

YORK COLLEGE PLANS A BIG ANNIVERSARY CELEBRATION; JUNE 1-3

Anniversary Programs Featured Alumni and Friends Urged to Attend.

The program for Commencement week will indicate the anniversary programs as well as other features on the occasion. It is the desire of the college to have as many former students and alumni present at these meetings as possible.

The Anniversary Celebration on the evening of June 1st at 6:30 will be a dinner with appropriate programs. Plates for the dinner will be fifty cents each. All who can be present will please notify President R. Overmiller not later than May 15th. This should be a splendid occasion and York College friends could avail themselves of the opportunity of sharing in this celebration.

The formal program on June 3rd at 2:30 P. M. is to be preceded by an academic procession which will start at the Administration building at 2:15 and proceed to the United Brethren church. It is desired that all alumni and former students join with the Board of Trustees, faculty and present student body in this procession. Caps and gowns will be in order but not necessary. We are hoping that this may be made the greatest march that has been put on in the history of York College. This will be possible through the hearty cooperation of all former students and alumni of the school.

Tuesday of Commencement week will be a great day for alumni and former students. This day is to be celebrated with a picnic dinner on the campus at 6:30 to which all alumni, former students and friends of York College are invited. A charge of twenty-five cents each will be made to cover the cost of the occasion. This will be followed by an All-College program in the gymnasium at eight o'clock.

The entire Commencement week will be featured by speakers from alumni and faculty of York College. The York College Conservatory of Music will furnish music for various occasions presenting two operas during the week with other outstanding productions. We are hoping that this may be a gathering of friends of our great institution.

PROMINENT DEBATERS IN FRESHMAN CLASS

A summary of Freshman participation in debate and forensics shows that the so-called "green" class did more for York College in these fields than any other class.

In debate one freshman, William Hice, was given a regular berth on the negative team while Raymond Wochner and Rodney Whittemore, alternated as second speaker on the same squad. Russel Lewis was on the affirmative team.

In forensics the only representative of York College in the state Extemporaneous contest was Russel Lewis who placed third in extemporaneous division in that contest.

Neal Gallant 1931 Council President

Neal Gallant, Junior, was recently elected president of the Student Council for the 1931-32 term. Neal has entered into all school activities, being a Y. M. C. A. member, and a three letter athlete.

THE FRESHMAN SANDBURR

This freshman "SANDBURR" is the result of more headaches, writer's cramp and sore feet than possibly any past edition of the paper. Freshmen reporters have been running hither, thither, and yon in search of news for our readers. Typists were enlisted for the cause and an editor was elected for the effect. We gathered our news, and with much help from the regular staff we assembled it. Now we present it to you and sincerely hope that you like it.—William B. Gambell.

SCHOLARSHIP IS HIGH IN ALL DEPARTMENTS

Freshman Honors Quite Evenly Divided Among Men and Women of the Class.

Too, too—The freshmen blow their own horn in this issue of THE SANDBURR.

We have interviewed the members of the faculty who have freshmen in their classes and we have asked them to indicate the freshmen who are scholastically outstanding in each department.

Professor Ray Hill tells us that some of his students have mental ability and some have a lack of it. To spare freshman blushes, he named only a few of his best students, Arminie Reisinger, Harold Wilcox, and Eleanor Hubbell.

Miss Wakefield has freshmen in her Spanish and French classes. The girls seem to have the advantage in this department. Helen Price, Virginia Casebeer, Frances Ramsey, and Ella Valdez are the linguists of the class.

Professor Feemster tells us that there are five freshmen in his department who are of about equal rank—Orville Moore, Doris Gilmore, Frances Ramsey, Calvin Feemster (Continued on page 3)

STUDENT COUNCIL ADOPTS NEW CAMPUS RESOLUTION

Believing that a sense of responsibility toward obligations is an essential characteristic of an educated and cultured person, we hereby recommend:

That no semester credit be granted any student until he has satisfactorily met all financial obligations to the institution, including tuition, fees, books and supplies required for classroom work, all library fines, and bills for room and board.

It is further recommended that no transcript of credits, honorable dismissal, or any recommendation for any position whatever be granted by the institution or by an employee thereof to the student who has not satisfactorily met all reasonable assessments of class dues levied by a majority vote, all regular membership dues and all fines levied by campus organizations which he has voluntarily joined and from which he has not withdrawn in the regular and approved manner, and all voluntary pledges and subscriptions.

It is further recommended that the proper officer of each campus group or organization shall one month before the end of the semester submit a list of their delinquent members to the Student Council who shall hear and adjust any complaints and then prepare a complete and final list of such delinquent students for the college office.

The foregoing resolutions were adopted by the Student Council and ratified by the faculty and are to go into effect at once.

MANY FRESHMAN ACTIVE AS ASPIRING THESPIANS

It is with pride that the Freshman class points to those people who have carried her banners so well in the field of histrionics.

In "Sun-Up", out of a cast of 9, 5 were Frosh. In "An Ideal Husband," the title roll of which was taken by Raymond Wochner, out of a cast of 13, 7 were Freshmen. In the last play of the season, "Her Temporary Marriage," 4 out of a cast of 6 were Freshmen, with William Gambell doing one of the "better half" roles.

Another interesting fact to note is that the business managers of the Histrionic club for both semesters were freshmen.

Edith M. Lawson Sandburr Editor

Edith Lawson, sophomore, has been chosen by the Student Council as Editor-in-Chief of THE SANDBURR for next year. Edith has been a member of the editorial staff for the past two years.

ATTEND COMMENCEMENT

The week of May 28 to June 3 is Commencement Week. As you all know it will be the celebration of the fortieth anniversary of the founding of York College. This event should by all means be made successful. With hearty cooperation on the part of the students it will be. It can be made the most outstanding event of its kind in the history of York College. There will be many alumni here. They are interested in us. May we justify that interest with a lot of spirit.—William B. Gambell.

MAY QUEEN HONORED AT ANNUAL FESTIVAL BY COLLEGE STUDENTS

"The Wonder Hatt" Presented by Members of Histrionic Club.

The annual May Day fete was sponsored by the Y. W. C. and Y. M. C. A. took place on the afternoon and evening of Thursday, May 7, on the York College campus. The identity of the May Queen, Neva Brookhart, a senior from Nebraska, was not learned until the procession appeared.

The Queen's attendants were Margaret Yust, a senior from Sydney, Kansas, Marjorie Mohler, a junior from Porto Rico, Margaret Payne, sophomore from Lushton, Virginia Casebeer, a freshman of York, and Eva Smith of the business college from Shelby.

A terraced throne under a canopy of pink roses and greenery facing a beautiful garden scene where the evening program was made very attractive by the use of a spotlight.

While the college orchestra played a march, the procession led by attendants ascended the throne. The maid of honor, Ermina Healy of Beatrice, was attended by tiny tots, Elvora Jane Lovitt, York and Ray Wehrman, of Nebraska. The Queen, who was elected by secret ballot of the student body several weeks ago, was dressed in white. Two small pages, Earl Partlow, of York, and Lois Nicley Bennett, carried her train.

The crown of roses was presented by Lois Overmiller, a senior, placed on the Queen's head by the maid of honor. Helen Oliver presented the floral staff as an offering from the Juniors. Julia Wilson floral orb from the Sophomore. Thelma Wells a floral foot stool from the Freshmen, and Lulu Smith basket of flowers from the business college.

Vincente Colon played a flute solo "Narcissus," following the crowning of the Queen.

After the solo the May Day winding and dance was presented by twelve small girls of the third grade of the Willard school under the direction of their teachers, Miss Agnes Pospisil and Miss Mildred Andersen.

Following the May Pole dance floral drill and song was presented by Frances Ramsey, Genevieve Fromm, Jeanette Bisset, and Bernice Vannice, to the music of "Hunting Song" (Continued on page 3)

York College—York College!

TO THE SENIORS

As the school year draws to a close, we think of the many days which we as students have spent together. We ponder over those hardships which have confronted us during the past months, and rejoice in many happy hours bubbling over with college spirit which will long remain in our memories.

We, as freshmen,—green as we may appear to upperclassmen—can say with utmost sincerity that we wish to express our appreciation, and also extend our good wishes to the seniors who are graduating from York College. We have tried to look to them as ideal students upon whose standards we might pattern our conduct as we try to prepare our lives for the responsibilities which will rest with us as upper classmen in the near future.

We have tried to meet our tasks with a smile, and to accept defeat with a greater determination to accomplish in the future the aims which we have set out to attain. And then having attained, we will accept our victory with the attitude of—"I owe it to York College."

We realize, now, that their work here, as students, has been almost completed, that they have practically finished their required preparation for graduation—that they have perhaps attained the goal of their aims. On the other hand, we are conscious of the fact that our pre-

paration has only begun. The day of our graduation from college is only a blurred picture painted on the lining of a mere bubble, which by slip of the brush might be caused to vanish forever.

And so while we, as freshmen, continue with this picture, visualizing it before us and ever trying to make it a reality, we not only bid our worthy seniors a kind farewell, but express the wish that success may ever be theirs.

FROSH TRACK

The class of 1934 proved as efficient in track as they had in ball and basketball. They won interclass meet with ease. The freshmen scored 97 points, the sophomores were second with 27 seniors scraped up 8 points for place, and the juniors failed score.

Oren Jose led in the fresh scoring with 12 points. Robert line was second with 11 points. Henry Franz and Bernabe Herrera won two firsts to score 10 points. Other freshmen who placed were Henry Franz, Floyd Merchant, Glickinger, Elacio Jaramillo, Vin Thompson, Calvin Feen Norris Peterson, Harlan Muth, Tennis Hoffman. The track freshmen were not allowed to compete this meet.

The freshmen fared very well in the Cotner dual meet that was on the York field in April. Two of York's forty-five points scored by freshmen. Bernabe Herrera scored eight points by winning the two mile and finishing second the half; Clarke Adams won the hurdles and placed third in the yard dash and high hurdles to seven points. Oren Jose was in the pole vault and tied for first in the 220 yard dash. Henry and Harlan Muth tied for second the 440. Melvin Thompson ran nice mile to gain a third place.

York College defeated Grand Island and Central in a tripart meet at Grand Island, May 12. scored 67 points.

The Panther freshmen accounted for 23 of York's 67 points by running in the relays.

Clark Adams led the fresh scoring with nine points. He won low hurdles, finished a close (Continued on Page 4)

NIGHT AND A FAST TRACK!

A TRACK man will tell you that records are broken when the track is fast. Think of this setting—a cool evening, the stands overflowing, the whole spectacle brilliantly lighted with G-E floodlights, and a fast track—a record simply couldn't stand the "gaff."

Nighttime, when people naturally turn to diversion, is the logical time for a track meet. Lack of support will be a thing of the past. And just watch the athletic fund grow.

G-E floodlighting projectors, largely the development of college-trained men, are easily adapted to any occasion whether football, track, tennis, commencement, receptions, or plays. Efficient G-E illumination promotes athletics and builds school spirit.

FROSH CONSPICUOUS IN SCHOOL ATHLETICS

Seven Football Lettermen From Class.

In turning back the pages of time and reviewing the past football season we find that the Freshman class has been very well represented on the gridiron. The Panther team would have been very much weaker indeed had it not been for this group of determined Freshmen.

When the call for training was sounded, twenty-three men answered and, of these twenty-three, twelve were Freshmen. This proved to be student body of York College that the newcomers were a reliable and ambitious group.

As the season advanced men who started as substitutes were placed on the regular line-up. These were Freshmen who had proved themselves worthy of the position and each filled his place to the complete satisfaction of the Coach and the Student Body.

Others were less fortunate. They did not have the abilities which would win for them a berth on the team. However, they had the pluck

to stand with the school and take the "knocks" of practices so that the more fortunate men might develop into a team which could prove itself victorious against its opponents.

The Freshmen not only gained first team positions but they began to show themselves outstanding players. The quarter-back position, which carries the most responsibility was given to Harlan Muth, who entered College practically a total stranger. Frank Wendell and Clarke Adams soon gained prominence as ball carriers and these two men scored 53 of the total 93 points (Continued on page 4)

scored during the season. Russell Lewis, Tennis Hoffman, and Robert Moline soon proved themselves worthy of line positions. Being linemen, they did not have a chance to enter the scoring column but their fine line work made the scoring possible. Oren Jose improved steadily as a ball carrier and, in spite of the handicap of never having played football until he entered York College, he soon became known as a reliable ground gainer.

The season ended leaving the Freshmen in possession of most of the honors. Of the 14 lettermen, seven were Freshmen, of the 93 points scored, 63 were scored by Freshmen and credit for the longest run goes to Clarke Adams, a Freshman, who returned a free kick 70 yards for a touch down.

Considering these facts we can safely say that the success of the 1930 football team was due to the unusual abilities of the Freshmen.

Dean Chas. Bisset Sponsors Freshmen

Charles Bisset was born in Marysville, Calif., on October 27, 1871. Unfortunately his father died when Charles was but seven years of age and three years later his family moved into the "foothills" of the Sierras where he lived until he was eighteen years old. He then moved to Woodbridge located in the heart of the Sacramento Valley. Here he attended the San Joaquin Academy and College from which he was graduated in 1894 with the Ph. B. degree. During the winter of 1894, he taught a public school near Woodbridge.

In the fall of 1895 he went to Dayton, Ohio, and in 1898 graduated from the Theological Seminary with the degree of B. D. In 1898, he was married to Miss Ella Lemmerman of Cleveland, Ohio. From then to September, 1899, he occupied the position of a minister in northern Ohio. In September, 1899, he was elected to a chair in Lane University at Lecompton, Kansas, where he taught until 17903 when the school was moved to Holton, Kansas. At Campbell College in Holton, he was elected to the chair of History and Sociology, and served nearly all of his time from 1903 to 1913 as Registrar.

For several summers he attended the University of Kansas, and in 1909 received the A. M. degree. In 1913 he was elected to a position in York College similar to the one he had previously held at Holton, Kansas. Prof Bisset has been with York College ever since. In 1927 he was elected to the chair of Sociology and Bible and for the last five years has acted as Dean. In 1929, York College conferred on him the degree of D. D. During the summers of the past five years, Dr. Bisset has done work at the Universities of Nebraska and Chicago amounting to about one and a half years.

The Freshman class has had a very successful year under the leadership of Dean Bisset, who was not chosen because of his past brilliancy or future prospects, but because he was one of the few that are smart enough to keep ahead of our illustrious class.
