SEVERAL CHANGES ARE MADE IN THE COLLEGE FACULTY

Misses' Thorpe, Taylor, and Simpkins Resign; Miss Wakelin Elected

Several changes have been made in the faculty for next year caused by the resignations of Miss Minta E. Thorpe, Miss Dorothy Taylor, and Miss Nelle Simpkins.

Miss Thorpe, who has been head of the English department for the past two years will be succeeded by Miss Edith Calender who was graduated from York College in 1915 and has her Master's degree from the University of Nebraska. Miss Calender was assistant in the English department and principal of the academy for a number of years following her graduation from York College. For the past three years she has had charge of the English department in Hardin College at Mexico, Mo.

No one has been elected to fill the position of Miss Taylor who will teach English and journalism in the high school at Abilene, Kansas.

Miss Mary Alice Slee, of Hartley, Iowa, has been elected as assistant in the educational department, taking over the work of Miss Simpkins.

Miss Zelda Wakelin, of the University of Nebraska, who has taken charge of the romance language department since the resignation of Miss Short, will continue in that position next year.

Miss Thorpe's resignation will not take effect until after the summer school session.

PROFESSOR MILLER TALKS ON RELATIVITY AT CHAPEL

"The Perfect Philosophy of Life" was the theme of Prof. John K. Miller's talk at chapel on May 14.

As an introduction to his talk Professor Miller read several verses from the 19th chapter of Psalms, which states in part, "The law of the Lord is perfect, restoring the soul; the testimony of the Lord is sure, making wise the simple."

"We are often narrow in our thoughts because we do not think of things from more than one point of view, at least from all possible points of view," stated Prof. John K. Miller in discussing one's relation with others. As an illustration he cited and gave a comparatively detailed discussion of Einstein's theory of relativity, part of the explanation and proof of which depends on a broad point of view.

Throughout his talk Professor Miller applied this theory to our conduct, and pointed out that God's law was perfect because every point of view was considered.

SUMMER ART CLASSES

During summer school, Mrs. Glauque will have classes in normal art, basketry, leather tooling, and china painting as well as regular water color and oil work. Classes will meet on Mondays, Tuesdays, and Wednesdays, and an evening class will meet on Mondays also.

Prof. John K. Miller plans to spend a few days with his folks at Pawnee at the close of school, and also intends to take a trip to Minnesota. He will also spend a few weeks at Fort Logan, Colorado, studying chemical warfare methods.

SYMPHONIC CONCERT TO BE NEXT SUNDAY AT U. B. CHURCH

Musicians of York and Nearby
Towns Compose Large
Orchestra

An important event of York College Commencement week will be the concert of the York College Symphony orchestra, under the direction of Prof. Bohdan Shlanta, to be given Sunday, May 27, at 3 p. m. at the United Brethren Church.

This orchestra composed entirely of students and former students of the College conservatory, was organized in February and has been rehearsing each Sunday for three months.

"Jupiter Symphony" by Mozart, "The Magic Flute" overture, by the same composer, "Pipes of Pan," suite by Logan which contains four different movements and special solo numbers will be presented.

The personnel consists of 65 members from York and nearby towns who are enrolled at the conservatory.

JUNIOR-SENIOR BANQUET BRINGS WAVY COIFFURES

Although York College is usually considered several hundred miles from an ocean, the students felt that they were in the midst of an ocean of waves on Thursday preceding the annual Junior-Senior banquet.

It seems customary for some people to change their looks only on this one occasion and it is a queer feeling to walk down the hall on the day of this annual occasion and meet familiar, yet decidedly unfamiliar faces.

We under-graduates have often wondered just what there is to this banquet that requires waves. Perhaps some day we will grow up and learn the necessity of these pre-banquet vanities.

Members of the Y-Club had an all night stag party near the Blue River last night.

THELMA MANNING IS CROWNED QUEEN OF THE MAY FETE

College Campus Is the Scene of Coronation Ceremony; Annual Event

With due pomp and ceremony Miss Thelma Manning was crowned Queen of the May at the annual May Fete held on the College campus May 11. The throne had been erected on the campus just south of the gymnasium with bleachers for the guests arranged along one side.

The approach of the queen was announced by the bugle call sounded from afar. Then the two small heralds, Billy and Richard Rankin appeared with their small trumpets. Four little girls, Margaret Davis, Mary Jane Perry, and Barbara Hughes, dressed in orchid, carried ribbons, forming an aisle for the queen when they reached the throne.

The flower girls, Joan White, and Billy Louise Campbell scattered petals in the path of the queen who was preceded by the maid of honor, Miss Esther Strickler, who wore a dress of orchid crepe de chine.

The queen, who is a member of the graduating class, was gowned in orchid georgette with an orchid meline train falling from her shoulders. The train bearers were Carol Hauser and Mary Ann Cox. The six attendants of the queen, Edith Stephen, Alice Coffey, Jean Turner, Alice Kuper, Blanche Wait, and Nellie Jones made a colorful picture in their dresses of blue, rose, pink and orange.

After the processional, which was played by the orchestra, Mrs. Warren Baller, senior representative, presented the crown of flowers to the Queen. The other class representatives were Leona Stafford, junior, who presented the flower-tipped scepter; Hildred Karre, sophomore, who carried the orb of flowers; and Irene Talbot, freshman, who gave the footstool made of flowers. Anna Samuelson presented the basket of flowers for the Academy and Edna Miller a similar gift from the business department. After graciously accepting the floral tributes the Queen gave the signal for the program to begin.

COMMENCEMENT WEEK

Many old "grads" will be here next week to help the students of York College celebrate the closing days of this year. They will come here with thoughts of the days they spent on this campus, and they doubtless will be able to recall some historic class fights as well as notable class records made in their day.

They will come, hoping to catch again the "old school spirit" which is never manifest so clearly as in a well filled chapel, where, before the program begins, class competition is strong, and yells and college songs, spontaneously given, lend a flavor to the program that follows.

Welcome the alumni with a record crowd at their program on Tuesday and let's yell, sing, and be merry, for tomorrow we are graduated.

WE THANK YOU

As this is the last issue of the year, the editor and staff wish to thank all of those who have helped in any way toward publishing the paper. The paper has been possible only by the cooperation of all the staff members, students, faculty members and our advertisers. We hope that the same loyal support will be given to the staff of next year.

The greatest difficulty with cooperation is to decide who is to do the operating part.

Well, we didn't get student government did we?

Some seniors almost went to sleep in class meeting last week. It lasted so long that they thought they were at a lecture.

The seniors are getting on in the world by "degrees."

For once, it didn't rain on May Day.

TRAVELS OF PHILBAD, GEEZER AND SCRIBE

(By David Braun of Yale)
With the advent of spring cometh also divers troubles and worry and Philbad called a council to make decision anent various things of interest concerning vitally all of us and we met in august assembly at the house of Philbad.

Quoth Philbad: "It behooveth us to make preparation for a long trek across the continent and a conveyance must be acquired at once." And that there should be no delay we sallied forth at once to purchase a motor vehicle if possible. Geezer true to tradition became smitten with the first specimen shown and made extensive inquiry concerning it.

"And doth the horn toot?" said he. "Indeed sir, it tooteth most delightfully," said the man and a goodly sound came forth from the aperture where the tooter was located. Geezer was indeed hooked so with no more ado we ventured forth with fear and trembling and finally with imprecations managed to head it homeward. Needless to say we had purchased the assemblage.

"It defeth description, it is a thorn in the flesh, verily our tribulations have but begun," moaned Philbad and it was a sad sight.

"It resemblith a cross between a trolley car and a cance," suggested a passerby and we nodded acquiescence.

We shall feebly attempt to picture it. The Wreck riseth abruptly to a height of about 2 cubits at the beginning end. From there it pursueth a course upward to the center and down to the rear forming an inverted bow effect. The total number of windows doth not total the number of places for windows. It hath four wheels on level ground. Two glowing lamps at the beginning end burn intermitently that giveth one a delightful feeling of uncertainty at night. The outer covering is coated plentifully with wise-cracks and the inside with no cushions.

We have made up our mind. We are well pleased with the Wreck and we point with pride to her war scarred sides but we gloat inwardly. We go home on the train. "Happy doeth not always as others would but tempereth his action with his own good judgment."

PERSONAL MESSAGE OF THE PRESIDENT

The many students and friends of York College who have watched its progress for the last thirty-seven years have been interested in its annual progress.

Any institution that succeeds must move forward and gain new territory each year. Each graduating class during the last several years has had a very decided part in making their institution what it is today. It is hoped that this commencement time that the plans now made for a Home Coming of all the former students and graduates will be another stake set in the onward march of their institution.

As we look back over the year that has come and gone we see many marks of achievement. The graduating class going out this year has the satisfaction of seeing the position of York College more firmly established among the institutions of higher learning than ever before.

The recent communications received in the office from Registrars of State Universities throughout the country have strengthened York College's position very materially. Our membership in the Association of American Colleges has done much to keep the college in touch with the hundreds of other colleges in that association.

Students debating the question of attending summer school this summer should take into consideration the value of time spent in college and the advantage gained in securing additional college hours which equip them for further service.

Students who are planning to go to college this fall should weigh carefully the advantages offered to the student in the so-called smaller institutions. The personal supervision of heads of departments together with a personal contact with faculty and students add much to the educational training of every student.

A Personal Message

I desire to take this opportunity of expressing my deep appreciation to the student body during this 1927-28 year for their fine spirit of cooperation.

It indeed would be a real pleasure to see every freshman, sophomore, and junior, enrolled in the college this fall for the year 1928-29.

For the seniors I bespeak a year ahead full of opportunity and real service. The entire institution will follow their progress with interest as they make new gains in new territory.

E. W. EMERY, President.

ALUMNITORIALS

Guilford Saunders, graduate of the York College class of '17, has resigned his position as superintendent of the schools at Milford to join the sales force of the University Publishing Company of Lincoln on June 1. He is also commander of the Milford American Legion post and a member of the Masonic lodge.

Y. M. C. A. HAS DISCUSSION

Willis Young led the discussion on "Advantages of the Christian College" in Y. M. C. A. May 15. The discussion centered around the variability of the state schools, and our present Christian institutions. Many students responded to the question, "Why did you come to York College?"

TRAVELS OF PRILBAD, GEEZER AND SCRIBE

(By David Braun)
We derive great physical blessing from constant planning to take long hikes. Of late our planning hath become so consistent that shortly we found ourselves with our faces to the setting sun.

"Yon glimmering of the dying day as it sinketh slowly and majestically into the wooded hills leaveth one with a sense of calm and peace," vouchsafed Geezer. Indeed the quiet was impressive, broken only now and then by the mutterings of Philbad as he dislodged random boulders with his unresisting foot. We journeyed on until we came at last to the huge rock that lieth to the west of this village. Because of its great dimension and good repute it hath a name. It hath been called West Rock which is fitting both to its direction and relative elements.

Geezer had true to tradition provided provender and whilst he dissected forty and two sandwiches, raised havoc with one bottle of pickles which refused to leave their ancestral home, withstood two hordes of red ants attacking simultaneously from opposite sides and whilst he was casting dire imprecation at us we feasted our eyes on the glorious vista beneath us.

"One needs must climb the heights to catch a vision," saith Philbad and we said, "Yes, but let us return to our camp ere the vermin do away without victuals," and we did.

"Nature indeed is a square shooter," uttereth Philbad, "for truly the enjoyment of yonder beautiful woods dependeth not on how much dough one hath in his wallet but on his sense of appreciation."

"Fine scenery contributeth nothing to the feeding of the multitudes," saith our friend.

"My good Geezer, but it feedeth the soul. It is written that he who delighteth not himself in the good things of this world is deserving of pity but he who nourisheth his soul on goodness and truth is like unto a wise man and is worthy to be head."

LIMERICKS

Editor's note: These were composed by members of the junior class at the party given at President Emery's:

Jeffers

A fine young man
In a grayish suit,
In football he ran and ran,
And now he serves the soup.

Lucille Jackson

Fair of face and fleet of foot
Not much there but—take a look,
Sky blue eyes, and hair of gold
Tell by wrinkles—not so old.

Fred Gilbert

Not an old shabby tramp
But a basketball champ.
Determined and ever alert
Is the junior Fred Gilbert.

Louis Helzer

Tall and dark, straight and thin,
Coat leaves off where pants begin;
Athlete and student through and through,
Devoted to other things, we know, too.

Lois Cottrell

Always happy, always jolly,
Dark and curly haired;
For all hard jobs, she's ready,
Not to be compared.

Anna Marquardt

With rosy cheeks and marcelled hair,
A blue dress she has to wear
With dimpled cheeks and hazel eyes,
She's five foot (three), average size.

The Life Work Recruits enjoyed a 6:00 o'clock breakfast on Lincoln Creek Monday, May 7. Fifteen members were there.

Miss Gladys Pearson, instructor in piano, will spend five weeks in Denver studying under Rudolph Ganz. Miss Pearson will not leave for Denver until July 2.

"It is so," said Geezer and we again went home marvelling at the wisdom of our brother.

Y. W. C. A. Presents Flowers to All Guests

Mother's day was observed by a program at the Y. W. C. A. meeting, May 8. The girls honored their mothers by bringing another's mother with them, if they could not bring their own.

Myra Hall lead the devotions, reading from Proverbs. The poem "Mother's Day" by Edgar A. Guest was read by Kathryn Roberts. The girl's trio, Mary Marjorie Haner, Doris Stiverson, and Ruth Young sang "Memories of Mother" by Parks-Moore. Edna Coffey gave a Toast to Mother.

Mrs. W. H. Kuebler gave a short talk in which she brought out that every girl should make her life the best not only in school but in the home that she may be a blessing to her mother.

The girls presented the mothers with small bouquets of sweetpeas.

SOCIETY

Professor and Mrs. Townsend entertained the students of the business department at their new home on May 10. Music and guessing contests furnished entertainment for the evening, after which Mrs. Townsend served pineapple sherbet and cake.

The junior class, including their sponsor, Prof. W. C. Noll and Mrs. Noll, were entertained at the home of Pres. and Mrs. E. W. Emery, May 9. President Emery gave a few words of greeting to the class as prospective seniors of the coming year, also mentioning the responsibilities and opportunities. He expressed a desire to see each member of the class continue in school next year. A number game, drawing a blind pig, and writing a descriptive poem of one's partner provided entertainment. Refreshments of punch, orange sherbet and wafers were served.

Members of the former Y. W. C. A. cabinet entertained those of the new cabinet at a slumber party on Friday night, May 4. Twenty young women, dressed in knickers, gathered at the Y. W. room in the gymnasium about nine o'clock for the beginning of a night of frivolity.

After some gymnastics, home-made ice cream and wafers were served. The new members were then initiated by being lead blindfolded around East Hill, taking a ride on the merry-go-round in the park and doing other stunts.

At a late hour attempts were made by some to sleep while others passed the house singing.

Breakfast, consisting of ice cream, wafers, and coffee was served at 6:00 a. m.

Mrs. R. E. Caldwell and Miss Edith Cone sponsored the party.

The junior class had a skating party at Waco last Wednesday evening. After the skating, a supper consisting of sandwiches, potato salad, pickles, doughnuts, and coffee was served. According to one junior the hardest thing about learning to skate is the floor. Professor Noll, class sponsor, Mrs. Noll, President and Mrs. Emery were guests.

SENIORS USE CLASS MOTTO AS Y. W. C. A. TOPIC

"Not for self, but for all," the senior class motto, was the topic of the Y. W. C. A. meeting conducted by the senior women May 15.

"Not for self, but for all—on the campus" was the subject of Esther Olewine's talk. "Out in Life" was enlarged upon by Eleanor Allen. Sybil Peters spoke on "For Others in India."

The prelude was played by Elizabeth James, the scripture was read by Etta A. Mason and the prayer was offered by Mabel Shelquist. Edith Stephen presided.

KAMPUS KWIPS

Grant (leaning over microscope): "There, I saw three hooks."

Lorraine: "I can't see them. You and I never did see things alike anyway."

"Well, well, Mr. Garwood, you are highly favored with music as you work," remarked a student, the week before May Day.

"Oh, is that what you call it? It wouldn't be so bad if they would

change the tune once in a while but its the same old tune. If they aren't careful they will have the piano hypnotized."

Sophomore: "The Juniors think they are the best class in college."

Senior: "That's all right. We thought we were—when we were juniors."

There, there, little Freshie, don't you cry, You'll be a senior, by and by.

WHEEL OF GLADIOLI BULBS WILL SOON ADORN CAMPUS

Wheels are a sign of progress. A wheel is about to spring into being on York College campus as a result of a gift of 324 gladioli bulbs from Cyrus Lamb, whose gladioli gardens in Morley, Iowa, are so well known. Dahlias are to be massed in the center of the wheel to form its hub and from this hub will radiate 32 spokes of ten gladioli each. The rim of the wheel is to be a border of white dusty miller plants.

These signs, the white birch sapling planted by the sophomores a short time ago and the wheel now so well started, are outward indications of a forward-looking college, according to Alden Garwood, gardener of York College campus.

TRACK MEET AT LINCOLN

Will Be Held on University Track May 25-26

For the state track meet to be held May 25-26 on the University track at the stadium, York trackmen will specialize in a few events in which they might place, according to Coach "Ladd" Hubka.

This meet has been an annual affair held at the close of the season to determine the state champions. "However, this year in view of the newly formed conference the meet will determine the N. C. A. C. champions," declared the coach.

Capt. "Art" Farnham will run only the two hurdle races; 120 yd. highs and 220 yd. lows. Farnham's record has been very good this year in the dual meets. He has placed first in every high hurdle race and only met defeat once in the low hurdles this season.

Hubka also stated that "Johnnie" Franz will work on the broad jump and may enter the sprints. Franz jumped 20 ft. 11 in. in the Grand Island Quadrangular meet on May 11. Raymond Ruppel will run both the 440 and the 880. Rollie Wildman, a promising little half miler will also enter.

Elmer Hubka will be about York's only hope in the weights. Hubka has thrown the discuss 114 ft. 5 in. and the shot 35 ft. 7 in. in the dual meet with Cotner.

"Ben" Price will enter the distances, probably running the two mile in preference to the mile, according to Hubka. Elmer Mahlin will enter the mile.

Hubka stated that all these men have made a good showing this season and should place well in the state meet.
