## Advance Program Accepted by Board of Trustees

Large Delegation to Third Annual Session Faculty and Officers Named;

With representatives from seven states, the Conference on Christian Education of the Southwest Bishop's Area met in York this past week, Tuesday through Thursday. This third annual session opened Tuesday evening at the college dining hall with an address by Dr. Stanley B. Williams on "Working Together for a Greater York College".

This opening of the conference was preceded on Tuesday by the annual meeting of the board of trustees of the college. The board voted to the effect that Miss Alma Tress Lundman, now on leave of absence of one year for graduate study, should be returned to the dramatics department of the college. All other departmental instructors were re-elected. Pres. J. R. Overmiller, Dean Walter E. Bachman, and Vice-President Earl I. Doty were retained in those positions.

Nels Hammar, E. A. Levitt, S. C. Caldwell, and E. L. Malster were named trustees from York county by the board. Appointment of a chairman of the board was deferred until a later time.

The executive committee for the following year will consist of J. R. Overmiller, S. C. Caldwell, E. A. Levitt, A. L. Deever, Nels Hammar, A. P. Vannice, E. L. Malster, J. R. McCloud, S. S. Partlow.

The following recommendations of the president's report were accepted. First, that diplomas for recognition of credits earned in one of the following colleges formerly operating in this territory be granted upon request and payment of fees to worthy graduates of Kansas City University, Campbell College, Lane University and Philomath College. Second, a development program should be set up for accomplishment by 1941. A suggested basis includes 1. The liquidation of the present indebtedness. 2. The securing of a definite income of at least \$25,000 annually from the General Budget of the church and the conferences of the co-operating territory. 3. The creation of an endowment program that will provide for a \$500,000 endowment. Also, that a student program be launched to obtain each year 200 students from the outlying territory, and that plans be developed for a semi-centennial celebration of the founding of the college in 1940, with all debts liquidated.

The committee appointed to carry out the advancement program includes Bishop Statton, Pres. Overmiller, C. V. Priddle, Maurice Nichols, G. E. MacCanon, R. G. Trent, and A. P. Vannice.

The program of the three-day meeting included the opening address by Dr. Williams on Tuesday and a talk by Mr. E. A. Levitt, both at the dining hall. In the evening,

(Continued on Page Four)

## DR. DAY COMPARES BOOKS OF GENESIS

By the unique method of passing out copies of the Chaldean translation of Genesis among the student body, Dr. Frank Edward Day of Minneapolis, guest speaker in chapel, endeavored to show this translation's lack of value when compared to the Hebrew book of Genesis.

Skeptical critics, including Robert Ingersoll, have believed the Chaldean book of Genesis to be the more enlightening to the Christian world as to the beginning of the universe. Dr. Day showed the superiority of the Hebrew book of Genesis in comparison to the Chaldean as to the lofty ideals, the clearness of utterance, and the orderliness of statement.

Dr. Day said, "The supreme gift to the world is the Hebrew Genesis."

## TRIO SINGS FOR HIGH SCHOOLS ON TRIP

Appearing before several high school groups during their two day program tour (March 29 and 30) the girls' trio presented several groups of trio numbers as well as solos by the individual members of this group. Field representative Guy Ordway accompanied the girls on the trip and made short talks before introducing the trio, which is composed of Lodema Frieden, soprano, Wanieta Sullivan, mezzo-soprano, and Irene Hoggard, contralto, with Hazel Emma Morgan at the piano. The following near-by Nebraska high schools were visited: Osceola, Rising City, Surprise, Stromsburg, Exeter, Cordova, Goehner, and Tamora.

—Y. C.—

## New Equipment for Chemistry, Physics Students

Prof. Keim Purchases Aids in Study of Polarized Light and Other Fields

To make the study of light more comprehensible for the physics and chemistry department students, a new Gaertner spectrometer and diffraction grating, which represent an investment of about \$150 has been purchased by York college.

Also, in the Physical Science Department under Chris P. Keim, recently was added some equipment for the production and experimentation of polarized light. This is more easily accomplished now by the use of the newly patented Polaroids.

Whereas until recently polarized light was mainly of interest to the sugar chemist and physicist it is now being developed in practical fields such as in the elimination of glaring automobile headlights, flood-lighting, advertising displays, colored photography, engineering design, and many other applications.

In a glass case near the entrance of the chemistry lecture room Merle Wittmeyer has placed a general chemistry display. This display features the different equipment that is used in the chemistry laboratories. Thirty new chairs have been added to the science recitation room recently.

—Y. C.—

## STUDENTS OF SHAKESPEARE RECEIVE MORE VOLUMES

Students of Shakespeare and English literature will find many new books of material for their use in the York college library with the recent addition of two more copies of "What is Shakespeare?"; also a copy of Shakespearean Drama, History and Tragedy by D. J. Snider; "Introduction to Shakespeare" by McCracken, Pierce, and Durham; "Shakespeare Problem Comedies" by William Lawrence; and "Tragedy of Hamlet" by Henry Frank.

Other books include Elizabeth Browning's "Poetical Works"; "Life and Letters of Robert Browning" by Mrs. Orr; "Aspects of Modern Poetry" by Alfred Noyes; "Browning Studies" by Harrington; and "American Prose Masters" by Brownell.

—Y. C.—

## Success and Personality Relationship Discussed

Building a theme around the relation between success and personality, Professor R. E. Townsend said: "Most so-called failures are only temporary defeats." He also said that a pleasing personality, cultivated by obeying certain requirements, would lead definitely to success.

Among the success traits that he mentioned were: having a definite purpose or objective; self confidence; the habit of saving time and energy; initiative and leadership; imagination; enthusiasm; and cooperation. Practicing the Golden Rule, and a tolerant attitude toward others were also mentioned as essential to successful business methods.

## Dr. Bachman Named Secretary of Church Colleges

Addresses Conference on Religious Courses; Prof. Keim Gives Report

Dean Walter E. Bachman was elected Secretary of the Nebraska Association of Church Colleges at the twelfth annual meeting of this organization held at Dana College, April 2 and 3. By virtue of this, he becomes a member of the executive board for the coming year. The theme of the conference was "The College and Christian Citizenship".

Dr. Bachman gave one of the major addresses of the conference on the topic "Religion and Religious Courses in the Curriculum of the Church College". He stated that the specific function of the church college is two fold: First, the church college must have a standard college curriculum with courses offered by Christian teachers competent in their respective fields of teaching and with a Christian point of view. He emphasized, in the second place, the fact that the church college maintains a department of religion with courses offered in Bible, history and philosophy of religion, and religious education. The courses in religion, to be effective in personal life and social relationships must preserve the vital values and basic concepts necessary to fruitful Christian living, concluded Dr. Bachman.

Prof. Chris P. Keim introduced some new ideas in the teaching of physics in his discussion "Some Uses of Polaroids in Teaching Physics". Prof. Keim was elected chairman of the science and mathematics department of the conference.

Those who made the trip included President J. R. Overmiller, Dean Bachman, Professors Slee, Morgan, Keim, and Mayfield, Miss Anna J. Thompson, registrar, and Mrs. C. P. Keim. The next meeting will be held at Creighton University in Omaha.

—Y. C.—

## Represented State at National Meet

Miss Mary Alice Slee, of the Education department, attended the National Convention of the Delta Kappa Gamma, an educational organization for women teachers. Miss Slee was the Nebraska delegate at the meeting held in Chicago on March 25 to 27.

The Delta Kappa Gamma is an organization composed of white women teachers who are working for the betterment of the teaching profession. As a national movement it was started eight years ago, but in Nebraska the state organization is only in its first year. The Delta Kappa Gamma has limited membership standards which permit only one-tenth of all white women teachers in a county to belong.

Miss Slee gave the following as its purposes:

"To honor women who are recognized as leaders in the profession of teaching; to foster loyalty, cooperation, and professional spirit; to work for desirable school legislation; and to endow scholarships to aid women teachers in continuing their studies."

According to Miss Slee, an endeavor is being made to install the first chapter of the state Delta Kappa Gamma organization in York. Miss Slee will make her report of the national convention in the state meeting held in Lincoln on April 24.

—Y. C.—

## DONOR OF VOLUMES IS DR. O. S. TOWNSEND

Through error, a statement in the last issue of *The Sandburr* credited Prof. R. E. Townsend with a contribution of eighty-five volumes to the college library. The donor is Dr. O. S. Townsend of York.

## \$50,000 Trust Fund Left to York College with Provision Regarding Deficit

MEN SWIM AT STAG MIXER PARTY

"My, what a good swim" was the thought in the minds of most all of the young men who attended the Y. M. C. A. "Stag mixer", held at the local Y. M. C. A. on the evening of April 8. Roland Tonkin, Y. M. C. A. social chairman, and Ross Martinez, secretary, were in charge of the various activities of the evening. After the refreshments, the remainder of the evening was spent in singing songs.

—Y. C.—

## Glee Club Will Sing in Iowa, Nebraska Churches

Dean Amadon Directs Chorus on Tour; Trios and Quartette to Give Specials

Departing on a program tour which will extend through Wednesday of next week, the glee club is making its first appearance in Omaha this evening. In addition to the selections to be given by the glee club, there will be special numbers contributed by the girls' trio, the boys' quartette, and the girls' string trio. Iowa cities to be visited are Albia, Des Moines, Ames, and Webster City.

Dean Charles Amadon will direct the choir. The girls' trio is composed of Lodema Frieden, Irene Hoggard, and Wanieta Sullivan. The string trio includes Bernese Strickler, Doris Johnson, and Lorena Estey. The quartette consists of Wilbur Overmiller, Bob Gale, Alden Marvel, and Everett Sorenson. Twenty other singers will complete the chorus.

—Y. C.—

## CONFERENCE REMINDER

Leta Yost has asked all college women to keep in mind the Omaha meeting of the state W. A. A. to be held the last part of April. The program and plans for transportation will be given at a later date.

—Y. C.—

## DEAN AMADON PRESIDES AT MUSICAL CHAPEL

A musical chapel was presented on Wednesday morning, March 24, when Dean Charles Amadon introduced a number of his voice students to the assembly and they entertained with a program consisting of five numbers. Three of these were contributed by the "Dukes of York", who sang "The Spirit Flower", "The Bells of Avalon" and "Chasing Rainbows". The next number on the program was the humorous selection "The Green-eyed Dragon with the Thirteen Tails" sung by Wilbur Overmiller. The concluding number was "Couldn't Hear Nobody Pray" given by the selected chorus which is touring Iowa this week-end. Miss Betty Owen was the accompanist for the program.

—Y. C.—

## ALUMNI RETURN FOR EASTER VACATION

Quite a number of alumni visited in York during the Easter vacation. Among these were Mrs. Ardith Kull Fast, '30, who is spending this year at the University of Minnesota taking a special course in library work; Mr. Lee Knolle, '32, who is teaching music in the Plattsmouth schools; Mr. Nathan Gutschow, '33, who is teaching in the Western high school and whose debate team won first place in the district; Miss Whelda Wrye, '33, of Lincoln; Mr. Donald Varcoe, '37, who is teaching at Ong; Miss Gladys Deever, '36, of Odell; Miss Betty Spore, '33, of Theford; Mr. Everett Green, '36, of Hayes Center; and Miss Marion Shambaugh, '34, of Lushton.

Is in Trust for 25 Years; If Debts Paid, Will Be Used for Women's Dorm

A trust fund of \$50,000 has been placed at the disposal of the college as revealed in the will of the late C. A. McCloud, who until his death recently was president of the York College Board of Trustees.

The income in interest from the fund will be used for a period of twenty-five years as stated in the will. President J. R. Overmiller has voiced the sentiment on the campus in the following statement:

"The magnificent bequest of Mr. McCloud means two things primarily: First it indicates that he had unquestionable appreciation of the worth and effectiveness of the Christian college as embodied in our own school. Second, it is his challenge to alumni and friends of York College to manifest a like confidence by a similar expression in whatever proportions is possible.

"Mr. McCloud is allowing for twenty-five years to clean up deficits. If friends of the college think of waiting that long to accomplish the task, it probably will not be done. However, it will challenge thoughtful supporters of Christian education into early action. It shall be our definite purpose to eliminate the debt in much less time than has been allowed."

The will stipulates that if at the end of the twenty-five year period the debt of the college shall have been wiped out, the \$50,000 shall be used to build a women's dormitory on the campus. The building will be memorial to the widow, Mrs. Flora McCloud. If a deficit remains the fund will revert to the McCloud estate.

—Y. C.—

## FACULTY ENTERTAINS STUDENTS

Reception Held at College Church

Two one-act plays, "Hot Headlines" by Bertram Hobbs and "One Must Marry" by Alexander Wilhelmi were main features of the entertainment presented at the annual Faculty Reception held Thursday evening, April 1, at the United Brethren church. Approximately 200 students and trustees of the college were present.

The guests were greeted by President and Mrs. J. R. Overmiller, Prof. and Mrs. E. I. Doty, Dean and Mrs. W. E. Bachman, and Dean and Mrs. Charles Amadon.

Miss Zelta Wakelin, chairman of the program committee, announced the program. The play "Hot Headlines" was a mystery comedy-revealing how clever post-office officials captured a thief. After the presentation of the first play Dean Amadon sang "The Sea Gypsy" by Heath, and Mrs. Muriel T. Clarke played a violin solo, "Scherzo" by Van Goens.

The second production was a comedy translated from the German by Miss Zelta Wakelin. It presented the efforts of an old aunt who tried to persuade her studious nephews to marry.

At the conclusion of the program refreshments of punch and wafers were served to the guests. The serving table was presided over by Miss Edith Cone, Miss Gladys Pearson, and Mrs. Walter E. Bachman.

A number of potted plants and ferns placed at various points around the room served as decorations.

Casts for the two plays were: "Hot Headlines", Frederick Hastings, Guy Ordway; Edith Hastings, Muriel T. Clarke; The Jew, Earl I. Doty; Detectives, Charles Bisset and W. C. Noll. "One Must Marry", Jacob Zorn, Mr. Bachman; William Zorn, Mr. Keim; Gertrude, the aunt, Miss Mary Alice Slee; Louise, her niece, Miss Anna J. Thompson.

THE REGISTER

ALL-STARS

Since this is the time of year for all-star basketball teams, the Register herewith presents its all-college selections for this year.

**Left Forward**—Irene Hofgard—Just to make it look like a basketball team.

**Right Forward**—Dorothy "Nell". "Right Forward" describes her quite well.

**Center**—Charlene. The "jumpiest" girl in the college. She certainly is ticklish.

**Left Guard**—Abie Franz. He's left behind to guard the equipment.

**Right Guard**—Prof. Keim. You just can't score off him; especially in a Physics test.

Will of Mr. McCloud Is A Challenge to Us

A challenge has been issued! In our ordinary life routine we are wont to accept most challenges hurled in our paths if they are legitimate ones and will spur us on to better accomplishments. That is the type of challenge that confronts the United Brethren constituency of this college area.

The will of the late Mr. McCloud, with its proviso that the college debt be cleared away within a period of twenty-five years before the \$50,000 dormitory funds become available, is a distinct effort to help the college supporters to help themselves.

A challenge of this type cannot go unaccepted. The generosity of the man and his support of the college must be equalled or surpassed by the interest of and the support of the United Brethren church people and the college alumni. Otherwise, approximately half of the generous bequest will be lost.

We feel sure that definite plans will begin to take form this week as the Board of Trustees meets for their annual session. For the good of the college, it cannot afford to be otherwise.

Y. C.

Another 'Necessary' Editorial Has Little Value

In the last issue of this true mirror of student life, this very acme of news-gathering agencies, we offered a bit of sound advice under the novel general topic of "Keep Your Work Up". As you were told, that bit of editorial comment was in line with the general policy of the paper to have at least six trite editorials per school year.

Our quota not yet filled for this year, we blossom out now with something entirely new and will write on "Spring". We have been unable to editorialize sufficiently upon this topic previously because of the unstable weather conditions. We still feel that perhaps we will be crossed up and find a howling March wind rather than April showers greet this issue.

Getting back to the topic at hand, spring brings many things. Romance, banquets, tennis, track, ministerial conferences, interviews with school boards, caps and gowns, choir tours, all come with that wonderful time of the year which can be described in no better way than by the word, spring.

Spring brings hopes to sore hearts, lightness to sad hearts, and a new zest to all. Far be it from us to exhort you to give yourself up to the wonders of the season to the detriment of other activities, but a little reveling in the joys of a beautiful spring day won't hurt anyone. And that ends about all we have to say on the subject.

Y. C.

Efficient Administration Requires Co-Operation of All

Last year one of the largest invitation high school track and field meets was conducted on the college field on April 18. In the same month, the W. A. A. had the annual 'play day' with girls

from surrounding high schools entertained on the campus for the day.

There is every reason to believe that this type of activity, under sponsorship of the college, is a highly productive means of advertising. Actual presence on the campus, contact with students of the college, and the general spirit of competition and good-will which characterizes both days undoubtedly makes an impression upon the mind of the high school student which is not easily erased.

Efficient administration of the events in a program of either of these types is most necessary. In the track and field meet on the 17th of April this year and the 'play day' on the 24th, may we urge the utmost in cooperation with the directors, courtesy to the guests, and true representation of a York College man or woman. More will not be necessary.

SUCH IS LIFE

Here dead lie we because we did not choose To live and shame the land from which we spring. Life, to be sure, is nothing much to lose; But young men think it is and we were young. —A. E. Housman.

Don't do anything till you do it; and when you've done it stop doing it.—William Gillette.

Eat less; breathe more.  
 Talk less; think more.  
 Ride less; walk more.  
 Clothe less, bathe more.  
 Worry less; work more.  
 Waste less; give more.  
 Preach less; practice more.

When the outlook is not good, try the uplook.

We recall that Charles Lamb said something about the fact that nothing is as interesting to everyone as a knock at a door. However, he never visited Hultitt Hall or he would know that the girls' call-rings create as much or more stir. If one doesn't recognize the buzz she thrusts her head out of the door to see who answers; or if she does recognize the ring, she yells, "Dulcie, Willie is here", or "Irene, someone rang you."

How about college students? Up to a century ago in Europe numerous peasants slept with their feet, instead of their heads, on the pillow, in belief that their feet did the harder work, and were more entitled to comfort.

I do not know of any way so sure of making others happy as being so one's self—Sir Arthur Helps.

The University of Iowa, Vassar, and Syracuse University are among the numerous colleges that now offer courses in marriage. Pre-marital problems and adjustments in married life are discussed in these courses, as well as the psychological and physiological aspects of reproduction, child development and care.

DRAMATICS INSTRUCTOR SELECTS PLAY

"Big Hearted Herbert" is the next production to be given by the Histrionic club. Miss Emma Mayfield has not selected the cast at this writing.

The exact date of the play will be announced later. Miss Mayfield says that the play will probably be given sometime in the latter part of April or the first part of May.

# Gallant Expects Fifty High Schools on Campus for Track and Field Meet

Some Entries Already in as Plans for Tourney Develop; Champions Back

According to Coach Neal Gallant, at least fifty schools will participate in the annual York College High School Invitation Track and Field meet Saturday, April 17. Trials begin at 9:00 a. m.

Several of the larger schools of the state have signified their intention of entering and a few have already sent in official entry blanks.

Notable among the A schools which are expected or have already stated that they will participate in the meet are Lincoln High, Fairbury, Grand Island, Beatrice, Jackson High of Lincoln, Kearney, (last year's winner), and probably Hastings. Phillips is expected to defend the Class B title won last year.

Although little information has been available as to outstanding performers, without doubt the performances, if the elements are favorable, will equal if not surpass those of last year.

Following are the invitation meet records which subject to being broken this year:

- 100 yd. dash—Taylor, Kearney—10.1, 1936.
- 220 yd. dash—Ruby, Grand Island—23.1, 1936.
- 440 yd. dash—Hejkal, Hastings—53.7, 1936.
- 880 yd. dash—Mattley, Creston—2:09.3, 1936.
- Mile Run—Mattley, Creston—4:47.8, 1936.
- 120 yd. High Hurdles—Taylor, Kearney—16.0, 1936.
- 200 yd. Law Hurdles—Taylor, Kearney—23.1, 1936.
- Shot Put—Pfeff, Lincoln—51' 9", 1936.
- Discus—Francis, Hebron—128' 10", 1936.
- Javelin—Knight, Jackson—177' 10", 1936.
- High Jump—Green, Fullerton—5' 10 1/2", 1936.
- Broad Jump—Cardwell, Seward—22' 4 1/2", 1932.
- Pole Vault—Green, Fullerton—11' 11 1/4", 1936.
- 880 Relay—Hastings (Burr, Hejkal, Helms, Norris)—1:36.4, 1936.
- 440 yd. relay—Hastings (Burr, Hejkal, Helms, Norris)—46.7, 1936.

## Squad to Hastings Relays Saturday

Well-Balanced Team Will Represent York; 14 Men Expected to Enter

At least 14 men will be entered in the Hastings College Relays tomorrow, announced Coach Neal Gallant as he prepared an entry list. Although the squad is without the services of Cecil Smith, who preferred duty with the baritone section of the chorus, the team will be well-balanced.

Burch is entering the high hurdles, Eckdahl and Lutz will run the 100 yard dash, and Cobe, Rees, and Spore will run the two mile race. Bert Fellers and Max Quick are entering the shot putting event and the broad jump, and the former will hurl the discus. John McLaughlin and Speece are entered in the pole vault while McLaughlin will also throw the javelin.

Lutz, Eckdahl, Burch, and Speece will run the half mile relay. Leaming, Bergen, and Tonkin will run the two mile relay. It is doubtful if York will enter a team in the mile relay, according to Gallant.

A special event to be entered only by Nebraska church colleges is the football relay. Only football lettermen can run in it. York will enter a team made up of Lutz, a guard, Eckdahl, a back, Speece, a back, and Tonkin, an end.

## 880 Relay Decides 'Warm Up' Meet as Kearney Wins

With everything but spring weather prevailing, the Kearney Teachers nosed out York in the first track meet of the year 69 1/2 to 61 1/2. The meet was a "warm up" affair in anticipation of the Hastings relays to be held to-morrow.

Leading by three points, the Kearney men were able to cinch the meet by their victory in the 880 yard relay, the last event of the day. Had York won the last race, they would have been the winners by two points, so close was the contest.

Cecil Smith was the high scorer of the day with 19 points. He took first in the low hurdles, high hurdles, broad jump and tied with Max Quick in the high jump.

Lewis, Parks, and Larson each chalked up ten points for the visiting Kearney team.

Summary:  
100 yard dash—Parks (K) first; Lutz (Y) second; Adams (K) third. Time 10.

220 yard dash—Parks (K) first; Lutz (Y) second; Merritt (K) third. Time 23.6.

440 yard run—Larson (K) first; Hester (K) second; Stegman (K) third. Time 56.2.

880 yard run—Larson (K) first; Tonkin (Y) second; E. Johnson (K) third. Time 2:15.5.

Mile run—H. Bergen (Y) first; D. Johnson (K) second; M. Blinn (Y) third. Time 5:10.

Two mile run—Rees and Cobe (Y) tied for first; Rapp (K) third. Time 11:23.7.

110 low hurdles—Smith (Y) first; Adams (K) second; Burch (Y) third. Time 12.5.

120 high hurdles—Smith (Y) first; Frische (K) second; Hillman (K) third. Time 16.6.

Shot-put—J. Marrow (K) first; Quick (Y) second; Fellers (Y) third. Distance 42 feet.

Discus—Lewis (K) first; Robbins (K) second; Fellers (Y) third. Distance 113 ft. 10 in.

Javelin—Speece (Y) first; Robbins (K) second; Brecht (K) third. Distance 148 ft.

High jump—Smith and Quick of York tied for first; Lewis (K) third. Height 5 ft. 8 1/2 in.

Broad jump—Smith (Y) first; Quick (Y) second; Burch (Y) third. Distance 19 ft. 10 in.

Pole vault—Lewis and Housel of Kearney tied for first; Speece (Y) and Stegman (K) tied for third. Height 11 ft.

880 yard relay—Won by Kearney (Adams, Elliott, Merritt, Parks). Time 1:38.6.

—Y. C.—

### \*\*\*\*\* \* Salubrious Selections \* \*\*\*\*\*

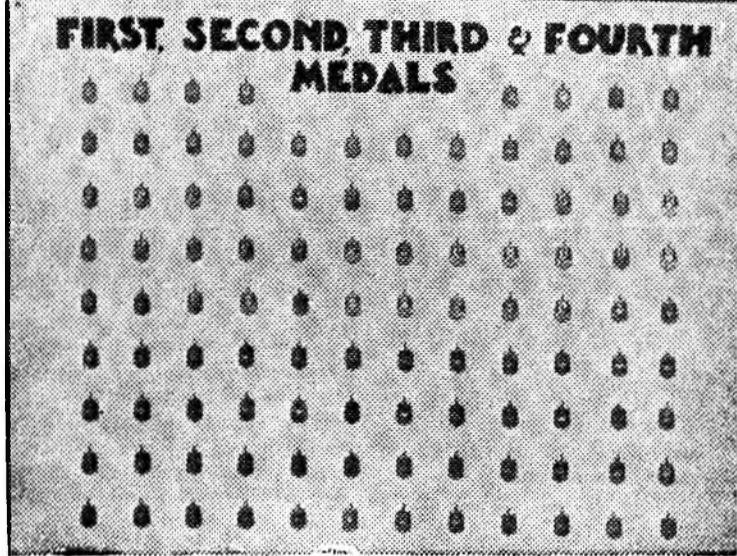

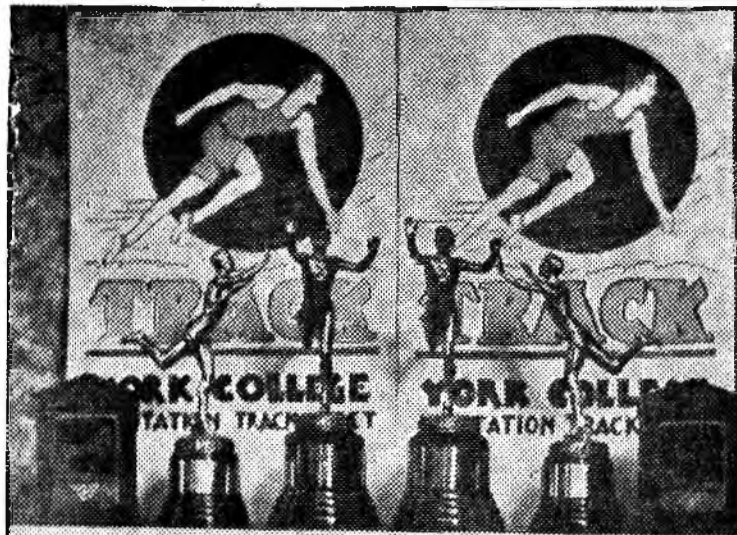

Some track meet last Friday wasn't it? Although times were slow and marks short of those usually made, the showing was good.

Some of the N. C. A. C. speedsters and weight-men had better look to their laurels, since from all appearances, York is in the foreground of the picture this year.

Smith is slipping. He could make only four firsts. They were high and low hurdles, high jump and broad-jump. We surely don't know what's the matter with him. Some one has suggested if he were given enough time maybe he could "take" more events.

In case some of you have forgotten the high jump, remember "Smitty" only took off his sweat pants for his last jump to tie Max Quick at 5' 8 1/2". Looks like they'll need an elevator to put the pole back on the uprights during the future meets. Quick, by the way, hadn't practiced for the

This picture shows the medals and trophies to be awarded high school winners in the invitation track and field meet to be held on the campus April 17. Kearney and Phillips, champions last year, are expected to defend their titles.

high jump this year.

Cookie's brother, Willard, rated three pictures in the Fort Scott school paper last week. Two of them dealt with his discus throwing, showing him in action. The other was a view of him going over the bar in the pole vault. He also garnered a first in the javelin in a dual meet a week or so ago, down in what Blinn and Brennecke would term, "God's country," Kansas.

Quarter milers were weak in the meet. There's plenty of room for development there. Maybe Speece will fill the bill in future meets. Dan Wright looked good as long as he lasted.

Cobe's two mile was a snap for him. Watch him develop in another month. Also Bergen, who surprised every body, even himself by taking the mile almost in a "walk-in".

Gautsch did a nice job of starting the races. Which fact makes us wonder what York high has this year. We see Sam Francis doesn't limit

his abilities to an All-American rep on the gridiron. He pasted up a new shot put mark for the "would-be's" to shoot at, in the Texas Longhorn relays. He also took a first in the discus.

That's all, blokes.

## York Will Sponsor Play Day for High School Girls

**Y. H. S. and College Will Entertain on April 24; 25 High Schools Invited**

On April 24, girls from the high schools in this vicinity will gather at York College for a play day sponsored by the York High School G. A. A. and the Women's Athletic Association of York College. At this time the girls will participate in games and athletic events.

Invitations have been sent to twenty-five high schools in this locality. Several of the schools represented are coached by York College graduates.

The guests should be on the campus at 10:00. The day's activities will begin with a volleyball game under the direction of Patricia Steen. Following the game, various sports will be in progress. Evelyn Beason will conduct the badminton game. Archery, deck tennis, and shuffle board will be offered by girls from Y. H. S. Tennis will be supervised by Mildred Beason and Leta Yost on the Y. C. courts. All will participate in a basketball game which will be followed by skill tests, of which Vesta Gross and Lois Miller are in charge. These will consist of basketball throws, free shots, and events that are prevalent in physical education.

Arrangements have been made for a picnic dinner on the campus at noon. Hot dogs and coffee will be in evidence at this time also. During the noon hour music and skits will be presented. These activities are directed by Lucille Heins, Lucille Hall, Janet Ericsen, Irene Hofgard, Mary duRand, and Marjorie Dudek.

Kittenball on the girls' diamond will follow the noon hour. It is in charge of Y. H. S. girls. A track meet will be on deck the remainder of the day. It is being arranged by Verlon Lutz and Louise Scamehorne. Awards are being granted for high scorers of the meet.

Gwendolyn Hoofnagle and Shirley Young will direct registration. Sally Rasp, Doris Grewell are the information committee. Norma Harris and Leona Berry are check room girls.

General chairman of this activity is Leta Yost assisted by Miss Wake-lin and Miss Pospisil of Y. H. S.

This activity will serve as a supplement to the boys' invitational track meet that is held every spring. Anyone is invited to witness any event of the day.

—Y. C.—

### PLAY CAST IN THREE PERFORMANCES SUNDAY

Lincoln, Nehawka, and Julian United Brethren churches entertained the Life Work Recruits play cast for "Operation at One" last Sunday.

The group presented a program in the morning at Julian and in the afternoon at Nehawka. The evening performance at Lincoln was preceded by a tea given by the young people of the church for alumni and friends of York College. Professor Warren Baller, '23, formerly a member of the local faculty and now with the University of Nebraska, was the master of ceremonies. Several of the visiting group contributed musical numbers to the program.

Those making the trip were as follows: Edith Rabuck, Patricia Steen, Jean Mattingly, Dorothy Riggs, Marjorie Cook, Bernice Strickler, John Dowd, Bernard Cook, Erwin Branson, Merrill Day, Lawrence Deever, and Guy Ordway.

### Musical Miscellany

Students of Muriel Thomas Clarke were presented in a violin recital at Hulitt Conservatory on the evening of March 23. The following students took part: Nancy Lee DeCamp, Mary Margaret Holdeman, Sylvia Anderson, Patsy Neville, Barbara Partlow, Mary Agnes Schark, Bobby Moomey, Esther Brehm, Bobby Swan, and Winifred Ordway.

The ERO trio, composed of Emma Murphy, Ruth Alleshouse, and Olive King, presented special music for the Strang P. T. A. on Tuesday evening, March 30.

Miss Hazel Emma Morgan substituted as organist at the Methodist church Sunday evening, March 28.

Miss Betty Perry, piano student of Miss Eda Rankin, will be presented in a recital at the United Brethren church on Monday evening, April 19.

Miss Marjorie Cook, accompanist for Mrs. Clarke, was in Geneva last Friday, April 2, when she accompanied several violin students who participated in the district music contest.

Miss Mary Armstrong, student with Miss Eda Rankin, won a superior rating at the local music contest and went to Geneva on April 2 to contend in the district contest.

Miss Irene Hofgard continues to be kept busy assisting with local musical programs. On Saturday, March 27, she presented two solos for the D. A. R. meeting at the home of Mrs. Earl Williams, and on the following day contributed the contralto solo "He Shall Feed His Flock" for the Easter cantata which was given at the local Methodist church.

### ADVANCE PROGRAM ACCEPTED BY BOARD OF TRUSTEES

(Continued from Page One)

music was furnished at the church by the college chorus. After an introductory talk by Pres. J. R. Overmiller, Dean C. E. Ashcraft spoke on the "European Challenge to the Church of America". Following the program, the college students gave a reception for visiting ministers.

Wednesday's program included a talk on the adult movement by Dr. O. T. Deever, a chapel address by the Rev. G. E. MacCanon, Supt. of the Iowa conference, a discussion led by Dr. Deever on adult work, a review of summer camps and training schools by Dean Ashcraft, the Rev. W. Z. Henline, and the Rev. Paul Clark. On Wednesday afternoon, Dr. W. E. Bachman spoke on religious courses in a church college, Pres. J. R. Overmiller outlined a forward program for York College, and Dean Ashcraft and Bishop A. B. Statton led a discussion on this program.

Dr. Maurice Nichols presided at the Wednesday evening session, at which time Bishop Statton delivered the

### PALS AND ZETAS MEET FOR JOINT PROGRAM

Speaking on why it is easier to fall in love in the springtime, Irvin Lewis centered his remarks around the story of Whirling Joe at a joint meeting of the PALS and the Zeta Literary Society last Tuesday evening in the Zeta hall.

Other numbers on the program included a piano solo by Leona Berry and vocal solos by Winifred Moore and Robert Rouch. Separate business sessions preceded the joint program.
