller, Mabrey L., Ed. D. Education
Professor of Education and Dean of the College; B.A., Harding College, 1943; M.A., George Peabody College for Teachers, 1953; Ed. D., University of Nebraska, 1960.

*Part-time

- Napier, T. Gayle, M.A.** **History and Education**
Associate Professor of Education and Dean of Students; B.A., David Lipscomb College, 1956; M.A., George Peabody College for Teachers, 1957; Candidate for Ed.D. degree at the University of Nebraska.
- Scott, Robert L., M.A.** **History**
Assistant Professor of History; B.A., Harding College, 1954; M.A., Harding College, 1961.
- *Scott, Jeannette, B.A.** **Home Economics**
Part-time instructor in home economics; B.A., Harding College, 1953. Smith - Hughes certification.
- Tandy, Harold, M.S.** **Physical Science**
Assistant Professor of Physical Science; B.S., Harding College, 1961; M.S., Kansas State Teachers College, 1964.
- Thom, Meredith, M.A.** **Speech and Art**
Assistant Professor of Speech and Art; B.A., Harding College, 1954; M.A., University of Arkansas, 1958.
- Thomas, Robert H., M.A.** **Mathematics and Physics**
Assistant Professor of Mathematics and Physics; B.S., Abilene Christian College, 1958; M.A., Abilene Christian College, 1964.
- Touchton, Paul E., M.P.E.** **Physical Education and English**
Assistant Professor of Physical Education; B.A., Harding College, 1963; M.P.E., University of Florida, 1964.
- White, Edward C., M.A.** **English and Bible**
Assistant Professor of English; B.A., Marshall College, 1959; M.A., Marshall University, 1961.

***Part-time**

INFORMATION PLEASE!

This catalog contains official information about York College. It is intended to answer most of your questions concerning how to enter, what to study, how much it will cost, what activities are available for you, etc. If, by consulting the index, you cannot find the section you need to answer your particular question, please write Director of Admissions.

Who Goes To York College?

About 275 students attend each year. The ratio of men to women is almost even, with a few more men usually enrolled. Between 80 and 90 per cent of York College students are members of churches of Christ; however, about a dozen denominations are represented among the student body yearly. Most of the York College students work part time to help pay their way. About twenty states and several foreign countries are represented each year. There is a friendly, homelike atmosphere on the campus. There is no restriction to admission because of race, religion, or politics.

How Will I Know What To Do?

York College exists to serve its students. If you arrive by bus or train and let us know the hour of your arrival, you will be met and taken to your dorm. During the first few days you will learn where things are, how to use them, and where to go to solve any particular problem. Upper classmen and faculty members are all interested in you and are willing to help you.

Where Will I Live?

Women students will live in lovely McCloud Hall. Men students live in Middlebrook Hall and Hulitt Hall. Dorm life is a big part of college life. You will have a roommate unless you request a private room. Each dormitory supplies a reception room, recreation room, laundry facilities, etc. You will find your dorm supervisor ready to counsel with you and help you solve your problems.

How Will I Dress?

Dress is usually informal on the York campus. On class days the men usually wear slacks with sport shirts. A suit will be needed for Sundays and social occasions, but you won't need a tux. Girls usually wear bobby sox, skirts and sweaters or blouses to class. Slacks and shirt will come in handy for picnics and gym wear, while heels and hose are standard attire on Sunday and for certain social events. You will want a formal for special occasions, too.

What Courses Will I Take?

A faculty adviser will help you plan your program. You should consult the suggested curricula beginning on page 29; check the graduation requirements beginning on page 27 and talk with your adviser at registration time. By test and interviews he will help you inventory your talents and aid you in the choice of a curriculum.

What If I Don't Know What I Want To Be?

Then you are just like nearly half of all the college students in America. The first two years of college are frequently exploratory. Your adviser will help you plan a program which will allow you to specialize in any of several fields according to your interest and ability. If you haven't decided on a major field, don't worry. You won't lose time or suffer any handicaps by postponing that decision for a while.

When Do I Study?

Study will play a large part in your college life. You will probably average three or four classes each class day. That will leave you five or six class periods for study in the library or for work. Most colleges recommend two to three hours of study for every hour in class.

Do I Study All The Time?

No, not all education is in the classroom. You will have a rich social and recreational life, a stimulating religious program, a busy student activity program, and a friendly dorm life. There is time for friendship—and dates, too. In a small school such as York College, each student can receive the individual counsel and guidance that is not possible in larger schools. Also, each student has many more opportunities to participate in the extra-curricular activities, such as drama, music, sports, etc.

Will I Go To Church?

Worship is an individual matter, but at York College you will be encouraged to attend all of the services of the church. It is the custom to invite the young men of York College to speak at the Wednesday evening meeting of the church, and many of the Bible classes are planned specifically for the college student.

How Do I Get There?

Most students arrive in York by private automobile. York is served by the C.B. & Q. Railroad for east-west travel, and by bus into Fairmont, about 20 miles south of York, for north-south travel. If you will write the college the date, hour, and method of your arrival, someone will meet you.

What If I Get Sick?

Dr. Robert Brown, our campus physician, maintains regular office hours and an infirmary on campus to serve students. If medical services are needed beyond those supplied by the campus physician and infirmary, complete diagnostic services are available through a local clinic or the York Hospital. Every effort is made to provide medical care. For further information contact the Dean of Students

Does York College Grant A Degree?

Yes. When you are graduated from York College you will receive an Associate in Arts degree, or a Certificate of Achievement. The Associate in Arts degree is awarded by many leading colleges and applies to students who plan to transfer to a four-year college. The Certificate of Achievement is awarded for certain terminal courses.

Will I Have Trouble in Transferring from York to Another College?

Not If You Plan. The transfer of credit from York College is fully explained under "Accreditation" Page 11. However, students intending to transfer to another college should plan their curricular pattern to fit the requirements of the projected four year program. An extensive file of catalogs from other colleges and universities is kept in the Dean's office. Your Dean or faculty adviser will help you choose courses which meet the requirements of the school you wish to attend later.

Glossary of Terms

Accreditation—A type of recognition held by an educational institution which gives it status within the state, region, or nation.

Certificate of Achievement—A certificate issued to the student who does not plan to pursue studies beyond the first two years of college work. The purpose of the program leading to this certificate is to give a broad general education with maximum freedom for the student to select courses in his areas of interest.

Credit Hour—A unit used in measuring and recording the academic work completed by a student in the college. See semester hour.

Curriculum—A systematic group of courses or sequences of subjects and activities required for graduation from the college.

Division—A division of the college is a major area grouping of academic offerings or activities that are related or have a common purpose.

Elective—A course you may choose to study, but which is not necessarily required.

Grade Point Average—A score derived by dividing the total number of honor points received during a semester by the total number of semester hours of credit carried by the student.

Honor Point—Numerical values assigned to academic grades to express the quality of achievement as opposed to the amount of credit; for example, 4 honor points per credit of A, 3 per credit of B, 2 per credit of C, 1 for D and 0 for F and WF.

Honors Courses—A course in which a student of outstanding ability is enrolled to pursue specialized study under the guidance of an instructor.

Liberal Arts—A curriculum designed for students who seek a broad general education as a base for continued study at a senior college or university. This program leads to the Associate in Arts degree.

Pre-Professional—A sequence of courses basic to specialized training for a profession.

Prerequisite—A course that must be satisfactorily completed before enrollment will be permitted in an advanced or succeeding course.

Semester Hour—1 hour per week of lecture or class instruction for one semester or its equivalent in laboratory or other similar types of instruction.

GENERAL INFORMATION

AIMS OF YORK COLLEGE

The aim of York College is to give a Bible-centered liberal arts education in a Christian atmosphere. The late Dr. William L. Phelps of Columbia University stated, "Everyone who has a thorough knowledge of the Bible may be called educated, and no other learning or culture, no matter how exclusive or elegant, among Europeans or Americans, can take its place. Western civilization is founded upon the Bible, our ideas, our wisdom, our philosophy, our literature, our art and our ideals come more from the Bible than from all other books put together. . . . I thoroughly believe in a university education for both men and women, but I believe a knowledge of the Bible without a college education is more valuable than a college course without the Bible." The fundamental purpose, then, of York College is to educate young men and women for abundant living as Christian citizens, serving in a free society.

York College purposes to offer a full program of general education and pre-professional training commonly taught by junior colleges with the increment of a Christian environment and Bible study for every student.

ACCREDITATION

York College has the highest accreditation that is possible to receive from Nebraska Authorities. Letters are on file in the office of the Dean from Nebraska colleges and universities stating that credits from York are fully accepted for transfer. By way of example, the University of Nebraska has stated: "Competent students who transfer from York College to the University of Nebraska will encounter no difficulty in having their credits accepted. York College is to be commended for its efforts to upgrade its faculty and for its favorable student-teacher ratio." This is the highest possible recognition from Nebraska sources. There is no legal structure by which any Nebraska organization has the authority to examine and give recognition to liberal arts junior colleges.

Nationally, York is recognized by the United States Office of Education as a college whose credits are fully accepted by other colleges. York College is fully accredited for Veterans training under Public Law 16 or 346 and 550. Letters are also on file from colleges of several states stating that York College credits are fully accepted. York students transfer to dozens of colleges each year without difficulty.

In addition to the above, the administration of York College has set the target date of 1966 for candidacy for entrance into the North Central Association of Colleges and Universities which is the organization giving the highest recognition possible to achieve in our nation.

LOCATION

York College is a standard liberal arts college located in York, Nebraska, and is operated by a Board of Directors who are all members of churches of Christ. The City of York, located in the heart of a very productive agricultural part of the state, is fifty-two miles west of Lincoln, Nebraska, the state capitol, and is situated at the intersection of U. S. Highways 81 and 34 near Interstate 80. York is located on the main line of the Burlington Railroad, operating between Lincoln, Nebraska and Billings, Montana. Good bus schedules may be obtained in all directions out of York, and a municipal airport north of York accommodates small aircraft.

The York College campus itself is situated in the east section of the City of York adjacent to the East Hill Municipal Park.

CAMPUS FACILITIES

The campus consists of about fifteen acres within easy walking distance of the business section of town. Eight buildings are located on the campus. The Auditorium, Administration Building, Hulitt Hall, McCloud Hall, McGehee Library, Music Building, the Gymnasium and Middlebrook Hall. Thompson Hall and Thornton Hall are located across the street west of the campus and Childress Hall is located across the street east of the gymnasium.

The Administration Building, houses offices for the administration and their assistants.

The Auditorium provides for daily chapel and other assemblies. It also supplies offices for group meetings.

Childress Hall, completed in February of 1958, is serving as a little theater.

The Gymnasium, erected in 1929, provides an adequate space for indoor physical education, for a well-balanced program of intramural sports which gives every student an opportunity to participate in some wholesome type of athletic activity, and for some of the inter-collegiate activities.

Hulitt Hall, which was built in 1902, houses dormitory facilities for men. This building also contains the chorus room.

McCloud Hall, erected in 1964, has dormitory accommodations for 136 women on three floors. The second floor houses the matron's apartment, guest rooms, and parlor. The ground floor contains laundry facilities, piano practice rooms, typing room, and a recreation room.

McGehee Library, remodeled in beautiful modified colonial structure in 1958, is centrally located on the campus. The library contains 8,000 volumes, plus recordings, film-strips, projectors, periodicals and other aids to learning. The public library of York, which has more than 20,000 volumes on its shelves, is also open to college students. An inter-library loan service has been established with the University of Nebraska library, making their book collection available to the students and faculty of York College.

The library building also houses on its ground floor the biology, chemistry, and physics laboratories with the equipment necessary for the various courses offered. Eight newly-decorated, well-equipped classrooms are on the third floor of this same building.

Middlebrook Hall, erected in 1949, has dormitory accommodations for ninety-two college men. A parlor, where students may meet their friends and relatives, is located on the first floor. In the basement are the kitchen, dining hall, bookstore, Panther's Lair or Student Center, and laundry.

The Music Building, houses the vocal and instrumental music studios and music lecture room.

Student Apartments, which have two bedrooms and are furnished with the basic necessities, are available for married students. Each couple should plan to bring cooking utensils, bedding and decorations.

Thompson Hall houses the infirmary, faculty offices and lounge.

Thornton Hall houses the art studio and classrooms.

EXPENSES

BOARD AND ROOM

Meals in the cafeteria per semester	\$195.00
Room per semester in McCloud Hall	90.00
Room per semester in Middlebrook Hall	80.00
Room per semester in Hulitt Hall	70.00
Apartments for married students, partly furnished, per month	41.00

All dormitory students must pay full board and take all meals in the cafeteria. There will be no refund because of absences from the campus.

A room may be reserved in the dormitories by making a deposit of \$10.00. Rooms are reserved in the order in which reservations are received. To assure yourself a room in a campus dormitory, it would be well to place your reservation early.

Reservation fees are not refundable if not applied on room usage.

REGULAR TUITION

Matriculation Fee, required at first enrollment	\$ 10.00
Tuition, 12 hours or above	per hour 16.00
Tuition, less than 12 hours	per hour 18.00
Late Registration (first two days)	2.00
Late Registration (more than two days)	5.00
Auditing Courses (permission of Dean required)	per hour 3.00

A discount of 10 per cent on tuition will be allowed for two or more in the same immediate family. Either or both students who come from the same family will receive the reduction on his or her

expenses provided he is not the recipient of a scholarship. This discount does not apply during the same semester in which a marriage occurs.

Regular terms are cash at enrollment. Arrangements may be made with the business manager to plan a payment schedule by students who anticipate that they may not be able to make full payment at the time of enrollment. A service charge of \$2.00 will be added for those students whose accounts must be carried by the college. An additional fee of \$5.00 will become due if payment is not completed by the end of the fifteenth week of the semester.

SPECIAL TUITION AND FEES

Much of the class work in music, speech, and art requires no fees other than regular tuition. These cultural courses should be included in every student's program.

Instruction; however, in piano, voice, and instruments carries a special tuition as follows:

2 private lessons per week	per semester	\$37.50
1 private lesson per week	per semester	22.50
Class instruction	per semester	10.00
Piano rental, 2 hours per day	per semester	9.00
Piano rental, 1 hour per day	per semester	4.50

OTHER FEES

Activity Fees (required of all students taking six hours or more)	per semester	\$10.00
Art 122, 133, 143		5.00
Art 202		1.00
Biology Laboratory Courses, each (one-half refundable)		10.00
Change of Course, add or drop		1.00
Chemistry Laboratory Courses, each (one-half refundable)		10.00
Degree "in absentia"		10.00
Education 262		2.50
Health Fee	per semester	5.00
Graduation		7.50
Late application for degree		1.00
Late Placement Testing		2.50
Make-up Examination, each		1.00
Music 101c, 111c, 201c, 211c		2.50
Music 152, 162, 202		2.00
Physical Education 111, 121, 211, 221, each		1.50
Physical Education 131		10.00

Physics Laboratory Courses, each	5.00
Post Office Box50
Rental of cap and gown	3.50
Secretarial Management 113, 123, 213, each	5.00
Secretarial Management 133, 143, 223 243, each	2.50
Secretarial Management 152	10.00
Student Council Assessment	1.00
Transcripts after first one, each	1.00

Breakage Refund

Students withdrawing prior to the close of a semester or at the end of the first semester will make application for breakage refund at the Business Office. If the application is not completed within thirty days after withdrawal, the deposit will be forfeited.

EXPENSES FOR VETERANS

World War II: The government pays tuition, fees, books and the cost of certain supplies plus a subsistence allowance sufficient to cover personal expenses for World War II veterans who have their eligibility under Public Law 16 or 346.

Korean: Under Public Law 550 veterans receive an allowance designed to cover college and living expenses in the liberal arts program. Veterans should make application to the Dean of the College as early as possible prior to enrollment. Application should be accompanied by a statement of the student's educational objectives and by a photostatic or certified copy of his discharge papers showing his service record.

REFUNDS

Attendance	Per Cent of Tuition
2 weeks or less	80 per cent
3 weeks to 4 weeks, inclusive	50 per cent
5 weeks to 6 weeks, inclusive	25 per cent
Over 6 weeks	No refund

The unused portion of the money paid in advance for room and board will be refunded providing the student's account is in order and the regulations covering withdrawal have been met. No refund is made of matriculation or special fees. If the withdrawal results from the student's misconduct, the College is under no obligation to make refunds.

SCHOLARSHIP AND LOAN FUNDS

To receive any of the scholarships offered, the recipient must be a regular student who is carrying at least 12 hours of college work, and is not on academic probation. The Scholarship Committee reserves the right to cancel any scholarship at any time for disciplinary reasons. No scholarships will be offered after August 31.

ACADEMIC SCHOLARSHIPS

Academic Scholarships will be given to as many as two students from any high school. A minimum grade point average of "B" and recommendation by the high school administration is required for the scholarship. The recommendation is to be based on grade point average, character references of the individual and desire to attend York College. The scholarship will be for \$225 per semester to apply on tuition. The scholarship will be continued each succeeding semester provided the student maintains a "B" average at York. The total for the two years could be \$900.

Any student who has attended York for a year and has achieved a "B" average in his work and has acquired a total of twenty-eight college hours may become eligible for the academic scholarship to be granted during his sophomore year.

A student who transfers to York from an accredited college with a "B" average in his work which totals a minimum of twenty-eight semester hours may also apply for the academic scholarship.

ATHLETIC SCHOLARSHIP

Basketball scholarships are available to as many as fifteen worthy students. These students must carry at least 12 hours of college courses and maintain a grade point average high enough to meet league standards and to avoid being on scholastic probation. The amount of these scholarships varies, but could be as much as full tuition and room.

**FRANK BASS STUDENT LOAN FUND AND
YORK COLLEGE STUDENT LOAN FUND**

These loan funds make available limited amounts to a limited number of worthy students at a reasonable rate of interest. Applications should be addressed to the Loan Committee.

BOARD APPOINTED SCHOLARSHIPS

Each member of the York College Board of Directors is authorized to recommend two students to the Scholarship Committee for a scholarship. The scholarship will be for \$500 for a two year period, awarded on a prorated basis of \$125 per semester. This scholarship will be continued in each succeeding semester provided the student is not on academic probation and is in good standing with the college.

CHILDREN'S HOMES SCHOLARSHIP

Tuition up to \$225 per semester is granted to high school graduates from Epworth Village in York, and from any children's home operated by members of the church of Christ.

CHRISTIAN ACADEMIES SCHOLARSHIPS

The administration of any academy or high school operated by members of the church of Christ may recommend two students from the senior class for a scholarship at York. The recommendation made to the York College Scholarship Committee should be made on the basis of need, character, desire to attend York College, and aptitude to succeed in college work. The scholarship will be for \$500 pro-

rated at the rate of \$125 per semester over a two year period. The continuance of this scholarship for each succeeding semester will be contingent upon the student maintaining an acceptable scholarship record at York College. He must not be on academic probation, and he must be in good standing with the college.

These scholarships are offered to two students in addition to the academic scholarships which may be granted to two seniors from a Christian academy.

FOREIGN STUDENT SCHOLARSHIP

York College grants free tuition to all students from outside continental North America.

HESTED-LEE STORES SCHOLARSHIP

The Hested Stores offer two \$500 scholarships each year on the following basis: (1) all scholarships must be approved by the scholarship committee at the college; (2) all scholarship students must be in the upper 30% of their high school class, or maintain a "B" average or better in college; (3) all scholarship students must be from a town or area in which there is a Hested Store; (4) all scholarship students must need financial aid to begin or maintain their college education; (5) all scholarship students must show evidence of Christian character through recommendations of their preacher, school principal, local business men, etc. If the tuition and fees should be less than \$500, the balance may be used for the student's living expenses.

HUMANITIES SCHOLARSHIPS

The humanities department has been authorized to grant as many as fifteen scholarships in such areas as speech, dramatics, music and art. Students with special talent and interest in these areas should write the chairman of the scholarship committee for application blanks.

MINISTERIAL STUDENT LOANS

Students who are planning to do full time work in the ministry of the Church may apply for a full tuition loan. The loan will be due in five years after graduation from York College. No interest will be charged until graduation. Upon graduation, interest will be charged at the rate of 3 per cent per annum beginning at the time of graduation or withdrawal from York College.

If at the end of five years after graduation the preacher is engaged in full time mission work, he may apply to the York College Scholarship Committee for cancellation of the loan. If cancellation is granted, it will be at the rate of \$300 per year for each year spent in full time mission work.

MERLIN PRIOR SCHOLARSHIP

A scholarship of \$25.00 is given each spring to a student who maintains a "C" average and on the basis of need and character. The selection is made by the scholarship committee.

NATIONAL DEFENSE STUDENT LOANS

York College is fully approved by the United States Department of Health, Education and Welfare for the administration of National Defense Student Loans. This act provides for long term, low interest loans to qualifying students. Detailed information can be received by addressing: Business Office.

NEW ENGLAND LIFE SCHOLARSHIP

Mr. A. Hubert Foster has provided \$50 per semester each year for a male student, in either the freshman or sophomore year, who is participating in athletics, but who is not receiving other substantial scholarships. The recipient must be a student who is either enrolled or intending to enroll and pursue a business administration course of collegiate study.

If no student satisfies either of the above requirements, a list of names is to be submitted to the donor who will assist in the determination of granting the award. This award will be discontinued only upon six months written notice to the college.

DON L. WININGS MEMORIAL AWARD

Each year a student of York College will be selected on the basis of personality and participation in extra-curricular activities to receive a trophy. The selectee will have his name inscribed on a larger trophy previously given to the college. The student who receives the trophy must have a grade point average of 2.00 or above. Candidates will be nominated by the Scholarship Committee. The winner will then be chosen by a vote of the student body. No student may receive the trophy more than once.

HOW TO APPLY FOR SCHOLARSHIP

Make application to the Scholarship Committee on official Application for Scholarship form. Give complete details in writing. Application forms may be acquired by writing to Chairman, Scholarship Committee, York College, York, Nebraska.

In order for a scholarship to be granted, three forms, the application for admission, the application for scholarship, and a transcript of credits, must be in the hands of the Scholarship Committee. You should make sure that all of these forms are sent to the college.

No scholarships will be offered after August 31.

STUDENT EMPLOYMENT

A limited amount of work is available to help deserving students meet their college expenses. Those who expect to work should make application to the Director of Admissions before reaching the campus. Remuneration for student employment on campus is paid by crediting the students account.

Students are advised not to apply for more work than is absolutely necessary. Any student who works more than three hours a day should limit his academic load.

STUDENT ACTIVITIES

CLUBS

Social Clubs have been organized for both women and men to provide for students a wholesome social life with opportunities to develop leadership abilities and cooperative attitudes. Club activities include regular meetings, informal parties, banquets and outings. It is the college policy that each student receive an invitation to membership in a social club.

State Clubs are composed of students and faculty members from the respective states.

DRAMATICS

Dramatis Personae is the campus honorary dramatics club. Students are invited to join after they have demonstrated an active interest in the college productions.

MUSIC ACTIVITIES

The A Cappella Chorus is a popular music organization on the York College campus. It presents a number of concerts locally and makes an extensive tour each year during the spring semester.

Community Concerts are given in Lincoln by internationally known artists. There are five concerts each year attended by York students and faculty.

The Pep Band is open to all students who play instruments well enough to qualify. The band participates in pep rallies and inter-collegiate sports events.

The Women's Ensemble and **The Men's Quartet** are selected from members of the A Cappella Chorus. They present numerous programs in York and represent the school on chorus trips.

The Y-Notes, a 17-voice mixed ensemble, are chosen from the chorus. This group presents programs both locally and away from York.

RELIGIOUS MEETINGS

Evening Devotionals are held in the dormitories each evening. Wednesday evening devotionals are held in McCloud parlor and are enjoyed by the students from all the dormitories.

Young Men's Training Classes are held in the nearby church building each Thursday night throughout the school year with student preachers in charge of the programs. All students, faculty members and the public are invited. This is one of the best attended student activities.

SPORTS

Intercollegiate Athletics add much to the school spirit. York College participates in intercollegiate basketball, track and tennis. As the enrollment increases, a full program of intercollegiate athletics will be developed.

Intramural Sports give every student an opportunity to participate in some wholesome type of athletic activity. A well-balanced program of intramural sports with a wide variety of activities is in operation.

STUDENT ASSOCIATION

The Student Association is composed of all students and exists to provide a closer cooperation between the students and the administration and faculty. The Executive Council of the Student Association is elected annually by the student body.

STUDENT PUBLICATIONS

The Crusader, the York College yearbook, is issued each spring. The editor and business manager are chosen each spring for the next academic year, and the remainder of the staff is chosen in the fall. One copy of each issue is kept on file in the office of the Registrar.

The Spokesman, the campus newspaper, is a semi-monthly publication. Positions on the staff are open to all students who demonstrate journalistic aptitude.

GENERAL REGULATIONS

One of the aims of York College is to maintain and promote Christian standards of life. In all matters pertaining to personal conduct, students are expected to behave as responsible citizens in a Christian community. A student's application for admission to the institution implies his acceptance of the objectives and regulations of the college. Any person who enrolls in the college is expected to support the spirit of the college and its policies. The college endeavors to have its discipline firm, reasonable, and sympathetic. It reserves the right to dismiss a student whenever in its judgment the general welfare of the college seems to require such action.

AUTOMOBILES

Students are urged to refrain from bringing cars to the campus. The student who brings a car is to abide by such rules for automobiles as the administration sees fit to impose. Girls are requested not to ask to bring cars to the campus.

BIBLE CLASSES

The administration of the college believes that no one is well educated who is not acquainted with God's dealings with men from the beginning and who does not have a knowledge of God's requirements of men in this age of the world. Every student carrying twelve or more hours is required to take one course in Bible each semester.

BUILDINGS AND OTHER PROPERTY

Any student responsible for the marring or destruction of college property will also be responsible for the expense involved in restoring the defaced or destroyed property. No animal pets will be allowed in school housing.

CAMPUS DRESS

Students at York College are expected to be modest and decent. Young ladies may wear slacks, blue jeans, or peddle-pushers while engaged in athletic activities, on picnics, etc., but these are not considered appropriate for ordinary campus occasions. Strapless or spaghetti strap evening gowns are not considered appropriate for formal events.

CHAPEL ATTENDANCE

Daily chapel attendance is required of all students and faculty members. Chapel exercises consist of a short devotional period followed by a program designed to stimulate intellectual, religious and aesthetic development.

CHURCH ATTENDANCE

All boarding students are expected to attend church services regularly.

DATING

Students may have social engagements for all religious services, college-approved activities, date nights and during meals. Young men who preach may take young ladies with them only if properly chaperoned.

FIREARMS

Students will not be allowed to keep firearms of any kind in campus housing. Any firearm brought to the campus must be brought upon permission of the dormitory supervisor and stored in his apartment. The student may use it only by permission.

MORAL CONDUCT

Smoking. Those who are directly responsible for the environment at York College believe that the use of tobacco in any form is injurious to health. It is certainly a fire hazard and an expensive habit. The use of tobacco by boarding students is forbidden anywhere. Non-boarding students who smoke are asked to do so only in their cars off campus.

Drinking. The use of alcoholic beverages is prohibited on the part of any student of York College.

Profanity and vulgarity, hazing other than approved club initiations, gambling and indecent literature and pictures are forbidden on the part of any student of York College.

ACADEMIC INFORMATION

ADMISSION

York College desires to admit students who are qualified to contribute to the college environment and can benefit from the opportunities offered. An applicant's eligibility is decided in terms of academic preparation, character, educational interests, and ability to do college work. There is no restriction to admission because of race, religion or politics.

To gain acceptance at York College, the student must satisfy the following requirements:

1. Complete the application form and include the ten-dollar room reservation fee;
2. Provide the college with a high school transcript, plus transcripts from each school or college previously attended;
3. Request and return the completed health form;
4. Provide the college with test scores for the ACT tests if possible.

Graduates of accredited high schools or non-graduates with fifteen acceptable units may meet the academic requirements for admission by presenting an official transcript. There should be no less than three units of English, and no less than nine units of additional academic subjects: English, foreign language, mathematics, natural science, social sciences. The remainder of the units may be elective.

Conditional admission may be granted to an applicant not presenting all of these units. This condition is to be satisfied by earning three semester credits in college for each high school unit not presented. However, the deficiency must be rectified before sophomore standing is achieved.

Transfer of Credit. A student who has previously attended a recognized college may make application for transfer of credit to York College. Such a student must submit both the high school and college transcripts which include statements of status at the time of withdrawal. Grades of "D" are not accepted, unless an equal number of hours of "B" or better are also submitted. In general, a grade of "D" in the major field will not be accepted. A transfer student may enroll in the courses which are justified by an evaluation of his transcript.

Entrance Tests. Each freshman is required to take a series of tests as a part of his orientation program. Test results are made available to the student counselor to assist in guiding the student

in the selection of courses, the recognition and removal of weaknesses, and the selection of fields of interest compatible with ability and previous preparation. A student falling too low on the psychological test will be given probationary status until he demonstrates ability to do college work. Students missing any part of the freshman tests and requiring a second testing date will be charged a fee of \$2.50. Those missing the second date will be charged \$5 for a third date. No student can be approved for full freshman standing until all tests are completed.

ACT tests taken while in high school are recommended.

Classification of Students. Regular students carrying twelve or more hours who have met entrance requirements are classified as first semester freshmen. Students who have acquired 14 hours of college work are classified as second semester freshmen. Those having obtained 28 hours of work are classified as sophomores, and those with 42 hours of work completed are classified as second semester sophomores.

The necessary scholarship must be maintained at each level.

Non-degree students who do not meet entrance requirements, but who wish to enroll in certain courses for personal development, may, upon approval of the Dean, be admitted as special students.

ACADEMIC REGULATIONS

Absence and Tardiness. The college holds that regular class attendance is essential to scholarship. It provides for necessary absence and penalizes for over-cutting. Punctuality in all classes is required.

The number of absences in any course must not exceed the number of hours that the class is scheduled to meet each week. For each further absence the student's grade will be lowered on the following basis:

1 hour class	5 % deduction
2 hour class	3 % deduction
3 hour class	2 % deduction
4 hour class	1½ % deduction
5 hour class	1 % deduction

for each additional absence. This deduction will be on the semester's average according to the instructor's standard for the course. Three tardinesses will equal one absence. Absences just before and after vacations will be considered worthy of double percentage deductions.

Percentage deductions will not be counted against the record of a student who is officially representing the college, provided the proper forms have been completed and filed in the Dean's office before the absence. However, no student shall be absent from any class more than three weeks of a semester. Absences in excess of this amount constitute withdrawal of the student from the course.

Regular daily chapel attendance is expected of each student.

Class Changes. No student is permitted to change or leave a class without approval of the instructor, the counselor, and the Dean. Any student dropping or adding a class will be charged a fee of \$1.00 unless the change is required by the college. Class changes are not permitted after the third week of any semester, except for very unusual circumstances, and then only with the approval of a committee composed of the instructor, counselor, and Dean. Any class dropped without the unanimous approval of the instructor, counselor, and Dean will be marked "F". The official date of dropping will be the date on which drop forms are filed in the office of the Registrar. Any class dropped during the first three weeks of a semester will not be shown on the transcript. In the case of prolonged illness, a student may request that his instructor, counselor, and the Dean meet as a committee to consider an irregular drop request.

Grades and Records. The achievement of the student in each course is expressed as follows:

A—excellent

B—good to superior

C—average

D—below average (lowest passing mark)

F—failure

S—satisfactory, though without reference to the quality of achievement

I—incomplete

WF—withdrew while doing failing work

WP—withdrew with approval and passing grade

An "I" may be given only when the student has been unable to complete a course for reasons, which, in the judgment of the instructor, have been unavoidable. Incomplete grades must be removed the first six weeks of the following semester. If an "I" is not removed within the specified time, it automatically becomes an "F". If a student shall choose to take a course a second time to remove a poor grade, only the higher grade shall be considered in determining eligibility for graduation.

Definition of Semester Hour. A semester hour of credit requires one fifty-minute recitation or lecture per week for eighteen weeks. Two or three hours of laboratory work are equivalent to one hour of recitation.

Honors and Honor Points. In order to determine the student's scholarship level, the following points are assigned for each hour of the indicated period: A—4; B—3; C—2; D—1; F, S, WF, and WP—0.

Students who achieve a scholastic level of 3.30 points during their entire degree program are graduated "with honors." Those with an average of 3.60 are graduated "with high honors." Those with an average of 3.85 are graduated "with very high honors."

An Honor Roll is published each semester of those achieving high scholarship. To be eligible for the honor roll a student must be carrying twelve or more hours of work. Students must have an average scholarship level of 3.30 with no grade marked incomplete and no grade below "C" for the semester.

Scholarship Levels. Each student is expected to maintain a scholarship level commensurate with his academic goals. The average is computed by dividing the total honor points earned by the total semester hours attempted, including the "F" and "WF" grades, but not "WP" or "S" grades.

A grade point average of 2.00 is required for graduation in the degree program, and a grade point average of 1.50 is required for the recipient of the Certificate of Achievement diploma. To be eligible to participate in co-curricular activities and to avoid being placed on academic probation the following scholastic level must be achieved:

First semester freshman	1.35
Second semester freshman	1.50
First semester sophomore	1.75
Second semester sophomore	2.00

A student who falls below this level will be placed on academic probation and will be limited to not more than a normal load. When a student is on scholastic probation, he is not permitted to represent the college in any co-curricular activity, such as athletics, chorus trips, debating, dramatic productions, and student publications. A student who has been below the required academic level for two consecutive semesters is ineligible to enroll as a regular student. Such students may enroll as special students with a limited load upon approval by the Dean of the college.

REQUIREMENTS FOR DEGREES

Associate in Arts Degree. The College confers the Associate in Arts degree upon the successful completion of a two-year liberal arts college transfer program. To qualify for this degree, a student must be of good moral character and receive recommendation from the faculty. He must have completed a minimum of sixty hours of acceptable college work in addition to physical education activity courses, with a grade point average of 2.00 in all work presented for graduation. Thirty hours must be completed in residence, and at least fifteen of the last thirty hours required for this degree must be registered for and carried in this college. A minimum of twelve hours must be taken in one department. He must satisfy the requirements in general education listed below, and he must have 6 hours credit in Bible. A transfer student may graduate with fewer than 6 hours in Bible, provided he has passed a course each semester he was enrolled at York.

**The General Education Program for Candidates for the
Associate in Arts Degree**

The general education requirements are designed to give basic understanding, to develop certain essential and fundamental skills which all should possess, and to furnish a broad foundation of knowledge for advance level courses. They are as follows:

	Hours
I. Understanding religious and spiritual values:	
Bible	4
II. Understanding the human and creative spirit:	
1. The means of communication: English 113, 123; Speech 113	9
2. The creative spirit: Literature, 3 hrs; Art 202 or Music 202	5
III. Understanding the living and visible world:	
Biology 112, 122, Physical Science 112, 122, six of these eight hours or other science	6
IV. Understanding the social world:	
1. Our American Heritage: History	6
2. Recreation: Physical Education 111, 121, or 211, 221	2
V. Understanding human behavior: Psychology 143, or Sociology 112, 122	3-4
35-36	

Students who plan to enter medicine, dentistry, engineering, etc., may upon appeal to the Dean, be excused from certain required courses listed above in order to take courses that are required by the colleges and universities that they plan to attend in the future. However, this exception will be made only when, with careful planning of the student's program, the completion of all the requirements would cause undue hardship.

Certificate of Achievement Diplomas. A Certificate of Achievement Diploma is awarded to students who have successfully completed an intermediate or terminal program. To qualify for this diploma a student must have completed a minimum of fifty-six hours within four or more semesters. He must have received a grade point average of at least 1.50 in the fifty-six hours presented for graduation. Also, he must be of good moral character, and receive recommendation from the faculty. He must satisfy the requirements in general education listed below, and he must have 6 hours credit in Bible. A transfer student may graduate with fewer than 6 hours in Bible, provided he has passed a course each semester he was enrolled at York.

This diploma is primarily designed for students who do not plan to transfer to a four-year college. Students enrolled in this program

tional goal should consult with an advisor so that a curricular plan which will best meet that goal can be selected.

Some of the many possible special interest and pre-professional course patterns are suggested following the outline of the general liberal arts program. Other course patterns not suggested here are available.

GENERAL LIBERAL ARTS

The general liberal arts program is listed first in the suggested programs because it is the basic course of the college and a majority of the students will be enrolled in it. A student may pursue this program for two years, and at the end of this time he may change his major field of interest with very little loss of time in preparation for the four-year degree.

Students interested in the area of art, Bible, biology, business administration, chemistry, English, history, mathematics, music, physical education, physics, sociology, or speech, should enroll in the general liberal arts program. Enrollment should be preceded by careful consultation with the faculty member who teaches in the area of the student's special interest. Counselors will help to outline programs to fit individual needs, but the following is a suggested schedule of courses.

FRESHMAN YEAR

First Semester	Hours	Second Semester	Hours

	16		16

* Sociology 112, 122 may be taken in addition to or as a substitute for psychology 143.

ART

Students planning to major in art should complete the liberal arts program and twelve hours of art. Art 133, 143, 233, and 243.

BIBLE

Students planning to major in Bible should plan their work carefully. Transitions can be made in the suggested program but this should be done only after consulting the Head of the Bible Division.

BIOLOGY

Students planning to major in biology should complete the liberal arts program with the exception of Biology 112 and 122. In addition, they should take Biology 114, 124, 214, and 224.

CHEMISTRY

A student planning to major in chemistry should consult carefully with the instructors in chemistry and mathematics to determine his eligibility to enter advanced mathematics courses. If his preparation in mathematics is not extremely high, he should enroll in math 173 and 183 the freshman year rather than math 215 and 225. Students not well prepared in mathematics should postpone calculus until the sophomore year, physics until the junior year and transfer physical education to the freshman year.

EDUCATION**Elementary Education**

The education department of York College feels that teachers are more adequately prepared if they go beyond the two-year preparation program. However, two years of elementary education are offered which will prepare a student to transfer to a four-year college and work toward a bachelor's degree in elementary education.

FRESHMAN YEAR

MATHEMATICS

A student majoring in mathematics should enroll in the liberal arts curriculum with mathematics as elective courses. Outstanding students may take math 215 and 225 the first year and provide room for physics 214 and 224 the second year. Students not eligible to enter calculus should take math 173 and 183 the first year and 215 and 225 the second year.

MUSIC

The following course outline is planned for those students who plan a four year degree in music education. Students planning an applied music major will delete the education courses and take more private instruction.

PRE-DENTISTRY

Specific requirements at the University of Nebraska College of Dentistry are: 60 semester hours exclusive of physical education and military science. These 60 hours must include two semesters in English composition, two semesters in zoology or biology, two semesters in inorganic chemistry, two semesters in physics, and one semester in organic chemistry. Outstanding scholarship is essential for entrance into dental college since only about 20% of the applicants are admitted. The University of Nebraska, the only dental college between Iowa and California, admits only thirty-four beginning students each year.

PRE-ENGINEERING

Students desiring to study engineering may choose between the two-year or the one-year program. We recommend the two-year program for those who are interested in general engineering and who wish a broad general basis for their technical careers. The one-year program is offered for those who are interested only in the specialized line of study.

PRE-JOURNALISM

York does not offer specific courses in journalism. However, the major portion of the first two years in journalism school is devoted to achieving a broad general education. A student wishing to major in journalism can easily spend his first year at York without loss of time in his journalism program. Practical experience may be gained during this time by serving as a member of the staff of the student newspaper.

PRE-LAW

Standard law schools require that students have at least two years of college training before entering upon professional study. The course listed below meets that need in that it supplies the necessary background in history, government, English, and speech, so essential to the practitioner of law.

Law schools do not specify particular courses as being mandatory in the pre-professional training. Therefore, minor adaptations in the suggested program are permissible.

PRE-MEDICAL TECHNOLOGY

A student planning to enter medical technology must complete three years of college, a minimum of 90 semester hours, before admission to the program. These three years should encompass four semesters each of biology and chemistry and one semester of mathematics. Such students should enroll in the general liberal arts program, other than the non-lab science courses, and in addition complete Biology 114, 124, 214, and 224; Chemistry 114, 124, 204, and 215 plus three hours of mathematics. Some of the science courses can be planned for the junior year.

PRE-MEDICINE

Ninety semester hours or three years of college work are required as prerequisite to the four years in a medical college for the Doctor of Medicine degree. However, since admission to a medical college is extremely difficult to achieve, a student planning a medical career should consult with both the Dean of York College and the Chairman of the Admissions Committee of his intended medical college concerning his pre-medical curriculum at York.

The University of Nebraska requires a minimum of 90 semester hours of work. Specific semester hour requirements include 14 semester hours in Chemistry, 8 in Biology, 12 in English, 6-18 in foreign language, and 36-54 in electives.

PRE-NURSING

The suggested preliminary college course listed below is designed to meet the entrance requirements of the University of Nebraska

School of Nursing. Students planning to enter another school of nursing should select courses to comply with the entrance requirements of that school.

PRE-VETERINARY AND PRE-ANIMAL HUSBANDRY

Any person wishing to enter the four-year professional course leading to the degree of Doctor of Veterinary Medicine must first complete two years of pre-veterinary training. The two year program outlined under Pre-Pharmacy will meet the entrance requirements of Colorado State University by adding Math 183. The student should study the entrance requirements of the college of his choice and consult with his counselor at York concerning the advisability of completing two full years at York.

SECRETARIAL MANAGEMENT

Students who have had both typing and shorthand in high school will probably be able to take advanced courses in these lines in the first year, and thus prepare themselves for employment by one year

of study. However, the course of study in Secretarial Management seeks to prepare persons to assume positions of responsibility as stenographers or secretaries, and to meet the increasing demand for people of broad background and technical skill to fill secretarial positions requiring managerial ability. Modern business courses stress the fact that many secretaries step into executive positions. Consequently, the two-year course which builds a much broader background, and includes some courses in business administration, is recommended.

Two-Year Degree Program

Students are encouraged to take the Associate in Arts degree program. Students taking this plan will lose no time when trans-

ferring to a four-year college, whereas those who follow the terminal program plan will not be able to complete a four-year degree without loss of time. The following program will be somewhat lighter for students who have had previous work in shorthand and typing. The student should consult with his advisor concerning adaptations to fit his personal needs.

- DIVISION II— Humanities**.....**Mr. Meredith Thom, Chairman**
 Art, English, Foreign Language, Music, Speech
- DIVISION III— Natural Sciences**.....**Dr. Robert Brown, Chairman**
 Biology, Chemistry, Home Economics, Mathematics,
 Physics
- DIVISION IV— Social Science**.....**Mr. T. Gayle Napier, Chairman**
 Business, Education, Government, History, Physical
 Education, Psychology, Sociology.

KEY TO NUMBERING AND SCHEDULING OF COURSES

The Roman numeral following the course title indicates the semester in which the course is to be offered. The units digit of the course number indicates the credit value of the course.

Courses numbered from 100 to 199 are designed primarily for freshmen; those numbered from 200 to 299 for sophomores. Freshmen are permitted to take some courses numbered in the 200s, and sophomores may take courses numbered in the 100s.

Courses are offered every year unless otherwise stated. Courses offered on "demand" are not regularly scheduled but will be scheduled provided five or more students need the course to meet graduation requirements.

The College reserves the right to withdraw scheduled courses when fewer than five students register for such courses.

HONORS COURSES

111 or 112, 121 or 122,
 211 or 212, 221 or 222.

Honors Course Special Study

A student who is very outstanding in ability may be recommended to the academic council, composed of the chairman of the four divisions of the college and the dean, to pursue special study under the guidance of the professor in the area of his specialty. This study will constitute enrichment for the students involved and will not substitute for other courses. The students and their guiding pro-

fessors will meet monthly with members of the academic council to share the results of their study. Credit will be given upon completion of the work. Entry on the transcript will follow the form:

	Credit	Grade
Honors 112 Honors in Chemistry	2	A

DIVISION OF BIBLE AND RELATED SUBJECTS

Chairman: Mr. Joe K. Alley

Teachers: Alley, Barnett, Brown, Campbell, Lewis, Miller, Scott

York College endeavors to give its students a broad liberal arts education with recognition of and training in the spiritual values of life. The College is primarily supported by members of churches of Christ. This group of people accept the Bible as the divine will of God revealed to mankind. York College recognizes its responsibility to teach the Bible as an inspired book to the young people placed in its care.

As a servant of the home from which the students come, York College is dedicated to the cultivation of the full Christian personality. Recognizing the responsibility of its charge, the Administration requires each student who takes as much as twelve hours of work to take a course in this division each semester. The Chairman of the Division should be consulted when there is doubt as to whether a course in this division will satisfy the Bible requirement.

BIBLE

Students planning to major in Bible should take at least ten hours of Greek.

Bible 111 and 121 are Bible courses which have the same lecture periods as Bible 113 and 123. These courses earn only one hour of credit and consequently require less research work outside of class; however, all students must attend the same lecture periods. Provisions have been made for the students who have had little previous Bible training to take these low credit courses. Special permission from the Chairman of the department or the Dean is necessary to enroll in these courses.

111-113. Old Testament Survey **I, Class 3, Credit 1 or 3**

A study of the Old Testament emphasizing the history of ancient Israel, but also giving some attention to the prophetic and poetic books.

121-123. New Testament Survey **II, Class 3, Credit 1 or 3**

An introductory study of each book in the New Testament in-

volving authorship, background, purpose, date and critical problems. Special attention will be given to the content.

- 202. The Acts** II, Class 2, Credit 2
This course is an intensive study of the book of Acts. The student will be required to know both the history and the doctrines of the book. A chapter outline and choice passages will be memorized.
- 213. The Four Gospels** I, Class 3, Credit 3
A study of the harmony of the Four Gospels, giving attention to the person, life and teachings of Jesus. Special emphasis is given to the customs of the period.
- 222. Corinthians and Thessalonians** I, Class 2, Credit 2
A study of the background and content of Paul's correspondence with the Corinthians and Thessalonians.
- 223. Prison and Pastoral Epistles** I, Class 3, Credit 3
An intensive study of Ephesians, Philippians, Colossians, Philemon and the letters to Timothy and Titus. Both the milieu and the contents of the books will be studied.
- 232. General Epistles** II, Class 2, Credit 2
An intensive study of the Minor Epistles; James through Jude. Special attention will be given to introductory matters, moral and spiritual values and homiletical material.
- 243. The Church** II, Class 3, Credit 3
This is a study of the church in prophecy, preparation, and establishment. The conditions of membership, its work and worship will be emphasized.
- 252. Minor Prophets** I, Class 2, Credit 2
A study of the Old Testament prophetic books, Hosea through Malachi, as their message relates to the history of Israel.
- 262. Job** II, Class 2, Credit 2
An exegetical study of the book of Job in its Old Testament setting and as it relates to the problem of human suffering.

CHRISTIAN EDUCATION

In addition to a knowledge of the Bible itself, there are many areas of service and knowledge in which the conscientious Christian desires proficiency. Second only to a thorough knowledge of the Bible is the ability to translate its teaching into one's own life and into the lives of others. This practical field is called Christian Education. It involves methods, wisdom, and the accumulation of experience. It aids not only the gospel preacher and the teacher of religion but also the Christian housewife and the business man.

- 102. Elementary Song Directing** II, Class 2, Credit 2
For non-majors. Training and practice in song-directing. Study of methods for better worship through song. Consent of instructor.
- 112. Bible Geography** I, Class 2, Credit 2
This course is designed to acquaint the student with the geography of Bible lands in various Biblical periods, but it will also give the student a picture of these lands in their present status.
- 123. Homiletics** II, Class 3, Credit 3
Preparation and delivery of sermons, lectures and assigned readings on the place and purpose of preaching in the world today. Both textual and topical sermons will be prepared and delivered.
- 141. Advanced Song Directing** I, Class 1, Credit 1
Designed for music majors or minors and others who have had previous training in music. Special attention given to hymn literature and methods for more effective leadership in worship. Consent of instructor.
- 212. Personal Evangelism** II, Class 2, Credit 2
A study of methods and techniques in personal work gleaned from the Bible, special texts and practical experience.
- 213. Educational Work of The Church** I, Class 3, Credit 3
A study of the place and function of the educational work of the local church. Attention given to the characteristics, aims, and methods used in the various age groups of the Bible school.
- 222. Missionary Methods** II, Class 2, Credit 2
A study of the problems and methods of mission work. Special attention will be given the motivation, purpose, problems and techniques of work on the foreign field.
- 223. Church History** I, Class 3, Credit 3
A survey of church history from the beginning of the church to the present time. Special emphasis will be given to the establishment of the church, the rise of Catholicism, the Protestant Reformation and the Restoration movement. Offered on demand.
- 233. American Church History** II, Class 3, Credit 3
A study of the origin, growth and significance of the major churches in America with special emphasis given to study of the dominant religious bodies in the Midwest. Class lectures to be supplemented by collateral reading.

GREEK

Courses in Koine Greek, the Greek of the New Testament period, are offered for the benefit of those interested in studying the New Testament in the original language. A knowledge of the language

contributes much to an understanding of the problems of Biblical translation and is invaluable as an aid in interpretation. The highly inflected nature of the Greek language makes it an exceptionally expressive vehicle of communication. It was the most prominent and most widely used language of the Roman Empire in the first century, which made it an ideal language for the evangelization of the Roman world. Acquaintance with the language is also helpful in evaluating the cultural and historical impact of both the ancient Greek and Roman civilizations.

Students planning to major in Bible are required to take one year of elementary Greek.

- 215. Elementary Greek** I, Class 5, Credit 5
Vocabulary, declensions and conjugations.
- 225. Elementary Greek** II, Class 5, Credit 5
Continuation of Greek 215 with selected readings from the Gospel of John.

DIVISION OF HUMANITIES

Chairman: Mr. Meredith Thom

Teachers: Barnett, Baucom, Epperson, Hawley, E. Lewis, J. Lewis, Thom, White.

In general education the Division of Humanities, through its several departments, endeavors to make the student aware of the best that has been done in words, in music, and in art, so that he may have some basis for opinion in these matters. In certain courses also he is given such theory and practice as will enable him to interpret music and literature and art and to compose original work for himself. Throughout the Division he is encouraged to observe interrelations of languages, literatures, and fine arts so that he may be able to appreciate his cultural heritage. All phases, however, are coordinated in the purpose implicit in every activity of the Division: to make the student conscious of his heritage, to establish his tastes, to encourage him in self-expression and in other cultural pursuits, so that his leisure may be richer, his judgment more discriminating, his action more intelligent.

ART

The Department of Art is designed to enrich the artistic understanding of all students, to develop proficiency in specific skills such as freehand drawing and painting, to supply the art training required by other departments, and to prepare teachers of art. Courses requiring no special ability are open to all students and are recommended as electives.

- 122. Public School Art** II, Class 2, Credit 2
Methods and materials for elementary schools. Projects designed and executed by students. Offered on alternate years beginning 1959-60.

- 133. Freehand Drawing and Composition** I, Class 6, Credit 3
Drawing and composition problems in various media.
- 143. Freehand Drawing and Composition** II, Class 6, Credit 3
Advanced drawing and composition.
- 202. Art Appreciation** I, II, Class 2, Credit 2
Study of the principles which underlie the beauty and worth of artistic creation.
- 233. Painting** I, II, Class 6, Credit 3
Introduction to the fundamentals of oil painting. Prerequisite Art 202 and Art 133.
- 243. Painting** I, II, Class 6, Credit 3
Advanced painting in oils and other media.

ENGLISH

Courses offered by the English Department are designed to encourage all students to think of the English language as a basic tool in the understanding of all subjects. Through oral and written expression and through reading and discussing various forms of literary composition, the department hopes that its students will learn to make correct judgments and to develop an understanding and an appreciation for the noblest in literature and in life. Courses in English are also designed to enable the student to do successful upper-division work.

- 100. Remedial English** I, II, Class 2, Credit 0
Students having made low scores on English placement tests will be enrolled in the regular English course. They will meet two hours a week in addition to the regular course to build up their deficiencies for 113.
- 113. Freshman Composition** I, Class 3, Credit 3
Required of freshmen. A study of the essentials of composition. Weekly themes; conferences on written work.
- 123. Freshman Composition** II, Class 3, Credit 3
Required of freshmen. Continuation of English 113. Emphasis is placed on fundamental principles of effective writing.
- 213. English Literature Survey** I, Class 3, Credit 3
Outstanding works of English literature from the earliest times to the close of the eighteenth century, studies in chronological sequence and with some attention to the characteristics of the various periods of English literary history embraced.
- 223. English Literature Survey** II, Class 3, Credit 3
Outstanding works of English literature from the late eighteenth

century to the early twentieth century, studied in chronological sequence and with some attention to the characteristics of the various periods of English literary history embraced.

- 232. Introduction to the Novel** I, Class 2, Credit 2
A study of selected novels and a tracing of the development of the novel as a literary genre.
- 242. Introduction to Poetry** II, Class 2, Credit 2
A course in the enjoyment and understanding of poetry through a study of poetic techniques as well as the content of selected poems.

MODERN LANGUAGES

The courses in modern languages are designed to provide the student with a basic understanding of linguistic structure. This understanding will broaden his outlook and enable him to make better use of his own language. Satisfactory completion of these courses gives the student the ability to speak, write, and read the language on an elementary level, and it also exposes him to the culture of the areas where his chosen language is spoken.

GERMAN

- 114. Elementary German** I, Class 5, Credit 3
Introduction to German life, language, literature. Emphasis placed upon thinking in German. Fundamentals of German grammar.
- 124. Elementary German** II, Class 5, Credit 3
Continuation of German 114.
- 213. Second-Year German** I, Class 3, Credit 3
Grammar review, extensive reading and conversation.
- 223. Second-Year German** II, Class 3, Credit 3
A continuation of 213 with more extensive reading and conversation.

SPANISH

- 114. Elementary Spanish** I, Class 5, Credit 4
This course involves essentials of grammar, elementary composition, easy reading, and practice in speaking.
- 124. Elementary Spanish** II, Class 5, Credit 4
A continuation of Spanish 113. It involves diction, speaking, reading, composition, and a continuation of grammar study.

- 213. Second Year Spanish** I, Class 3, Credit 3
Grammar review, extensive Spanish-American readings and conversation.
- 223. Second Year Spanish** II, Class 3, Credit 3
A continuation of 213 with more extensive readings in Spanish literature and conversation.

MUSIC

The Department of Music exists to prepare future music teachers, to develop in all students an appreciation for values to be gained through the study of music, to provide practical experience in the performance of great music, and to assist those who desire to serve the Church more effectively.

Students may major in piano, voice or music education. Those who plan to teach should major in music education. Students majoring in music education must be proficient in either piano, voice, or a band or orchestral instrument.

The suggested program of courses for the music major is listed on page 33. The music minor should take a minimum of ten hours while at York including music 113, 123, 121, 131, 101p, and one additional hour of private instruction. Also, music 152 and 162 are strongly recommended.

The music staff reserves the right to decide at the close of the first semester course of study whether or not a student may pursue the full music major.

- 100. Language Diction** I, Class 2, Credit 0
Required of all voice majors. A study of Italian, German, and French pronunciation as it applies to singing.
- 101. Rudiments of Music** I, Class I, Credit 1
For non-majors. Elementary music principles and sight-singing. Designed for those who have had little or no previous training in music. Consent of instructor. Offered on demand.
- 102. Elementary Song Directing** II, Class 2, Credit 2
For non-majors. Training and practice in song-directing. Study of methods for better worship through song. Consent of instructor.
- 113, 123. Elementary Harmony** I, II, Class 3, Credit 3 each semester
Study and keyboard application of scales and intervals, triads and their inversions, four-part harmony through seventh chords. Private piano must be taken concurrently.
- 121. 131. Ear Training** I, II, Class 1, Lab. 1, Credit 1 each semester
Prerequisite or parallel: Music 113. Dictation from the keyboard, ear testing, and sight singing involving intervals, scales, triads, melodies, and rhythms.

- 132. Music For Elementary Teachers** I, Class 2, Credit 2
Methods and materials for the elementary school teacher.
- 141. Advanced Song Directing** I, Class 1, Credit 1
Designed for music majors or minors and others who have had previous training in music. Special attention given to hymn literature and methods for more effective leadership in worship. Consent of instructor. Offered on demand.
- 152, 162. Music Literature** I, II, Class 2, Credit 2 each semester
A general survey of music literature from the earliest in existence to the present. The evolution of musical styles will be traced and the examination of scores will be required. For music majors and minors only
- 202. Music Appreciation** I, II, Class 2, Credit 2
A course primarily for liberal arts students, designed to develop intelligent listening to various types of musical performance. An elementary study of music history, form and style in composition is supplemented by comprehensive recorded illustrations.
- 213, 223. Advanced Harmony** I, II, Class 3, Credit 3 each semester
Prerequisite: Music 123 or equivalent. More advanced phases of musical theory and analysis of Bach Chorales.
- 221, 231. Advanced Ear Training**
I, II, Class 1, Lab. 1, Credit 1 each semester
Prerequisite: Music 131 or equivalent. Chords, three-and-four-part dictation, more difficult melodic and rhythmic problems. Advanced sight singing.

APPLIED MUSIC

Private Instruction.

One or two hours of credit are given for private lessons, depending upon whether the student enrolls in one or two half-hour lessons per week. Voice majors that enroll for one or two hours a week must also enroll for Music 100, for which no credit is given.

101b or 102b; 111b or 112b; 201b or 202b; 211b or 212b.	Private Brass
101p or 102p; 111p or 112p; 201p or 202p; 211p or 212p.	Private Piano
101v or 102v; 111v or 112v; 201v or 202v; 211v or 212v.	Private Voice
101w or 102w; 111w or 112w; 201w or 202w; 211w or 212w.	Private Woodwinds

- 213 or 214. Private Voice** II, Class 2, Credit 3, 4
 The requirements of music 212v will be met. In addition the students in 213 will give a joint recital and the students in 214 will give a full recital.

Class Instruction.

- 101c, 111c, 201c, 211c. A Cappella Chorus** I, II, Rehearsal 5, Credit 1
 The A Cappella Chorus offers opportunities for experience in choral singing. A wide range of choral literature is studied, both sacred and secular, and numerous programs and concerts are presented. Membership is determined by audition. Only two hours of ensemble may count toward graduation.
- 172, 182. Class Voice** I, II, Class 2, Credit 2
 Group instruction for non-major beginning students.

SPEECH

The Department of Speech has the following objectives: to improve the communicative skills and attitudes of all students, to develop specialized abilities in public speaking, dramatics and oral reading, and to prepare teachers of speech.

- 113. Basic Speech** I, II, Class 3, Credit 3
 A course designed to develop ability and ease in speech experiences before an audience.
- 213. Fundamentals of Oral Interpretation** II, Class 3, Credit 3
 Study and practice in the art of interpretive reading. Offered on alternate years beginning 1958-59.
- 223. Play Production** I, Class 5, Credit 3
 Courses in acting and staging plays for public performances. Offered on alternate years beginning 1960-1961.
- 233. Introduction to Acting** I, Class 3, Credit 3
 Practical training in the field will be gained through pantomime, scene performance, and the development of a character in a major production. Audition required.
- 243. Introduction to Theater** II, Class 3, Credit 3
 Basic concepts of theater will be derived from the dramatic literature of Aeschylus to Miller and a survey of theater development.

WORKSHOPS

The following courses are designed for students who wish to gain experience in the production of dramatic presentations. A formal class time is not assigned.

111p, 121p, 211p, 221 p. Theater Workshop: Performance Credit 1

Open for credit to students who participate in important roles with a high degree of excellency during a given semester. Students are cast in the major productions according to their ability.

111t, 121t, 211t, 221t. Theater Workshops: Technical Credit 1

A practical course in the technical aspects of dramatic production. Students are assigned tasks in the major productions during the semester in which they are enrolled.

DIVISION OF NATURAL SCIENCE

Chairman: Dr. A. Robert Brown

Teachers: Brown, Scott, Tandy, Thomas

The program in the natural sciences is designed to give cultural training, to prepare teachers, to give the basic training in natural sciences needed by pre-professional students or students of the natural sciences, and for those who, for any other reason, desire a broader understanding and appreciation of the sciences.

GENERAL EDUCATION COURSES

112, 122. Biological Science I, II, Class 2, Credit 2

An investigation, not a survey, of the "strategy and tactics" of science and of the major contributions of biology to modern man. The major areas of concentration are the dynamics of living things with particular emphasis on the physiology and nutrition of man; the relationships among the living organisms with emphasis on conservation; and heredity, eugenics and evolution. Two lecture-demonstration-discussion periods per week.

112, 122 Physical Science I, II, Class 2, Credit 2

An introduction to the philosophy and methodology of science; basic concepts of some of the physical sciences. Astronomy, geology, meteorology and conservation of natural resources are included in 112; chemistry and physics in 122.

BIOLOGY

114. General Biology I, Class 3, Lab 3, Credit 4

This course covers basic biological principles of cell structures and functions (protoplasm and metabolism) and a survey of the animal kingdom with final emphasis on the human body systems. Laboratory work includes introduction to the use of the micros-

cope and study of representative animals of the animal Phyla including dissection.

- 124. General Biology** II, Class 3, Lab. 3, Credit 4
Continuation of 114 with units covering the reproductive process, mechanism of heredity, evolution and ecology, plus a survey of the world of plants. Laboratory emphasis on roots, stems, leaves, and life histories of representative plant forms.
- 214. Bacteriology** I, Class 3, Lab. 3, Credit 4
Micro-organisms, their classification, morphology, and physiology; their relation to health, sanitation and food preservation. Prerequisite 114 and 124.
- 224. Human Anatomy and Physiology** II, Class 3, Lab. 3, Credit 4
The structure and functions of the body, with special emphasis placed upon the various organs and systems. Prerequisite 114 and 124.

CHEMISTRY

- 114. General Inorganic Chemistry** I, Class 3, Lab. 3, Credit 4
Prerequisite: Intermediate algebra or concurrent enrollment in it. General theory of chemistry, the periodic classification of elements, valence, atomic structure, and properties of non-metals.
- 124. General Inorganic Chemistry** II, Class 3, Lab. 3, Credit 4
A continuation of beginning chemistry. Emphasis is placed on the metals and their properties, their metallurgy and important compounds. An introduction to organic chemistry will also be included.
- 204. Qualitative Analysis** I, Class 2, Lab. 6, Credit 4
Prerequisite: eight hours of general chemistry. Chemical equilibrium and its application to the separation and identification of the common cations and anions. These principles will find application in the laboratory work. Offered on demand.
- 215. Quantitative Analysis** II, Class 2, Lab. 9, Credit 5
Prerequisite: qualitative analysis. The principles involved in various types of chemical analysis, volumetric, gravimetric, and instrumental principles will find an application in the laboratory work. Two lectures and three laboratory periods of three hours each per week. Offered on demand.
- 225. Organic Chemistry** II, Class 3, Lab. 6, Credit 5
Prerequisite: Chemistry 124. Study of the aliphatic and aromatic compounds or carbon. Offered on demand.

HOME ECONOMICS

The courses offered in home economics are designed to assist in the preparation of young women to meet their responsibilities as homemakers and consumers; to begin the preparation for teaching home economics; and to initiate background courses as foundations for specialized training for dietetics, food service management, and other related careers. Young women not majoring in this field are encouraged to select courses in economics as electives.

113. Food Selection and Preparation I, Class 2, Lab. 3, Credit 3

A study of the relation of food to health, the principles of selection and preparation of the various foods. Attention is given to markets, standards for products, grades, labeling and the consumers' responsibility in the economic system. Laboratory experiences are given in the application of scientific principles to cooking food.

123. Family Clothing Problems II, Class 2, Lab. 3, Credit 3

A study of the selection of clothing to supply the needs of the family. Practical experience is given in cutting, fitting, pressing and constructing garments, using a variety of fabrics. Dress-making instruction will be adjusted to meet the level of development of the class. The study will also include the interpretation of commercial patterns, sewing machine maintenance, the choice of ready-made clothing for the family, and the recognition of good fashion designs.

MATHEMATICS

110-113. Modern Approach to Arithmetic, Algebra and Intuitive Geometry II, Class 3, Credit 0-3

Introduction of elemental set of notions and descriptive axiomatic approach to fundamental principles of arithmetic, algebra and geometry for elementary school level. 110 is planned for teachers in service. It is for no credit and carries a fee of \$19 as the only cost.

123. Intermediate Algebra I, Class 3, Credit 3

Prerequisite: One unit of high school algebra. Review of the fundamental operations of algebra, exponents and radicals, simple equations, graphs, systems of simultaneous equations, quadratic equations and an introduction to logarithms. Does not count toward major or minor.

173. College Algebra I, Class 3, Credit 3

Prerequisite: Math 123. A review of quadratic equations, progressions, the binomial theorem, mathematical induction, theory of equations, logarithms, and determinants.

- 183. Trigonometry** II, Class 3, Credit 3
Prerequisite: Math 123. The trigonometric functions, logarithms, solutions of right and oblique triangles.
- 215. 225. Analytic Geometry and Calculus**
I, II, Class 5, Credit 5 each semester
Prerequisite: Mathematics 173, 183. Properties of geometric figures, polar coordinates, approximately three hours. Differential and integral calculus with applications, about seven hours.

PHYSICS

- 214. General Physics** I, Class 3, Lab. 3, Credit 4
Prerequisite: Mathematics 183. Mechanics, molecular physics, and heat. Offered on demand
- 224. General Physics** II, Class 3, Lab. 3, Credit 4
Prerequisite: Physics 214. Magnetism, electricity, sound, and light. Offered on demand

DIVISION OF SOCIAL SCIENCE

Chairman: Mr. T. Gayle Napier

Teachers: Barnes, Campbell, Jacobson, Miller, Napier, Scott, Thompson, Touchton

The work of the department is designed to give students basic information concerning the social forces and institutions which affect civilizations, to prepare teachers for secondary and elementary schools, to provide terminal training in Secretarial Management, and to prepare students for business careers.

BUSINESS

The Department of Business Administration offers courses in two fields of interest: General Business Administration and Secretarial Management. Students with previous high school training in shorthand and typing may enter the more advanced courses.

- 103. Business Mathematics** I, Class 3, Credit 3
Deals with the fundamental operations of arithmetic with integers and with common and decimal fractions, simple equations, ratio and proportion, percentages, simple interest, discounts, profit and loss, and the use of simple algebraic formulas. Offered on alternating years beginning 1962-1963.
- 213. Accounting** I, Class 5, Credit 3
Classification and discussion of financial statements.

- 223. Accounting** II, Class 5, Credit 3
Prerequisite: Business Administration 213. A continuation of course 213.
- 233, 243. Principles of Economics** I, II, Class 3, Credit 3 each semester
Sophomore standing. The structure of the contemporary economy, basic economic principles, institutions and problems; elementary economic analysis. Offered on alternating years beginning 1960-1961.

SECRETARIAL MANAGEMENT

The course of study in Secretarial Management seeks to prepare persons to assume positions of responsibility as stenographers or secretaries, and to meet the increasing demand for people of broad background and technical skill to fill secretarial positions requiring managerial ability. Modern business courses stress the fact that many secretaries step into executive positions.

- 113. Beginning Typewriting** I, Class 5, Credit 3
Exercises planned to develop a proper wrist and finger movement leading to complete mastery of the keyboard by the touch method.
- 123. Intermediate Typewriting** I, II, Class 5, Credit 3
Prerequisite: Secretarial Management 113. Special effort is made to attain typing speed. Practice in letter writing and use of carbon paper.
- 133. Beginning Shorthand** I, Class 5, Credit 3
Beginning course in shorthand covering the fundamental theory and practice of the Gregg system.
- 143. Intermediate Shorthand** II, Class 5, Credit 3
Prerequisite: Grade "C" or above in Secretarial Management 133. A continuation of shorthand with emphasis on speed-building, vocabulary and accurate transcription.
- 152. Business Machines** II, Class 2, Credit 2
Instruction and practice in the use of modern office machines; key-driven and rotary calculators; full keyboard and 10-key adding-listing machines.
- 213. Advanced Typewriting** II, Class 5, Credit 3
Prerequisite: Secretarial Management 123. The development of increased accuracy and speed in typing and practice in writing business letters.
- 223. Advanced Dictation** I, Class 5, Credit 3
Prerequisites: Secretarial Management 123 and 143. Development of advanced skill in dictation with emphasis on mailable transcription of letters and speed-building.

- 243. Business Correspondence** II, Class 3, Credit 3
Practice in writing business letters and reports; letters concerning adjustments, credit, collections, inquiries, orders, responses, introductions, applications and routine business.
- 253. Office Procedure** I, Class 3, Credit 3
Application of typing and shorthand to practical office problems such as filing, handling of mails, use of business and legal forms, reference materials and development of the personal qualities of a successful office worker. Offered on alternating years beginning 1963-1964.

EDUCATION

The Department of Education considers teaching as a privilege, and not as a personal right. Consequently, it reserves the right to withhold recommendation from any student who does not meet acceptable standards for service in education. Two years of work may be acquired in either the field of elementary education or secondary education. Members of the Department will counsel with students to assist them in selecting a program. However, it is held that the student is responsible for determining the program most desirable for preparing him for work in his particular state. A recommended program of courses is found on page 31.

COURSE OFFERINGS

- 103. The School in American Society** I, Class 3, Credit 3
A study of the American school system designed to develop an understanding of the scope, function and organization of education in our state and society.
- 122. Public School Art** II, Class 2, Credit 2
Description under Art. Offered on alternate years beginning 1959-60.
- 132. Music For Elementary Teachers** I, Class 2, Credit 2
Description under Music.
- 262. Observation in the Elementary School** II, Credit 2
Preparation for observation is made by readings and classroom discussion. 70 hours of observation in the York Public Schools is required. This observation is accompanied by regular conferences with the college instructor.

GOVERNMENT

- 123. American Government** II, Class 3, Credit 3
A survey of the organization, processes, and functions of government in the United States, with special emphasis upon popular control of government and the obligations of citizenship.

HISTORY

- 113. History of European Civilization — 1500 to 1815** I, Class 3, Credit 3
An introductory college course. A survey touching on a wide range of human activities in Europe in the period covered, such as political, economic, social, intellectual, and cultural. The extension of basic European civilization across the Atlantic and into Africa and the Far East is traced.
- 123. History of Europe Since 1815** II, Class 3, Credit 3
The modern evolution of European civilization from an "old regime" of absolute monarchy and corporate privilege to the prevalence of democracy and individual liberty and on to the nationalism and crucially competing ideologies which mark the aftermath of the Second World War.
- 133. World Civilization to 1650** I, Class 3, Credit 3
A survey of the ancient and medieval civilizations, with emphasis on the political and cultural developments of Greece and Rome, the rise of Christianity and Mohammedanism, the beginning of nations, and the renaissance and reformation periods.
- 143. World Civilization since 1650** II, Class 3, Credit 3
A survey of cultural and political development, the rise of unified national states, mercantilism and the Industrial Revolution, struggles of democracy, the effects of nationalism, fascism, and communism in the nineteenth and twentieth centuries.
- 213. History of the United States 1492 to 1877** I, Class 3, Credit 3
A history of the United States from its beginning through the political reconstruction following the Civil War. The colonial period is given relatively brief treatment as a background for later developments. The development of a distinctive American culture is traced, with its various complex interrelationships.
- 223. History of the United States Since 1877** II, Class 3, Credit 3
Basic trends outlined in the development of an industrialized, urban, high-speed civilization with increasing participation and leadership in world affairs.

PHYSICAL EDUCATION

The Department of Physical Education and Health is designed to meet the needs of three groups: those needing recreational activity for health and social values, those planning to teach or coach physical education, and those interested in the supervision of activities associated with group work, such as summer camps and scout programs.

- 111, 121. Physical Education Activities** I, II, Class 2, Credit 1 each semester
Recreational activities.
- 131. Bowling and Golf** II, Class 2, Credit 1
Instruction and practice in the basic skills of golf and bowling.
Fee \$10.00.
- 211, 221. Physical Education Activities for Sophomores** I, II, Class 2, Credit 1 each semester
Recreational activities.
- 202. First Aid** I, Class 2, Credit 2
First aid instruction for coach and trainer.
- 212. Coaching and Officiating Basketball** I, Class 2, Credit 2
Principles of the game, coaching techniques, conditioning and officiating.
- 213. Principles of Physical Education.** I, Class 3, Credit 3
A study of the principles of Physical Education and its place in the educational program.
- 222. Coaching Baseball and Track and Field** II, Class 2, Credit 2
Principles of the sport, coaching techniques, conditioning and officiating.
- 223. Health Education** II, Class 3, Credit 3
Consideration of personal, school and community health problems. Required of Physical Education majors. Prerequisite, Sophomore standing or permission.
- 231-241. Intramural Sports** I, II, Laboratory, Credit 1
Activities in the gymnasium, on the play ground and athletic field; methods of point distribution; scheduling; record keeping and types of honor awards.

PSYCHOLOGY

- 101. Orientation** I, II, Class 2, Credit 1
This course is an orientation course designed primarily to aid the student in making a satisfactory adjustment to college life. This course is required for all new students.
- 113. General Psychology** I, Class 3, Credit 3
A study of intelligence, personality, motivation, adjustment and the application of psychology in various fields.
- 143. Human Growth and Development** II, Class 3, Credit 3
The physical, mental, emotional and social development of the human individual from birth through adolescence. Application

of the principals of psychology to an understanding of human growth with emphasis on understanding of child and adolescent behavior.

SOCIOLOGY

112. Introduction to Sociology

I, Class 2, Credit 2

A study of the basic methods and concepts used in the description and understanding of group behavior. Special attention is given to the way in which the individual is molded by the various social groups about him, such as communities, races, nationalities, and crowds.

122. Marriage and Family

II, Class 2, Credit 2

An analysis will be made of the position of the American family in our contemporary culture. Special attention will be given to problems of individual adjustment to marriage in modern living.

GRADUATES 1964-65

Associate In Arts:

James Merrill Allen	Jamestown, Kansas
Diana Aspey	Hudson, Colorado
James Daniel Bennett	Milton, Kansas
Carol R. Breeze	Park Rapids, Minnesota
David Thomas Broadus	Topeka, Kansas
Ruth Anne Brown	York, Nebraska
Karole Rae Buck	LaMar, Missouri
Art Bullard	York, Nebraska
Barbara Jo Buffington	Nashville, Tennessee
Nelson B. Chatfield	Brooten, Minnesota
Anita Jane Cleveland	Sgt. Bluff, Iowa
Andrew Carr Conway, Jr.	Bellevue, Nebraska
Frances E. Cook	Port Charlotte, Florida
Nathan Earl Courtwright	Collinsville, Illinois
Wilbourne Max Farley	Beech Grove, Arkansas
Larry L. Fayer	Montezuma, Iowa
Charles D. Francis	Marshall, Texas
Polly Jeanetta Graves	Rockford, Illinois
Mary Lou Hineline	Nelson, Nebraska
Randy Arthur Hiner	Worland, Wyoming
Sherry Althea Hottle	Mulvane, Kansas
Harry Russell Kellam	Tuscumbia, Alabama
James Harold Luke	Hastings, Nebraska
Rita McAllister	Huron, South Dakota
Nancy Sue McBurney	Kingman, Kansas
Jim Massey	Kansas City, Missouri
David Jon Maxon	Eustis, Nebraska
Kathryn Grace Miller	Montezuma, Iowa
Raymond O. Mitchell	Livermore, California
Steven R. Neel	Wellington, Colorado
Jeanie Nipps	Rockford, Illinois
Tuileva T. Panapa	Faleasao, American Samoa
Letha Marie Prior	Hutchinson, Kansas
James Wesley Romberger	Denmark, Wisconsin
Linda Diane Schmidt	Baldwin, Kansas
Victor Lynn Shelton	Colorado Springs, Colorado
Deena Michele Smith	Seward, Nebraska
Marilyn Marie Smith	Holyoke, Colorado
William Richard Smith	Great Falls, Montana
Sally Ann Thiel	Kingman, Kansas
Victor D. Thom	Rockford, Illinois
Carolyn Faye Towell	Aberdeen, South Dakota
Elaine Marguerite Townsdin	Omaha, Nebraska
James H. Vanderpool	Mojave, California
Gary Eugene Vawter	Marshall, Texas
Madoka Watabe	Tokyo, Japan

Philip L. Wilkerson	Beech Grove, Arkansas
Mary Jo Wilkinson	Wichita, Kansas
Peggy Jean Wilson	Cutoff, Louisiana
Teddy B. Wright	York, Nebraska
Shannon Elaine Zichek	Central City, Nebraska

Certificate of Achievement:

Melba June Bennett	Milton, Kansas
Mary Lynn Blackburn	York, Nebraska
Wanda Mae Fitzmaurice	Wichita, Kansas
Susan Kay Hancock	Great Falls, Montana
Donald Walter Hasselman	York, Nebraska
Suzanne Healy	Shawnee, Kansas
Alfred Holmes, Jr.	Decatur, Alabama
Bernard Mark Homan	Casper, Wyoming
Jerry Lee Jantz	Lorraine, Kansas
Gordon W. Jenkins	Kalispell, Montana
Kenneth Kaaiohelo	West Plains, Missouri
Ervin B. Kelley	Leoti, Kansas
Sandra Jean Moyer	West Plains, Missouri
Daniel Dee New	Corpus Christi, Texas
Helen B. Neubold	Lamar, Colorado
Larry A Petrillo	Denver, Colorado
Glenn S. Rasor	York, Nebraska
Nancy Ann Sims	Wichita, Kansas
Charlie Joe Watts	Eudora, Kansas
