

CHARLES W. TAYLOR DELIVERS ADDRESS AT FORMAL OPENING

State Superintendent of Public Instruction Speaks to Students.

The formal opening of York College on Sept. 9 was marked by a chapel service at which Charles W. Taylor, State Superintendent of Public Instruction, was the principal speaker.

Supt. Taylor directed his remarks mainly to those who were entering college for the first time, stating that faculties and student bodies often do not realize what a tremendously important element this school experience is. The student, he said, should try to form the proper attitude toward the college he is attending as it is only by this means that the work can be organized and carried on in the best way. One of the advantages of the small college, Mr. Taylor pointed out, is the possibility of personal contacts between students and instructors.

During his years of experience as an educator Mr. Taylor has noticed a tendency of the human mind to look upon itself as self-sufficient, and for the young person to feel that he must know all about a thing before he accepts it as true. However, no great discovery in science has ever been made without faith, or idealism.

It is essential, Mr. Taylor believes, to give careful attention to the physical nature, as a well balanced nervous system, physical endurance, and the ability to think quickly are very important in this modern age.

In later life, qualities of character, strength of body and purity of mind, together with the purely intellectual attainments, will be the things that will be valued most.

COLLEGE STUDENTS WIN RADIO CONTEST

Dean Amadon Supervises Radio Audition.

Jeanette Bisset and Lee Knolle, both students at York College, were winners in the fourth district audition contest held at radio station KGBZ on September 14. Miss Bisset's selections were, "Song of Life," by Cadman and "Faith in Spring," by Schubert. The number rendered by Knolle was "Bandelero."

Dean Charles Amadon of the Hullitt Conservatory of Music, of York College, supervised the contest.

Other contestants were: Ethel Dixon, Genevieve Rystrom, Lois Overmiller, Olive Denney, Margaret Houston, Norma Rath, Marvin Hersey, John Boren and Kenneth Jenkins.

FACULTY SPENDS VACATION DAYS IN SPECIAL STUDY

A number of the faculty members spent the summer months in special preparation.

Dean Charles Amadon studied voice with Professor Prochowski in Chicago.

Prof. J. C. Morgan enrolled for special work in Latin and History at the University of Nebraska.

Professor Ray Hill, of the biology department, completed work on his Master's degree in the University of Colorado.

Coach R. B. McCandless attended the summer coaching course conducted by the University of Nebraska.

Prof. Warren Baller spent the second semester of the 1929-30 school year at Columbia University, New York City. His studies were primarily in psychology.

PROF. PAUL FREY

Mr. Paul R. Frey, a graduate of Albright College, and M. S. from Colorado University, will head the department of physical science during the present term. During his graduate work he assisted in the chemical laboratories at Colorado University. Among those who most thoroughly recommend his work are the heads of the departments under whom he took his graduate work.

NEW COURSES LISTED IN COLLEGE SCHEDULE

New Classes in Philosophy, Biology, and Expression Are Offered.

There are several new courses listed in the college schedule for this school year.

In the biology department we find offered a course in "Comparative Anatomy" which deals with the comparison of the different systems of the vertebra. It is a four hour course especially offered for pre-medical students.

In the department of philosophy Dean Bisset is offering a course in "Religious Education." It is a two hour course and is centered about the study of religious beliefs. In this same department Prof. Warren Baller is introducing a two hour course in "Mental Adjustments" which takes up the study of mental abnormalities.

Miss Alma Tress Lundman is giving a course of "Public Speaking" in the expression department, and in the public school music department Miss Thomas has a class in "Advanced Public School Methods" which takes up music as taught in the junior high school and the high school.

All departments report a large enrollment for the first semester, the new courses and those not included in the schedule for several years being well received.

TEA HELD IN HONOR OF NEW COLLEGE GIRLS

About sixty-five girls, members of the faculty, and friends attended the annual Y. W. C. A. tea held at the United Brethren church on the afternoon of September 9th, as a welcome to the new girls in York College.

The following program, in charge of Lois Overmiller, was given:

Piano Solo.....Jeanette Bisset
Welcome.....Margaret Yust
Response.....Margaret Johnson
Reading.....Dorothea Hintz
Piano Solo.....Neva Brookhart
Reading.....Miss Lundman

After the program a list of the Big and Little Sisters was read. The remainder of the afternoon was spent in getting acquainted.

MRS. LOTTIE WOODFORD GIVES W. C. T. U. ADDRESS

Speaks to Y. W. C. A. Girls at First Meeting.

The first meeting of the Y. W. C. A. of the new college year was addressed by Mrs. Lottie Woodford, the national lecturer of the Scientific Temperance Institution of the W. C. T. U. She stressed the scientific investigations that had been made regarding alcohol, and urged the girls to study the situation more closely.

She gave a comparison of conditions of eighty years ago with those of the present day. Within that time many definite changes have taken place due to scientific study, investigation, and practical application. One of these investigations was that of the amount of alcohol in wine, whiskey and beer.

She pointed out that "alcohol is a narcotic drug classed with cocaine, morphine and strychnine; whereas it used to be considered as a food and stimulant." These findings led to the passing of the eighteenth amendment, that some people today are trying to prove unconstitutional. Mrs. Woodford intimated that the greatest agitation of today is not for prohibition but for sobriety. Personal and national sobriety are American ideals. Education is the definite weapon by which to reach them.

She urged a definite study of the situation and suggested that one meeting a month of the Y. W. C. A. be used for reports from "The Union Signal," a W. C. T. U. publication.

Y. C.

BIG AND LITTLE SISTER HIKE SPONSORED BY Y. W. C. A.

The annual Big and Little Sister hike which is sponsored by the Y. W. C. A. was held on the evening of Sept. 16. The girls left the Conservatory at 5:30 p. m. and hiked to a picnic spot about a mile from town. Supper was eaten around a bonfire. "Eats" consisted of weiners, rolls, beans, pickles, marshmallows and plums. The purpose of this annual picnic is to further acquaintanceships among the old and new girls.

Football Schedule

Sept. 26—Hastings at Hastings.
Oct. 3—Dana at York.
Oct. 11—Doane at York.
Oct. 17—Concordia at York.

Nov. 11—Grand Island at Grand Island.
Nov. 21—Tarkio at Tarkio, Mo.
Nov. 27—Wayne at Wayne.

MISS ALMA TRESS LUNDMAN

Miss Alma Tress Lundman, the new head of the expression department and assistant English instructor, received her A. B. degree from Huron College, Huron, South Dakota. She is also a graduate of the two year course at the MacPhail School of Expression at Minneapolis, and of the Curry School of Expression at Boston.

Her former teaching experience has been in New York high school, Wesleyan College of Virginia and the Superior Conservatory of Expression at Superior, Wis.

ANNUAL JOLLY-UP RECEPTION HELD

First All-College Social Event Attended by Large Group of Students.

The annual jolly-up reception of the fall term of 1930, held in the gymnasium on the evening of Sept. 12th, was attended by about 125 students and faculty members.

The reception is a feature held under the auspices of the Y. W. C. A. and Y. M. C. A. of the College. It was the first all-college social event of the year and was received with considerable enthusiasm.

Prof. Warren Baller opened the entertainment with a few words of welcome to all who were present. The College Trio, composed of Milan Lambert, Lee Knolle and Maurice Brookhart, presented several numbers, after which a stunt was given by Ted Peterson. A piano duet by Milan Lambert and Robert Campbell completed the program. This was followed by college songs and yells led by Neva Brookhart and Ted Peterson.

After spending a time in games, which served as mixers, partners were found and refreshments of wafers and ice cream were served.

Y. M. C. A. HOLDS STAG PARTY IN COLLEGE GYMNASIUM

On the evening of Sept. 15th, the men of the College met in the gymnasium for the Y. M. C. A. stag party, which has become an annual affair.

The first events on the program of the evening were several bouts of boxing in which the freshman boys proved that they were not lacking in the pugilistic instinct.

Swat-to-the-right, pin-ball and several other "peppy" games were played in honor of the freshmen.

The big event of the evening occurred when Prof. Ray Hill took charge of several hundred pounds of watermelon which was sliced and eaten in negro fashion.

The freshman boys were properly initiated into the college customs when they were permitted to carry a piano from the gymnasium to the Conservatory. After safe delivery of the piano the "Con" girls were serenaded.

YORK COLLEGE OPENS FORTIETH YEAR WITH LARGE ENROLLMENT

Many States Represented by Students: York Leads With Sixty-two.

York College began its fortieth year in the field of higher education with a very representative group of students. Many of the former students have returned to go ahead with their college work. New students are enrolled in all classes. The freshman class is the largest with a mark close to one hundred.

There are students enrolled in the course of study for pre-engineering, pre-law, pre-medic and the preliminary courses leading to the specialized fields of study. A good number are enrolled in the normal training course which is offered.

One of the strongest departments at York College is the Conservatory of Music under the direction of Dean Charles Amadon, who has been in Chicago studying during the summer.

There are many states represented on the college campus, namely: New Mexico, Colorado, Nebraska, Kansas, Iowa, Washington, and Missouri. Porto Rico is represented by two students this year.

York, Nebraska, leads among the cities and towns with a representation numbering sixty-two in the college department. Aurora is next in line as to number of students in York College.

MR. DAVID ROBINSON ADDRESSES STUDENTS

Congratulates York College on "The Sandburr".

"THE SANDBURR is the most popular college publication in the Johnstown, Colorado, schools," Mr. David Robinson, of that place, stated in a chapel speech given Sept. 18.

Mr. Robinson, an experienced traveler, complimented York College, and then gave an interesting account of Alaskan experiences.

As a mail carrier in Alaska he knew Eskimos and Indians intimately. He noted the changes that Christianity has brought about in their mode of living. "An Eskimo," says Mr. Robinson, "follows Christ's teachings not for self, but for others. I have never known an Eskimo to harm a white man who treated him well."

In closing, he again congratulated York College on its activities.

Y. C.

PROGRAM GIVEN AT FIRST Y. M. C. A. MEETING

The first meeting of the Y. M. C. A. was held on Tuesday morning at the regular chapel hour. Several peppy group songs opened the program. Milan Lambert contributed a piano solo followed by a violin number by Walter Reohrs, accompanied by Werner Reohrs at the piano.

Professor Baller, the sponsor of the Association, gave a talk entitled, "The Skin You Love to Touch." Mr. Baller encouraged good will and fellowship among the men of the school using as illustrations a number of events that took place at the "Stag Party" of the evening before, from which his title was drawn.

Ted Peterson represented the students in presenting their angle of Y. M. C. A. work. His talk was very encouraging to the members of the organization by inspiring them to action in school functions.

All men who were not formerly members were invited to join at the next weekly meeting.

York College—York College!

ANNIVERSARY OF THE SANDBURR.

On September 9th the convocation marked the opening of the fortieth regular session of York College in the work of education and Christian training. The present term also marks the thirtieth anniversary of THE SANDBURR. During these years THE SANDBURR has progressed from the form of a monthly magazine to that of a bi-weekly collegiate newspaper. We are endeavoring to make THE SANDBURR the very best collegiate publication that is possible. During the coming year we ask the cooperation of all York College friends in making THE SANDBURR a bigger asset to the institution.

GRADUATE HONORS

A scholarship pin in the form of a key has been specially designed for York College honor graduates. The right to wear it will be awarded each year at Commencement to those who win Magna Cum Laude or Summa Cum Laude honors. The plan has been made retroactive by the faculty, and all alumni who believe their grades for the college course will average ninety per cent. or over should send their orders at once to the college office where their grades will be checked and the order for the proper pin forwarded to the local salesman.

The key, which is reasonably priced, is a very attractive one in the form of a Greek scroll bearing the traditional lamp of learning, the Y. C. monogram, and the words, Summa Cum Laude for an average of 93 or over) or Magna Cum Laude (for an average of 90-93). A number of orders have already been received, and it is thought that a scholarship organization within the Alumni Association may be formed.

Y. C.

Y. C. ON THE AIR

York College is inaugurating a very modern means of making new friends and communicating with those who are friends of long standing. The radio supplies the means mentioned.

Through the courtesy of Dr. Geo. R. Miller, York College has access to

the York broadcasting station KGBZ, each Thursday evening. The initial program was given Sept. 4th. It consisted of vocal solos, a piano solo and quartet numbers. Interspersed with these numbers were current events relative to the opening of college.

The purpose of the broadcasting is to keep in touch with the territory about York, to remind the people that we are a school alive with activities that make for a real school. We also aim to inform our friends about what we can offer them in the way of education. It will be our endeavor to give each Thursday night a good, peppy, entertaining program.

We hope to get in touch with our alumni by means of the radio. Listen in each Thursday night at eight-thirty. If you have some number you wish to hear sung by the college group, let us know about it. We will be glad to hear from you concerning our programs. Let us make good use of this privilege given by Dr. Miller and make it a means of uniting the student body of York College with the alumni and friends wherever they may be.

PANTHER PSYCHOLOGY

It is requested that students, or anyone else who has occasion to be in the gymnasium, be more thoughtful in treading the hardwood floor with their leather soled shoes. Remember, each scratch helps to disfigure the floor.

In chapel last Thursday, "Mac" said that the "three blind mice" would officiate at the practice game that afternoon. There must be a joke on someone. Care will be taken to find out just what it is all about so we'll all know what Professors Hill and Baller and the Rev. Mr. Porter have been up to lately.

Neal Gallant, Ray Ruppel and Maurice Brookhart are slowly rounding into condition. Neal has evidently been spending quite a bit of time in connection with Oklahoma this summer. Ray spent quite a little time in York this vacation and it is generally accepted that "Brook" hasn't been far away, not over eighteen miles or so.

"Bob" Green is having a hard time getting a car ready for football season. He says he has to go on the trips some way.

The judges of the float contest of the fall fair had better think a long time before awarding the first prize to anyone but the "Y" Club because it is bound to be the best. This is not a threat, but a promise.

The boys have been getting to bed so early the last week or so, trying to get in shape, that it is rather doubtful whether they will be able to keep awake during the time between halves over at Hastings, Friday night, without the able assistance of Coach "Mac."

"Three days is hardly enough to cover the whole city of Kansas City," says Coach McCandless, who spent the week end of Sept. 6, 7 and 8 at that place. But don't get too excited because he was only on the very serious business of picking some new equipment for his football squad this fall.

Professor Baller and Hill are assisting Coach McCandless in the training of the team. The varsity is waiting and hoping they play on the seconds some night. We wonder if any of the fellows could be harboring any sort of a revengeful feeling.

Edward Gould, proprietor of the "Club House" downtown, and a

very interested follower of our sports, has offered a big, thick malted milk to every man making a touchdown this season.

Professor Baller held down a wing position on the second team in an early scrimmage. He is now thinking seriously of checking up on his classroom pupils in order to be revenged.

Now that the early attack of blisters and sore muscles is over, the squad of fighting Panthers can now settle down to the serious task of staking the "Bronchos."

The new door between the check room and the dressing room is keeping Marvin Creech well in check.

Fritz Wendell is sporting a black eye that he acquired in the first scrimmage of the season.

OPEN HOUSE HELD

"Open House" was held in the parlors of the Conservatory Sunday afternoon, Sept. 14, from three to five o'clock. Mrs. J. R. Overmiller and Miss Mary Alice Slee were hostesses. The afternoon was spent in playing quiet games and singing old time favorite songs. The hostesses served pears as refreshments toward the end of the afternoon.

Regulars Battle Cubs In Initial Scrimmage On Panther Gridiron

Hersey, Wendell and Ruppel Score Touchdowns; Win 23-0 Over Seconds.

Thursday afternoon followers of the Panther football fortunes were given their first opportunity to see the entire squad in action when the 1930 edition of the White and Blue was divided into two teams for a regulation game on the East Hill sod.

The "Regulars" were decked out in the new blue and white uniforms which loyal rooters will eagerly watch during the approaching conference campaign. Against this line-up was pitted a fighting, courageous band of second team gridders.

Outweighed and lacking in experienced players for several of the positions, the "Blues" put up a real battle from start to finish and held their opponents to a 23 to 0 score.

Captain Hanshew won the toss and chose to defend the south goal. Johnnie Franz, who was appointed leader for the "Whites," took the kickoff and ran it back 10 yards. On the first play Johnnie gave the spectators a look at one of his side-stepping performances when he reeled off 15 yards and a first down. Bob Green followed up with a dash off tackle for 5 yards. On the next play Moline, the center for the "Blues", snagged one of Hersey's passes and the ball changed hands.

After an offside penalty was inflicted on the "Blues" Hanshew and Henry Franz failed to get past Wendell and Lewis whose line tactics inspired Gallant to smother a try at his station. The "Blues" lost 8 yards on these three plays and Muth kicked to Green, who returned 8 yards to his own 45 yard line.

The "Bounding Blonde" from Henderson got loose for 9 yards on the next play and then followed his interference for a gain of 6 yards. The onlookers were given a real thrill on the succeeding play when Oren Jose, who hails from McCool and runs like a wild broncho, bowled over the opposition in a head-on gallop for 35 yards. This put the ball on the five yard line but a five yard penalty stopped the next try. John Franz dived off tackle for 6 yards and Jose picked up a couple more yards at the center of the line. The first points of the season were scored when Marvin Hersey went banging off tackle for a touchdown. The try for point sailed wide of the crossbars and just a few seconds later the first quarter ended.

Clark Adams, the Merna speed merchant, dented the "White" forwards for a 3 yard gain just as the whistle blew.

Henry Franz ran the next kickoff back 10 yards but the going was rough and Muth punted to the "Whites" who made no return.

Green got 3 yards on an end run and Jose followed up with a scamper of 15 yards from punt formation. Two offside penalties were inserted in the proceedings and then the "McCool Express" ran away for another 16 yards. Hersey, who piloted the "Whites" had his machine going at top speed and got "Johnnie" loose for 14 yards more.

Adams put an end to the parade by nabbing a pass and Muth punted on the first play, Bob Green making a fair catch. Franz, Green and Jose pooled their resources for 13 yards of distance and after spotting Franz with a 10 yard pass Hersey dropped

back and kicked a beautiful 35 yard place kick. The half ended after Muth returned the next kickoff 12 yards.

Hanshew took Hersey's kickoff at the opening of the second half and ran it out to the 30 yard line after a return of 15 yards.

A penalty for holding put the "Blues" in the hole and Muth kicked to Green who got back 10 yards to the middle of the field. On a tackle around play Wendell made 4 yards. Bob Green set sail on one of his familiar gallops around end and had the crowd on its toes with a demonstration of sidestepping that took him 30 yards but a severe penalty was inflicted on the offense and a bad pass from center combined to offset the gain. When Hersey punted, the "Blues" fumbled and Fritz Wendell, whose work at tackle should make it tough going for conference opponents this fall, dived on the elusive pigskin.

John Franz and Jose packed the ball 13 yards to the 11 yard line, where Wendell again came out of tackle and hustled through the "Blues" for the second touchdown of the game. Hersey place-kicked the extra point and the "Whites" were leading 16-0.

Muth returned the next kickoff 12 yards to the 26 yard line. Adams gained 2 yards off tackle and then the "Blues" rung up their initial first-down when Muth, the scrappy field general of the "B" squad shot a 10 yard pass to Walt Hunt. But trouble hit the lighter "Blue" team again and they failed to gain again before the whistle ended the quarter. Muth kicked to Franz who returned 10 yards to the center of the field.

When Hersey got off a long return punt the ball trickled through somebody's wickets and "Rambling" Ray Ruppel embraced it for an additional 6 points. Hersey again booted the leather through the uprights for the extra point.

The "Whites" kicked off to Hanshew's squad and Muth opened fire with a neat 20 yard pass to Adams on the first play. Muth gained 2 yards off tackle and then punted to the "Whites." After an incomplete pass Hersey went dashing off tackle for 11 yards and Franz followed with a similar gain just before the "Three Blind Mice" consulted the watch and called it a day.

Coach McCandless viewed the proceedings from a seat in the "grandstand" and after the game expressed himself as well pleased with the showing made by the whole squad. Another week of practice and we believe "Mac" will give Panther followers a gridiron organization that can represent the college in a very creditable manner.

The lineup:

"Whites"		"Blues"
Gallant	le	Hunt
Wendell	lt	Feemster
Lewis	lg	Vander creek
Brookhart	c	Moline

Football Prospects Show Great Promise In Initial Workouts

Squad of Thirty Men Battle for Regular Positions on Panther Eleven.

York College will open the football season at Hastings on Sept. 26. The game will be played under the floodlights. As this game is only a week away the candidates have been forced to adopt a rigorous schedule of practice sessions. Coach McCandless has a squad of thirty men out bidding for regular assignments on the 1930 Panther lineup.

Most of the new material are players of experience, having played on high school teams. The squad is rapidly rounding into shape and barring injuries, should be ready to give Hastings a great battle.

The lettermen who have checked out grid material are: Maurice Brookhart, Neal Gallant, Marvin Hersey, Bob Green, John Franz, Ray Ruppel, Wilbur Guard, Ual Hanshew, and Walter Hunt.

The yearlings who are making impressive showings are: Russel Lewis, of Aurora; Henry Franz, Henderson; T. Hoffman, Yuma, Colorado; "Fritz" Wendell, last year's York high school captain; Harlan Muth, Seward; Clark Adams, Merna; Oren Jones, McCool; Bob Moline, York; Dexter Haws, York, and Harlan Rutter, Beatrice.

Following the Hastings game York plays Dana on the home field.

TWICE AS MANY COLORED COMICS IN LINCOLN JOURNAL; DOLLAR TRIAL OFFER

The Burlington trains bringing in the morning mail leave Omaha at 11:50 P. M. and Lincoln at 2:05 A. M. It is easy to see how a Lincoln morning daily can give seven hours later news than the Omaha papers.

The Journal is the only Lincoln Daily printing regularly after 5 P. M. They print editions right up until train time day and night. The Morning Journal comes in time for morning town and rural mail delivery on the date of publication.

The Lincoln Journal gives unexcelled service on a Morning newspaper from the capitol city, and one that is edited 100 per cent. for Nebraskans. All of the other big Nebraska Morning dailies are printed on the Iowa line and edited for Iowa readers also.

The Lincoln Journal has added another colored comic section, giving "Saptain and the Kids" by the originator of the Katzenjammer Kids; "Reg'lar Fellers," "Hairbreadth Harry" and "Tailspin Tommy." Others features recently added by the Lincoln Journal are "Calvin Coolidge" \$200,000 a year feature, "Chic Sale," "Oz Black" full page cartoon, "Toonerville Folks" colored comic, "Eleanor Gunn" Fairchild fashions, "Complete Sunday Story," and "Grandland Rice" \$150,000 a year sport writer. All of these are extra measure thrown in with a Journal subscription: None are replacements of other features discontinued.

For one dollar the Lincoln Journal will send you a trial subscription, or a whole year may be had for \$4 daily, \$6 with Sunday. This is very reasonable compared to prices charged by other dailies and considering the superior service the Lin-

coln Journal gives. Don't give money to strangers, order direct or through our office.
