Flora Blakeley Will Be Crowned May Day Queen

Dorothy Riggs Is Maid of Honor; Program Includes Play, Music

Miss Flora Blakeley, senior from Kearney, has been announced as the May Queen elected by a vote of the student body last month. Contrary to custom of previous years those in charge of the May Day Fete have revealed the identity of the Queen be-

fore the crowning ceremony. She will be honored at the annual program to be given this year north of the administration building on May 31 at both 4:00 and 8:00 performances.

In her three years here Miss Blakeley has held numerous offices in school organizations and has been active in all campus activities. Her maid-of-honor as she ascends the throne will be Miss Dorothy Riggs, sophomore of Hudson, Iowa, who serves in that capacity as president of the Y. W. C. A. A complete list of the attendants to the queen is as follows: Leta Yost, Irene Hofgard, Helen Smith, Dorothy Bittinger, Gwendolyn Hoofnagle, Isabelle Thompson, Shirley Young and Helen Johnson. The train-bearers will be Miss Wilma June Parker and Miss Jane McCormick. Carol Joy Scheme has been chosen as flower girl.

The festivities of the day will include a play under the direction of Miss Zelda Wakelin, a Maypole dance by members of the third grade from east ward grade school, folk dances, readings, and many instrumental and vocal musical numbers.

On Sunday, May 16, the play was given at Harmony and Aurora. This week's engagements, which will conclude the activities of the group, include Upland and Hastings. To date twenty-five performances of the play have been given.

Mrs. Pauline Glock of York will be toastmistress at the annual alumni banquet to be held during Commencement week on June 2, at 6:15 p. m. at the United Brethren church. ATTEND MEETING

In a meeting of the Nebraska Academy of Sciences in Lincoln on May 7, Prof. Chris P. Keim was re-elected as chairman of the physics section. Prof. H. C. Feemster also attended the meeting.

Seniors Are Guests at Banquet

In a flower garden setting which many termed "the prettiest I have ever seen", the junior class was host to the seniors at the annual banquet Thursday evening, May 13 at the United Brethren church. The theme of the evening was "Flowers" and the many fresh cut flowers and lilacs coupled with the lattice work and the artificial lawn served to emphasize the central idea.

Junior class president, Bill Curnutt presided over the three course dinner as toastmaster. Toasts were given by Dorothy Alexander, "Wandering Jews", Merle Blinn, "Clinging Vines", Helen Smith, "Johnny Jump Up", Fred Rasp, "Poison Ivy," and Warren Witham, "Four O'Clocks". The musical interlude introductions also followed the flower theme. The "Golden Bells", Ruth Alleshouse, Olive King, and Emma Murphy, played; the "Columbines", Bernice Strickler, Lorena Estey, and Creston Klingman, presented a combination xylophone, piano, and violin number; Neil Short, and his accompanist, Dorothy Foster, were presented as "Star Flowers". Max Riggs, representing a "Bleeding Heart", sang Jerome Kern's popular "Old Man River". At the close of the banquet, Toastmaster Curnutt presented Professor and Mrs. E. I. Doty with a gift as an appreciation of their service to the class.

Because of their representation in the state debate tournament in Lincoln, in March, Erwin Branson, junior of Lawrence, Kansas; Irvin Lewis, senior of Aurora; Dan Wright, freshman of Des Moines, Iowa; and Carol Thomas, freshman of Gresham, are to receive debate letters. Branson and Lewis debated in the class A division, while Wright and Thomas were represented in the B division.

Commencement Week Busy as Students End Year

Ten Events Comprise Closing Activities of Forty-Seventh Year

Ten major events, covering a four-day period, will comprise the annual Commencement Week program with which York College completes its forty-seventh year of service. The activities will begin on Sunday, May 30, and will conclude on Wednesday, June 2.

As the opening feature of the week's events, the college Christian associations will hold their anniversary program at the United Brethren church on the morning of Sunday, May 30. The Rev. Paul Herrick, Topeka, Kansas, will deliver the main address. The evening of the same day will find students and visitors gathering at the church for the annual Baccalaureate sermon to be delivered by the Rev. G. T. Savery of Lincoln. This service is scheduled to begin at eight o'clock.

Headlining the activities of Monday, May 31, will be the May Fete, a yearly event which witnesses the crowning of the May Queen, together with a program of music and dramatics. This function is always held on the campus when the weather permits.

The Senior Chapel, a presentation sponsored and staged by the graduating class, will initiate the events of Tuesday, June 1. Later in the day the annual banquets of the two literary societies will be held. Following the banquets, the groups will go to the main auditorium of the United Brethren church for their combined anniversary observance, scheduled to start at eight-fifteen.

Graduation exercises at ten o'clock Wednesday morning, June 2, will be held in the church. Speaker for the occasion will be Dr. Walter Aitken, pastor of the St. Paul Methodist Episcopal church of Lincoln. After the commencement program, York Scholars will hold their annual luncheon.

In the afternoon students, visitors and alumni will meet on the campus for a session of games and recreation, one of the features of which will be the playing of the final match in the Y. M. C. A. all-college tennis tournament. Closing the activities of the week will be the regular business meeting and banquet of York College alumni at the college church at six-fifteen Wednesday evening.

Yost and Witham Are Representatives

LETA YOST

WARREN WITHAM

Leta Yost, senior of York, was elected representative woman and Warren Witham, senior of Agra, Kansas, was chosen as representative man by a vote of the student body. They were chosen from the junior and senior classes on a basis of scholarship, leadership, personality, character, and personification of the ideals and spirit of the college. Miss Yost has been active in the Women's Athletic Association, while Witham as president of the "Y" Club has been an outstanding Panther, having been chosen as representative football man in connection with the football banquet last fall. Both have been interested in all campus activities during their four years here.

A Salute

With this final issue of the Sandburr, we pay special tribute to the seniors. The Marathon, our college yearbook, is published biennially and the members of the class of 1937 have come to the end of their respective undergraduate careers in the alternate year. In respect to this unfortunate circumstance it is our purpose to lessen their grief and to assure them that they will not be forgotten.

The graduating class will have no record of this, the climaxing year unless it be this paper. We would add to their memories this appropriate recognition of their graduation. We would not, however, presume for the Sandburr a position near the top of the trunk of souvenirs. We realize that our respectful regard is to them but a passing thought. Already they grow impatient at our opinions. Their associations of the past four years grow indistinct. For they have visions of the future although they think it weakness to admit it. We humbly submit our bit in the way of a toast by wishing that the best of success may crown the efforts of every individual member of the class of 1937.

The Ball Is Still Rolling

Agitation to promote the erection of an association cottage on the campus was apparently left in midair, and may be regarded by those especially interested as unfinished business. Investigation has revealed that the original idea was purposely abandoned. Explanation is therefore in order.

Although the desirability or necessity of the cottage seemed obvious, complications arose when all phases of the matter were considered in detail. A committee was appointed and in attempting to form a definite plan of procedure, three steps were outlined: (1) the location, erection and furnishing of the building, (2) the method of paying for it, and (3) the maintenance and management of it. While none of these three present insurmountable difficulties separately, collectively they have served to check the progress of the campaign temporarily. The plan is by no means forgotten, but perhaps the course of action must be changed or the magnitude of the project altered. This statement, however, is not intended to harp upon an impractical hope, but to explain the situation as it stands near the end of the school year.

Strangely enough the financial outlook was not the discouraging factor. There is usually backing for a worthy cause even though the discovery of that backing may involve great effort. Thorough consideration of the method of management, however, opened a new avenue of discussion, the possibility of a men's dormitory. It became evident that a full time dean of men would be necessary in either enterprise and that the cost of administration of a cottage would be essentially the same as that for a larger building. The advantages derived are not to be compared. The adequacy of a cottage after its completion is doubted. The erection of the latter might delay any definite action along a larger and more satisfactory line.

With these facts in mind the committee is leaving the problem in more financially capable hands. The need of a building on the campus has been presented, so the work of this committee has not been in vain. Unable to cope with the conclusion it reached, it has given its findings to higher authorities hoping that a new men's dormitory may be made an all college project or that news of our problem may reach the ears of some understanding donor.

Panthers Bid for Conference Title

Squad Loses Speece; Expect New Records in Meet at Hastings

As Coach Neal Gallant's squad of trackmen compete today for the N. C. A. C. championship title, they have the best chances of achieving that goal that any Panther team has had for a number of years. Besides rolling up 425 points in winning four of their six track meets this season, the squad has added seven new marks to the York College records with strong possibilities that one or two will be recorded today.

John Haberman's 10 flat in the 100 yard dash, Henry Bergen's 4:52.6 in the mile, Cobe's 10:47.4 in the two mile, Captain Smith's 15.2 in the 129 yard high hurdles, Max Quick's 21 feet 8 1/2 inches in the broad jump, and John McLaughlin's 11 feet 7 inches in the pole vault were all good for new records. Added to this was the time of 1:34.7 in the 880 yard relay which Ekdahl, Burch, Smith, and Haberman ran last Friday. The best previous time was 1:35 by Lutz, Speece, Tonkin, and Smith in 1936.

The Panther squad was expected to be near full strength today for the final test. Roy Speece, who could be counted on for points in the javelin and pole vault, will be out with an injured knee but other regulars are expected to be in shape.

Fellers and Quick have been playing around with Hart's 1921 shot put record of 42 feet 1 inch but as yet neither has been able to connect with a record-erasing put. Fellers threw the iron ball 42 feet 10 inches in an extra try during the Doane-York dual. Quick has had 43 feet and 44 feet on various occasions but has always had the misfortune to "scratch" slightly. Both will be heading for a first in the conference today and for a new York College record.

Sports by Burch

Only sixty miles away from the quiet lair of the Panthers a fierce battle is being waged for the N. C. A. C. track championship. If the Panthers can hold off the Tigers, out-scratch the Coyotes, and outrun the Broncos the trophy will be theirs.

Never before have the York men been considered contenders for the title held by Hastings for the last eight years. This morning twenty-one men headed by Coach Gallant and Captail Cecil Smith departed for the battle scene in the highest spirits. What will be the outcome remains to be seen.

The reporter desiring to get the view points of the team found these remarks on every one's lips. "The conference is ours", "Pity be upon you, Hastings" "I wonder if they will give us a banquet when we win".

"Hastings should win but York should be a strong second," said Ekdahl, leading sprinter.

"Dog eat dog," said the star hurdler, Smith, as he fondled an Encyclopaedia Britannica last Tuesday night in the library. "York has upset Hastings before and can do it again".

"Let me get another crack at those babies", exclaimed Lutz, as he brushed up on some MacGregor technique.

"I'm going to beat you next Friday," Max Quick remarked to Amman, Hastings weight man, after last Friday's meet. "If I have to throw that shot 46 feet."

Blinn talks in his sleep about the white sweater he is going to wear.

"Mumps or no mumps I'm going to give all I have," yelled Bergen, the outstanding miler.

"It's a cinch," declared Tonkin, the elongated half miler.

"It looks like a draw", said the McLaughlin brothers, "but the high jump and the pole vault are ours for sure."

Gallant, the erstwhile planner gives York a decided advantage in the field events. He says if Wesleyan will split the middle distance parade of Hastings York will be in there to the finish.

Cecil Smith, Panther captain, is closing his long and prosperous career today on the Hastings oval. Smith, probably the greatest trackman ever to wear the blue and white, is favored to win both hurdles, the high jump, and anchor the relay team. Here's luck to you, Smith, and to your hard working team.

LOSE ALL MATCHES AT HASTINGS

York tennis men fared rather badly in their match with the Hastings netsters at Hastings, Friday, May 14, the latter making a clean sweep of the matches.

Branson and Curnutt, offered the majority of the competition to the Hastings squad, Peterson and Gale being disposed of without much difficulty.

Gale replaced Marvel as number four man.

The results:

Lebar (H) defeated Curnutt (Y) 6-0, 4-6, 6-2.

Starr (H) defeated Branson (Y) 10-8, 6-3.

Dowling (H) defeated Peterson (Y) 6-0, 6-3.

McLaughlin (H) defeated Gale (Y) 6-1, 6-1.

Lebar and Ames defeated Curnutt and Branson, 6-4, 6-4.

Dowling and Dowling defeated Peterson and Gale, 6-4, 6-3.

Track Team Takes Second Place in Triangular Affair

With ten of the regular point winners at home for various reasons, the York Panthers were forced to be content with second place in a triangular meet at Hastings last Friday. Hastings blew in with 81 1/2 points to take first place, York totaled 45 1/2, while Doane finished with 32.

Only eleven men were taken to the meet. However, nine of them were point winners, eight of these being third or better. Haberman split the breeze to tally firsts in the century and 220. Smith took the low hurdles and tied for first in the high jump.

Hastings totaled seven firsts, five of these in track events. Doane was forced to be content with three first places.

York's point winners and marks of the various events:

100 yd. dash—Haberman, first; Ekdahl, second; 10.5.

120 high hurdles—Smith, second; Burch, third; 16.2.

Mile—M. Bedient, fourth; 4.48.

440 yd. dash—Wright, fourth; 51.5.

880—Time—2:07.3.

Two mile—time—10:31.

220 low hurdles—Smith, first; 26.6.

York Repeats Win Over Doane Squad

Take Nine Firsts; Cobe Sets Record; Tonkin Scores Double

Capturing nine first places, the York College Panthers took the Doane Tigers to a cleaning on the local track Friday, May 7, by a score of 82 to 49.

Cobe pounded out a new school record in the two mile, making the eight laps in 10:47.4, chopping five and two-tenths seconds from his own record of 10:52.6. Fellers in the shot put, tossed the pellet 42' 10" in a try for the school record. Tonkin grabbed firsts in the 880 and the 440.

Ekdahl breezed in against the breeze in the century with a mark of 10.3 and also followed Clark of Doane to the tape in the furlong to take a second in that race. Captain Cecil Smith and Doane's Paul Baker in their usual hurdle dual, left Baker to the good with two firsts while "Smitty" trailed him in both races. Depoyster of Doane also spun the platter some 129' 8 1/2" for one of Doane's two weight event firsts. Redman coming to the fore in the javelin toss.

The summary of the meet, York winners were:

Record of Original May Day Fete Found in Snapshot Album

By Wayne Dahlstedt

Years ago, in the spring of 1914, when extremely pointed toes on women's shoes were the latest in fashion, and when men wore high, stiff collars that enveloped their necks, York College established a precedent that is still anticipated with enthusiasm and careful planning, the May Day Fete.

In the election of the queen for that year, a unique plan of balloting was introduced instead of the usual one of limiting one vote to every student. Then, in an effort to raise money to send a delegate from the Y. W. C. A. to the Estes Park Conference, they yielded to the atmosphere of graft and ballyhoo that sometimes penetrates seemingly harmless college elections, and charged one cent a vote, the only limit being lack of funds. The determined Commercial department produced a swarm of pennies for ballots and swept their candidate, Miss Hannah Forbes, who is now Mrs. John Guthrie of Laramie, Wyoming, into office. This is the only time a May Queen has been elected from the commercial department.

In Miss Callender's snap shot album are pictures of the regal ceremony that was presented in 1915. It is revealed as a little less expensive than the pomp of the recent English coronation, but the smiling countenances that flash from the pictures prove that those participating enjoyed their exalted positions.

That day the queen, Miss Nina Belle Caldwell, a cousin of Evalina and now Mrs. W. W. Graham of Elgin, Nebraska, was carried sedately in a May basket fashioned from a chair wrapped in crepe paper with a high arch of flowers for a handle.

The four college men that carried the improvised May basket were: W. E. Cobe, now known on the campus as Jarvis' father and the pastor of the Shiloh church near Benedict; L. R. Gregory, now president of a normal school in New York; P. V. Burke, business man of Sacramento, California; and Paul Porter, now pastor of the U. B. Church in Aurora and formerly the York College pastor in York.

The entire formal act took place on the southwest part of the campus. There the queen sat demurely and, surrounded by her attendants, watched the antics of a group of ladies as they danced the Highland Fling in realistic Scotch costumes borrowed from a lodge named the "Royal Highlanders". The picture that is found in Miss Callender's album, depicts the dancers as having been in a very vigorous mood as they hopped about with their kilts askew.

Included in the group that entertained the queen with their dancing were Mrs. Amadon, the wife of the Dean of Hulitt Conservatory; Mrs. J. C. Morgan, wife of Prof. J. C. Morgan and mother of Hazel Emma; and Mary Holm, who is now Mrs. Si Partlow.

The queen's attendants were: Jane Muir, mathematics teacher of York high school; Rose Weber, now Mrs. Archie Turnbull of Bradshaw; Mary Rankin, Latin teacher at the Columbus high school; Nina Francis, now Mrs. Paul Porter of Aurora; Myrna Hall, now Mrs. Kincaid of Aurora; and Ruth Callender, now a mathematics teacher of York high school.

Students Should Welcome Alumni

Wilhelmina Feemster Gets Scholarship

By Prof. J. C. Morgan
Fellow Alumni and students:

In the previous issue of the Sandburr we tried to urge as many of the alumni as possible to be present for the commencement programs. In this issue we should like to urge the student body to make them welcome. We admit that it may not be an easy thing to do. It may be difficult for each to understand the attitude of the other. The world of the alumni has changed; it is quite different from the world of campus activity. So when an old grad comes back, don't say or act, "What brings you here?" but take his hand and make him welcome. Make the alumnus feel that he is as much a part of the campus life as he ever was. For he, too, was once playing a big part on the campus just as you are now. This admonition applies to faculty as well as students.

So, alumni, come expecting a real welcome, and feel again the old school spirit. It will be fine both for you and for those who now make up the campus life.

Miss Wilhelmina Feemster '31 who has been teaching for the past two years at Indiana Central College, has received a scholarship at the University of Chicago where she will work for a doctor's degree next year. Her work will be in the classical languages and ancient history.

Announcement of the approaching marriage of Mr. Elmer Mahlin, '31, has been received. He has spent the past year at the University of Nebraska working for his master's degree.
