MAKE ADDRESSES AT ANNUAL CLOSING EVENTS

Are Sunday Speakers

The service conducted jointly by the Christian associations in the morning and the baccalaureate service honoring the twenty-two seniors in the evening effectively closed the last Sunday of the school year. The Rev. W. Z. Hen-line from Waterloo, Iowa, was the speaker for the morning service, and the Rev. C. O. Main from Kansas City, Kansas, brought the baccalaureate message.

It has been the custom for a number of years for the Young Men's Christian Association and the Young Women's Christian Association of the college to prepare the program for the morning of the last Sunday. The presidents of the two organizations presided, Irvin Wall representing the Y. M. C. A. and Lois Miller representing the Y. W. C. A.

The Rev. Mr. Henline used "He Came to Himself", as the topic for his sermon. Music for the service was furnished by the college male quartette, and the choir with Miss Rankin at the organ. The quartette composed of Gerald Dierdorff, Alden Marvel, Glenn Graham, and Bob Gale sang, "1 Could Not Do Without Thee", by Could Not Do Without Thee", by Parks and the choir sang, "Hark, Hark! My Soul", by Shelly. The invocation was by the Rev. A. L. Deever and the benediction by President J. R. Overmiler. Lois Miller read the scripture and Lawrence Deever and Dorothy Riggs led in prever led in prayer.

Recruit Play Cast Appears 22 Times

The Life Work Recruit play cast traveled a total of 1697 miles during the past five months, presenting the play, "The Rose on the Dial", to twenty-two congretions in Iowa and Nebraska. The longest trip of the season was a tour of 1085 miles in Iowa, March 18 to 23.

A total of \$281.95 was taken in as free-will offerings to apply on the African Project which supports a missionary in Sierra Leone, West Africa. Vaughn Leaming, Dawson, Iowa, a junior of York College, will represent the entire United Brethren Church and its five colleges as he starts June 4 for Africa as a missionary and teacher to work there for the next two years.

Total expenses of the play cast were \$149.87 including costumes, most of the expense of transportation, and incidental traveling expenses. The total amount turned to the fund was \$132.08.

The College itself paid a part of the expenses by furnishing a car on most of the trips. The cast traveled in seven different cars and a house trailer to fill its engagements.

Rain Is Theme As Zetas Banquet

"Rain", the motif for the Zeta banquet held Monday night at the Presbyterian church, was evident in decorations and favors; the program, with Jarvis Cobe as toastmaster, was also indicative of a rainy theme. Hazel Emma Morgan's toast brought "Clouds" upon the horizon, Maxyne Hylton furnished musical "Lightning", followed by a "Lull", as Marvin Ives gave a toast. Waldo Dahlstedt "Thundered" musically, and Henry Hansen produced a "Down-pour" of words in another toast. Jane Caldwell rendered a vocal "Shower", Lois Cobe brought "Sunshine" in a toast, and Doris Goodrich ended with a

Marathon Takes Place Of Sandburr Sentiments

By this time the senior has already grown weary of the endless round of felicitations and best wishes from his undergraduate friends. The Sandburr must chime in with congratulations and should, as the voice of the entire college, express the feelings of the senior class as it receives its discharge papers. The former duty is personally accomplished for we have penned a few lines in the yearbook of nearly every member of the class. In a trite manner but as sincerely as we are able we have expressed our appreciation for the presence of the seniors now and our sorrow at their departure. It is unnecessary here to reiterate our sentiments.

Therefore, dear senior, to replace the farewell editorial and to give sufficient space to the recounting of the year's closing activities, we refer you to your Marathon where you will find "the best of luck's", "the good wishes", and the "remember when's" of the rest of us, who are your enthusiastic public. Whether written in all seriousness or in a lighter vein, the words we have written nevertheless represent our respectful recognition of your achievements.

The emotions the senior experiences will come next year for us, and soon enough. To anticipate them leaves us without words.

Star Reporters Honored At Close of Year

By Lois Johnson

Due to the pressure of many events, only fifteen members of the Press Guild attended the picnic, which closed its activities for the year, at the city park Wednesday evening, May 25. As the weather was favorable, the feature of the evening was roasting frankfurters and marshmallows. Ice cream and cake were treats from the faculty adviser, Miss Edith Callender.

The work of writing for the Sandburr has largely devolved upon beginners, who made up the newswriting class. With the organization of the Guild a plan has been devolved to maintain interest among the more experienced writ-

The purpose of the Guild, which was organized last October, is to promote interest in writing for publication and to provide suitable copy for the Sandburr.

The Guild started with nine charter members. They are Erwin Branson, Wayne Dahlstedt, Vaughn Leaming, Norma Harris, Mary Margaret du Rand, Hazel Emma Morgan, Barney Rees, Lawrence Deever, and Bernard Cook. Professor Edith Callender is the faculty adviser. Since then thirteen more have qualified for membership. To date there have been thirty-four contributors to the paper.

With each issue a record is made of those who contribute the most inches of printed matter and this record is posted. Of all the issues throughout the year next to the editor, Dahlstedt leads with an average of fourteen inches an issue. Branson is second with an average of thirteen. Other leaders with an average of nine inches or more are Henry Hansen (second semester), eleven; Lois Johnson (second semester), eleven; and Maurice Herrick, nine.

Star reporter is the term used to denote those who have seventy-five inches or over for the year's work. The following are the Sandburr's stars: Wayne Dahl-

stedt, Erwin Branson, Maurice Herrick, Hazel Emma Morgan, and Vaughn Leaming.

Every two weeks the club has met for business meetings and programs with occasionally a social meeting. The Sandburr room is to be rearranged so that each reporter will have a desk and the meetings will be held there next year.

Competitive newswriting has been a feature of the Guild this year. Awards in the five divisions will be announced this week. The winner of each division is to be given a guard for his Guild pin, a Y. C. with a quill. These pins for active members, were recently selected and ordered by the group. Next year the plan is to have a 3:00 o'clock class, probably on Wednesday, to devote part of the period to business meetings and part to programs. By this new organization the journalism department will be strengthened. There will be a librarian, and different ones will have charge of the records of inches printed, in fact each member of the staff will have a particular task to perform.

Panthers Finish Second To Powerful Hastings Squad In Conference Track Meet

REES BREAKS CONFERENC E RECORD IN TWO MILE RACE;

QUICK MAKES 11 1-3 POINTS

How they finished: Hastings, 60 5-6, York 36 5-6, Wesleyan 35 5-6, Doane, 29 1-2, Midland 1.

Paced by Max Quick and Barney Rees, the York cindermen finished second in the tenth annual N. C. A. C. track and field meet May 23, on the Hastings track. The strong, well balanced Hastings crew was the winner. In the course of the meet, four new conference records were set and one old record was tied. In addition to the conference records made, five new York college records were set by York men, one of these also being the new conference two-mile record made by Rees.

Keith Homan of Hastings set the first record when he ran the 880 yard dash in 1:56.5.

In the most outstanding race of the meet. Rees set the next record in the two-mile event with a time of 10:08.6. Dale Garrels of Doane made the race interesting with his strong back stretch challenge.

Having eliminated all competitors in the pole vault. Jack Sloey of Doane continued to vault until he set the next record at 12 ft. 5 inches, for this event.

Wesleyan's 880 relay team set the last record of the day when it covered the distance in 1:30.2. Earlier in the meet Merle Randall of Wesleyan tied the 220 yard dash mark of :21.8.

Of the five new York college records, Quick made three, in the broad-jump, shot-put, and the discus. The first two of these were good for first places in the meet. Henry Bergen again broke his own mile record although he finished a close second to Pool of Hastings. Rees made the fifth York record.

Burroughs of Wesleyan was high man of the meet with 14 1-4 points, scoring two firsts, a second, and running on the winning relay team. Quick was second high with two firsts, a fourth, and

Quick Leads Panther Record Breakers

By Henry Hansen It may be of interest to note the new York college track and field records, and especially the number of them set this year.

Max Quick, versatile field man, heads the list with three new records all of which he made in the conference meet at Hastings. Quick's broad jump of 22 ft., 1 1-4 in.. was good for a new record, and his distance of 44 ft. 2 in.. in the shot put also set a record. Although Quick has tossed the discus over 135 ft. in practice, his best mark in competition was the 122 ft., 11 3-4 in. he made at the conference meet. Therefore the competition mark is the one that must stand.

John Haberman set a new record in the 100 yd. dash earlier in the season at Doane when he made a time of :09.9. Because Haberman had the wind to his back, this record was contested,

but it was finally voted as official.

Barney Rees' time of 10:08.6 in the two mile is not only good for a York college record, but it is conference record that will be hard to beat.

The sixth and last record is in the mile. In almost every meet this year the old record has been broken by either Henry Bergen or Elmer Buller until Bergen finally brought the time down to 4:37.2 in the conference meet.

Wesleyan Wins N. C. A. C. Tennis

For the second straight year there was no final match in the N. C. A. C. tennis tournament held on the York courts, Monday, May 23. The explanation lies in the fact that again the sole survivors of the elimination rounds were two Wesleyan netmen, Luther Powell and Elbert Souders, who chose to wear the crown jointly.

In the doubles two other Wesleyan stars, Barret and Taylor, won their final match from the Dowling twins of Hastings to gain the championship in that division.

The two York singles entries, Jerry Dierdorff and Bill Curnutt, were both eliminated in the openof Hastings. The Panther doubles team of Alden Marvel and Erwin Branson sank the Hastings team of Greenwood and Jones, 7-5, 3-6, 6-0, but lost to the first place Wesleyan duo, 6-3, 6-4, in place west, the semi-finals. —Y.
