New Y Club Heads Chosen

Officers to serve for the coming year were chosen at the annual spring over-night outing of the "Y" Club, held on the Blue river near McCool last Tuesday night.

The new officers are as follows: John Haberman, York, president; Charles Whitney, Aurora, vice-president; Don Eberhart, Lincoln, sec'y-treasurer; Burton Feaster, York, sergeant-at-arms; and Ferdinand Saindon, Palco, Kansas, Student Council representative.

DELTA LAMBDA MU WILL ENTERTAIN HONOR GRADS

Delta Lambda Mu (York College Honor Society) will entertain the honor graduates of the class of 1939 at a tea in the United Brethren Church parlors on the afternoon of Commencement Day, May 31. There will be an initiation ceremony, and an address by Dr. W. B. Johns, '01, of the University of Nebraska. A vocal solo by Mrs. Hermann Glock, '18, and an instrumental solo by Miss Thelma Gilmore will complete the program.

The President Says:

In saying farewell to the class of 1939 my personal regret is that I have known them for a brief nine months only. I appreciate the variety of abilities possessed by the students who make up this class. They are outstanding in every activity of our college life. They go to their new spheres of service well equipped and capable of fine things for themselves and the society of which they are a part. York College is proud to be their Alma Mater and will delight in their useful and capable careers. In their train follow the scores of young men and women who make up our student body. These, too, I value for their fine potentialities and to them I say a brief farewell as I anticipate the pleasure of greeting them as they return next September bringing a great class of freshmen with them to make our semi-centennial year the greatest in the history of York College.

Cordially,
D. E. WEIDLER,
President.

FACE BACK, TRIMMINGS GONE

A familiar face, but without the trimmings, that has been seen recently around the campus is that of Alfred Kamm, who attended school here last year and has been employed as a musical and recreational director at West Point, Nebraska this past year.

Kamm was here these last few weeks of the college year rehearsing with the male quartet that is to perform in the field for the college this summer. It seems that the boys didn't particularly appreciate his moustache for some reason or other, so "Al" was compelled to shave. Now everyone on the campus is in constant bewilderment as to the identity of the two Kamm brothers.

The newly elected editor and business manager wish to take this opportunity to thank the old officers and the staff for their help on these last two issues of the Sandburr. Without their splendid cooperation, publication would have been impossible.

Doris Goodrich, Barney Rees, Alden Marvel, and Harold Miller plan to do graduate work. Ralph Jordan will continue his medical training in the Eleanor Taylor Hospital in Kansas City, Kans. Bob Gale is interested in the field of research chemistry. Dulcie Overmiller will go on being a housewife.

HASTINGS WINS TENNIS MATCH

In their last match of the season, with only the conference tournament left on their schedule, the York netsters lost to the smooth working Hastings aggregation by a score of 7-2.

Keith Roberts, captain of the York team, won his singles match from Dave McLaughlin 6-0; 7-5; to get the team off to a good start; however, his example was not followed by his teammates, and York did not mark up another win until the final doubles match when Nelson Ronne and Ferdinand Saindon defeated Ted Greenwood and McClelland 6-2; 6-2.

In singles Roberts (Y) defeated McLaughlin (H) 6-0; 7-5; Jones (H) defeated Dierdorff (Y) 7-5; 6-4; Phil Dowling (H) defeated Marvel (Y) 6-2; 10-2; Don Dowling (H) defeated Thomason (Y) 6-3; 6-3; Greenwood (H) defeated Ronne (Y) 6-4; 6-3; McClelland (H) defeated Saindon (Y) 6-1; 2-6; 6-1; in doubles, Don and Phil Dowling (H) defeated Roberts and Dierdorff (Y) 6-4; 6-4; Jones and McLaughlin defeated Marvel and Thomason 6-4; 7-5; Ronne and Saindon (Y) defeated Greenwood and McClelland (H) 6-2; 6-2.

In golf the York pair were out stroked by the Hastings crew in a well played match. Fuhr (H) defeated Gale (Y) 79-88; Pyne (H) defeated Peterson (Y) 83-87.

A short business meeting with devotions in charge of Bernard Cook was held preceding the program.

Professor J. C. Morgan entertained the members of the Life Work Recruit Society on the evening of May 17 at his home. A social evening of games and songs was enjoyed, with light refreshments being served at the close.

TEAMS GIVE SERVICES

Two gospel teams presented morning services at Shelby and Marquette on May 7. The Recruit quartet, composed of Jerry Dierdorff, Marjorie Cook, Lois Miller and Junior Heatherington, sang, and Lawrence Deever delivered the sermon.

Marlin Bedient also took charge of the May 14 services at Arberville. Russell Dunlop gave the address pertaining to Mother's Day. Bertha Riggs sang, accompanied by Dorothy Riggs, and Bill White read. At the evening service, Cast A presented "Brothers" at the same church.

Another team, headed by Charles Scott, conducted the services at Prairie Gem May 14. Bernard Cook, Leona Barrie, Doris Johnson, and Willis McMichael composed this team.

Y W SECRET CHUMS REVEALED

"Oscar Jones", alias Norma Harris, posing as an auctioneer, revealed the identity of secret chums at the Y. W. C. A. picnic May 9. Fifty girls enjoyed games and weiners at the city park under the direction of Lois Miller.

"To be charming you must be physically clean, mentally alert, and spiritually deep." Such was the substance of the talk given by Miss Mabel Young, secretary to the superintendent of York schools at Y. W. C. A. May 16. Dorothy Riggs led the singing of two hymns.

REV. COOK HOST TO PLAY CAST

Pleasant memories returned to Cast "A" of "Brothers," the Recruits play, when the cast and its director were guests of the sponsor, Rev. Harry M. Cook, and his wife, Mrs. Cook. The informal party was given at the Cook home, Friday evening, May 19.

After a social hour of games, the cast repeated parts of the play, and Mrs. Cook, assisted by her daughter, Marjorie, and Lois Miller, served a lunch, consisting of sandwiches, wafers, iced tea, and ice cream.

The members of the cast were Lois Cobe, Regina Heatherington, Bob Jones, Jack Miller, Elmond Holbrook, Warren Neal, Charles Scott, Levi Huebert, and their director, Edith Huebert. BETTER CHAPELS AND DANCING DISCUSSED

BY THE Y. M. C. A.

Realizing that York College and dancing could never walk hand-in-hand, the Y. M. C. A. showed an open-minded spirit May 16 by discussing dancing as an extra-curricular activity; also the advisability of continuing compulsory chapel. The definite good that each student derives from chapel was creditably expounded and unanimously acclaimed. Suggestions for varying the penalty for chapel "cuts" were received, and constructive criticism was requested by faculty members. Dean W. E. Bachman pronounced the benediction.

SPORE MARRIES DENVER GIRL

Another matrimonial venture was added to the ever-increasing number when Robert Spore, junior, son of the Rev. C. E. Spore, was married to Miss Helen Hoyt of Denver, Colorado, at McCool last Saturday morning.

Miss Hoyt, who has been employed for some time in Denver, was formerly a resident of Cowles and also of Inavale where she graduated from the high school. She was later a student at Kearney State Teachers College for one year. Her acquaintance with Spore began when they were both residents of Cowles several years ago.

The couple plan to reside temporarily with the groom's father at his residence in this city.

Seniors of '38 Plan Marriage

The marriage vows for Bernice Strickler, '38, Parks, and Merle Blinn, '38, Fellsburg, Kansas, will be read Sunday, May 28, by the bride's father, Rev. L. E. Strickler of Peru, at the Julian United Brethren church, at 3:30 p. m.

The bride's sister, Esther Strickler, '29, and Jarvis Cobe, '40, will act as the maid of honor and the best man for the ceremony. The bride will wear a powder blue lace street dress.

Hazel Emma Morgan will play the wedding march. Bertha Riggs and Gerald Dierdorff will sing the duet, "I Love You Truly". Lois Miller's marimba music will be a background during the ceremony. Doris Johnson and Marjorie Cook are to act as ushers.

Miss Strickler is remembered for her musical talent in college. She was elected York College Representative Woman for 1938, and she took an active part in many college organizations and activities. She traveled in the surrounding states as a representative of York College during several summers.

Mr. Blinn was elected honorary track captain for the 1938 season, and was an active worker in the Life Work Recruits, PALS, and the Y Club.

Miss Strickler has been teaching at Parks this last winter. Mr. Blinn has been preaching at the United Brethren Church at Fellsburg, Kansas, during the last year.

"Sports Shorts"

"MORRIE"

Max Quick, nucleus of this year's second place winning team, had another busy day at Hastings last Friday. "Muscle Max" broadjumped 22 feet 6 1/2 feet to set a new conference mark in that event. He also found time to win the shotput, place second in the discus, third in the javelin, and jump to a four way tie in the highjump. He was high scorer with 15 1/2 points.

Quick's 165 foot cast of the spear was one of the surprises of the meet. Friday was the first time that "Dunk" had ever thrown the javelin, and with a little more practice, he might have won this event.

The major portion of Wesleyan's points in the conference meet were due to the splendid performances of the Plainsmen's tall, serious, speedy twins, Merle and Kyle Randall. Both ran in Wesleyan's winning mile relay, Merle won both the 100 yard and the 220 yard dashes, Kyle won the 880 run, and they tied for second and third in the 440 dash almost a dead heat with Bartley, their teammate, who won the event.

David substituted a tennis racket for his sling-shot last week, but he was unable to kill his big foe this time; in fact, he didn't even defeat him. Keith Roberts, (Y. C.) defeated Dave McLaughlin, Hastings diminutive ace in their match when their respective colleges met in tennis.

A Panther who came through when the going became really tough was "sky-climbing" Burton Feaster. Bud had not vaulted over 11 feet 8 inches in his athletic career, but on Friday he came through with a mark of 12 feet 1 1/2 inches to clinch third place honors and forced the winner, Sloey of Doane, to set a new record. The grin on Feaster's face after he had reached earth again, indicated he also was pleasantly surprised.

I. Doty, sponsor.

PANTHERS MEET WESLEYAN

In their second meeting of the season, the Panthers were able to win only one match from the Wesleyan Plainsmen. Nelson Ronne beat Metzler of Wesleyan 6-2 and 6-3. Roberts (Y) lost to Souders (W) 6-1 and 6-2; Dierdorff (Y) was trimmed to the tune of 6-4 and 6-2 by Keith (W), while Saindon (Y) succumbed to Geis (W) 6-2 and 6-3.

In the doubles Powell and Souders trounced Roberts and Dierdorff 6-3 and 6-0, while Keith and Geis romped over Ronne and Saindon 6-3 and 6-1.

Netmen End Tennis Drought

The Panther tennis team was successful in a meet with the Midland Warriors at Fremont, May 9. The Panther golfers lost their match to the Warriors.

In a six match tennis combat, the Panthers took all but one doubles tilt, but the Warriors made a clean sweep of the two golf matches. Myron Draemel defeated Raymond Peterson, 2-0, and Nels Nelson defeated Bud Feaster, 3-0, to clinch the golf meet for Midland.

The tennis results: Roberts (Y) defeated Carlson (M) 6-1, 6-4; Dierdorff (Y) beat Johnson (M) 8-5, 6-3; Thomason (Y) beat Fred Larson (M), 6-3, 9-11, 7-5.

Doubles: Kenneth and Paul DeFreese (M) beat Marvel and Thomason (Y) 6-3, 6-2; Roberts and Dierdorff (Y) turned back Johnson and Carlson (M) 7-5, 6-4.

PRES. SPEAKS

President D. E. Weidler addressed two district groups on Sunday, May 7. In the morning he spoke at the Caldwell Memorial United Brethren Church in Lincoln, and in the evening at the United Brethren Church at Panama.

HASTINGS WINS LOOP PREVIEW

An indication of what might be expected in the conference meet was given at Hastings May 11 when York placed second in a five way meet. Hastings, with its customary strong team led with 51 1/2 points. York's efforts netted 35 1/2 points. Wesleyan was third with 33, Doane fourth with 29 1/2, while Omaha trailed with 15 1/2 points.

A record was broken and one tied. John Haberman clipped three tenths of a second from the Panther school record of 22.8 in the 220, and Jarvis Cobe tied the existing record of 4:36.8 in the mile run. Neither was good for a first place. Max Quick won the Panthers' only first with a mark of 132 feet, 11 1/2 inches in the discus throw.

In the mile, Cobe and Bergen won second and fourth, respectively. H. Haberman eked out a third in the 120 yard high, and a fourth in the 220 lows. Gassman gained a second in the latter event. Cobe added another second in the two mile. A second in the 880 relay ended the Panthers' scoring in the track events.

Feaster scored a second in the pole vault, and Gifford tied for third in the vault and in the high jump. McLaughlin placed second in the latter event. Quick added to his scoring with a second in the shot and a fourth in the broad jump.

Max Quick of York set the pace with 17 points, Nielson of Nebraska Central was next with 14 1/2 points, while Baker of Doane was third with 11 points. Quick gathered his points in the shot put, discus, and the broad jump, where he took first places and in the high jump where he won a three way tie for second. Quick set a new school and conference record in the discus with a heave of 142 feet 8 inches. He set the mark while trying for the new school record. He previously had won the discus throw with a toss of 138 feet 2 inches.

MAX QUICK

QUICK LEADS ATTACK ON COLLEGE RECORDS

Five York College records have fallen by the board this season in track and field competition. Three of them were made by Max Quick but they only cracked the marks he set in the same events last year.

Quick's mark of 22 feet, 1 1/4 inches was raised to 22 feet, 9 inches. He boosted the shot out 46 feet to better his last year's best mark of 44 feet 10 inches. His discus throw of 142 feet bettered the old mark of 123 feet. John Haberman ran 220 yards in 22.5 seconds. The former time of 22.8 was set in 1935 by R. Merchant. In the conference meet last week Bud Feaster sailed 12 feet, 1 inch into the air with the aid of a pole to crack John McLaughlin's 1937 record of 11 feet 7 inches.

Y CLUB MEMBERS WIELD PADDLE

"Tip your hat, punk". Y club members were big shots yesterday when all men of the campus were required to wear hats and to tip them to every member of the Y Club they met. Y Club Day, an annual affair, followed the all-night picnic and initiation of the organization which took place on the Blue river. Members left at 7:00 and according to custom no one slept during the night.

Five new lettermen were initiated: Wes Thomason and Keith Roberts, tennis; Lynn Crone and Lawrence Gassman, track; and Harvey Peters, basketball.

Zoology Class Travels Professor W. C. Noll accompanied twenty-five members of the vertebrate zoology class to Lincoln May 16 to go through Morrill Hall.

Quick Is Main Cog Scoring 15 1/4 Points; Breaks Broad Jump Record

For the second consecutive year, Max Quick, junior, led the Panthers to second place in the N. C. A. C. track and field meet at Hastings last Friday. Quick was also an important cog in the Panther squad that placed second two years ago. His 15 1/4 points Friday topped all individual performances but the Hastings Broncos' strong crew won the meet with 50 1/2 points. York scored 37 3/4, Wesleyan 37 1/4, Doane, 35 1/4, and Midland 4 1/4.

Quick broke the conference broad jump record with a leap of 22 feet, 6 1/2 inches. The only other conference record to be broken was in the pole vault when Sloey, Doane, vaulted 12 feet 8 inches to break his own mark set last year. In the same event Burton Feaster, York junior, placed third but leaped 12 feet 1 inch to break the York College record by six inches. The record was held by John McLaughlin, senior.

Quick's winning toss in the shot put was 43 feet 10 inches. He scratched with a heave of 46 feet 2 inches which would have broken the loop record. His second place throw in the discus was far behind his season's best throw of 142 feet. Collecting five medals, Quick placed in every event he entered. In an effort to collect a few precious points he began hurling the javelin three days before the meet for the first time in his career. His toss of 160 feet was good for third place. Meanwhile he had taken time to scurry to the high jump pit and tie for fourth place.

Coach Gallant's squad placed in every event entered except the 100 yard dash. Cobe was second in the mile and third in the two mile. Rees, senior, the conference record holder in the two mile, has been out of competition this year with an injured ankle. H. Haberman was fourth in the high hurdles and second in the lows, Gassman following him in the latter event for a third. Other Panther point winners were McLaughlin, tie for second in the high jump, and J. Haberman, third in the 220 yard dash. Wesleyan in winning the 880 relay beat out by a scant foot the Blue and White quartet composed of Crone, Ekdahl, H. Haberman, and J. Haberman. The summary: Track Events Mile—Won by Cross, (H); Cobe, (Y), second; Bergen, (Y), third;

Slot Machines . . Investments . . Education

A slot machine enthusiast stood emptying his pockets of all small change as he "played" several different machines. Finally, after losing a last nickel and quarter, he turned away with a disgusted look on his face and a curse on his lips for all such machines that "didn't give a guy an even break." He had deposited well over three dollars therein and had received in return thirty-five cents . . . a poor investment.

Every fall many thousands of students invest in one of the greatest enterprises of their lives. Their returns, however, depend greatly on their own enthusiasm, aggressiveness, and general attitude. Also, unlike the petty gambler, their returns are almost directly proportional with their investments but many times as great.

Oh, of course, we have heard persons expound innumerable times on "recognizing and taking advantage of our opportunities", and yet like the congregation whose minister repeatedly preached an identical sermon, perhaps we haven't been applying these instructions to our own case.

Many students will return home in the next few days from various institutions of higher learning with very little more than a vocabulary swelled

with new college slang and a revived appetite for mother's cooking. To them, as one man has said, "Education is no more than the transfer of notes from the notebook of the professor to that of the student without entering the heads of either". However, when they departed from their various homes, from which perhaps they received all or part of their support, they had left the impression that they were going to a worthwhile enterprise with a conscientious effort and purpose in mind.

Now, what about us? At this time, a self-examination might be well in order. Of course those cases mentioned are extreme, and yet, do any of our efforts appear half-hearted and worthless after they are past? The completion of each year's labor should show promise of greater wealth, spiritual as well as material, and should be clean from any spots of sluggishness, mental degradation, triteness, or unsound modernisms picked up along the way.

Have we really accomplished much in this past year? Can any future lack of returns or dividends be accounted for in our manner of investing now? Was it a good investment?

Initiates Change Impressions

"Skip" Eberhart, secretary of the Y Club, decided it might be interesting to get the underdog's viewpoint at the "bonecrusher initiation" of the club last Tuesday night. Results:

Q. "What was your first impression of the Y Club?"

A. "I thought it to be an organization of the happiest and most joyful individuals with whom I had ever come in contact. When I was led forward, blindfolded, I heard shouts of unsuppressed and almost frenzied glee. Every one was laughing. The air was filled with jocularity. I thought they were all very happy to have me come into their club."

Q. "Were they?"

A. "Their welcome was somewhat ambiguous. While they shouted for joy at my becoming a member, they thrashed me soundly and subjected me to some very ingenious devices of torture. It was a case of seeing a barking dog with a wagging tail and not knowing which

end to believe."

Q. "Then your first impression was not carried out?"

A. "No, but I was."

Q. "What do you think of the Y Club now?"

A. "Oh, boy! Wait till the new members come in."

Second initiate:

Q. "What did you think of the Y Club?"

A. "I thought they was sissies."

Q. "Why was that?"

A. "Well, they was over by the fire, and I was over behind some trees blindfolded. They would take a "mugg" over there and then I could hear 'em yellin' and laughin' and clappin'. I thought they were makin' speeches."

Q. "Was that applause you heard?"

A. "Brother, I ain't standin' up now because I'm polite!"

WEATHER REPORT . . .
It rained. Whee!

SPORTS . . .

Oswald reports strange happenings on the campus last Saturday. There was a five-yard track meet between Deever, Dierdorff, Hansen, Heatherington, and Saindon. As this was a new feature, all marks were accepted as records. Saindon's 90 foot

javelin heave was good for a first. Dierdorff's 440 yard dash was .2 of a second under the College half mile record. The 60 yard dash was won by Heatherington (coming in on hands and knees) in 14.3. Deever had to jump back to keep the shot from crushing his foot. Hansen got two blisters on his toes. Further records are being computed.

NEWS SECTION . . .

Major Crime Committed.
"Vernie" was fined for necking on a public highway. It cost him \$1.00. The state highway patrolman was quiet but firm. "Vernie" was asked whether the whole event was worth the price, and he said yes. Leviticus's guess is that he didn't know of the "no-charge" system on the side roads.

FISH STORY . . .

Former President Overmiller, now residing in California, went fishing with the Lion's club or something and caught the largest fish. Same old Prexy.

EULOGY . . .

Leviticus was deeply moved the other day when he observed the davenport which had served so faithfully in the "Con" reception room lying out by the back yard fence. The arms were broken down, the back cracked, and the upholstery torn away. It was a sad looking sight—the best news source of the Register sitting in the weeds. Yet, there was something proud about the old thing even in its disgrace. It had been a dutiful servant, supporting more than its share of unnecessary weight in the world. Every year it had listened to the same old stories, comforted quaking hearts, and even sagged in the middle for the sake of convenience. The freshmen, fresh from high school methods, gave it its worst beatings. Occasionally an enthusiastic half-back laid a flying block on it. But it just creaked a little. Now it has gone to a couch heaven, we hope, where old maiden aunts live. Farewell.
