## Radio Party Pays Frosh Debt

### Twin Graffs Captain Next Year's Panther Grid Forces

Earl Graff

Burl Graff

For the second successive year Panther football team members selected co-captains to lead them during the next season. This year's selections as announced at the annual football banquet were Earl and Burl Graff, triple threat twins from Shelby.

The Graffs are small, only 5' 6" tall and weighing 160 pounds, and play in the backfield. They played two years of football in high school and have lettered all three years

of their college play. They are fast and shifty runners and their passing and punting is accurate.

The fact that one throws left-handed and the other righthanded is confusing to many opponents who find it difficult to tell them apart. In the past season each of the twins threw four touchdown passes and Earl scored twice. Burl marked up a number of points with his consistent place kicking.

"Silence! We're on the air." Thus, the freshmen paid their debt to the upperclassmen November 20 for losing the contests on Homecoming Day, by presenting over KGBZ Professor Whiz, Mary Lane, and Jack Armstrong, the all-American boy.

Dick Riggs presented "that genial quiz master, Professor Whiz".

Professor Whiz (James Conway) chose four members of the former freshman court, DuWayne Grimes, Martha Tucker, Frances Hickey, and Lester Auchard, and four freshmen, Galen Munsinger, Nancy Fellers, Elizabeth Miller, and Vernon Carpenter. "Don't make the questions look so easy" was the frequent remark of the quiz master to the frosh. The freshmen, plus the help of Whiz, won 140 to 125. The losers sang a pep song and the National Anthem.

Mary Lane, and Ruth Wiren answered the personal and social letters of the "perturbed hearts"

### Brant Appears In Voice Recital

Walter Brant, senior, of Robinson, Kansas, was presented by Dean Charles Amadon in a voice recital, Sunday afternoon, Nov. 15, at the United Brethren church.

Mr. Brant was assisted by Virginia Hinkel, senior, Cambridge, Iowa, and a piano ensemble composed of Maurine Marvel, sophomore, Giltner; Margaret Trout, junior, Culbertson; Ruth King, sophomore, Topeka, Kansas; and Mary Miller, sophomore, Broken Bow.

Bruce Herrick, junior, Dayton, Ohio, was the accompanist.

The program was as follows: Be the Best of Whatever You Are—John Barnes Welles, The Thief (Old Father Time)—Bernard Hamblen, Myself When Young, from "In a Persian Garden"—Liza Lehman, When I Have Sung My Songs—Ernest Charles, were sung by Mr. Brant.

### Chorus Presents Messiah Dec. 13

Again this year the York College Chorus will present the "Messiah", a Christmas tradition in York, on December 13 at 4 P. M. Dean Charles Amadon will direct the singing of the "Messiah."

The chorus is hard at work on numbers for the presentation. Dean Amadon has made no announcement as yet regarding soloists for the occasion.

### Hooray,--York Beat Hastings

It was a great moment for York College and its Panthers Armistice Day after the blue and white had risen to smite the Hastings Broncos 7-6 and thus claim the first York victory over them since 1928. The students made the most of it.

Happiest of all were the members of the Panther squad who threatened to tear off the locker room roof with their noisy celebrating. It was especially good to win after Hastings had just walloped Midland 30-0, thus throwing the three teams into a third place tie if Wesleyan beats Hastings.

It was also the first conference victory since 1938 for York, so small wonder the celebration!

DuWayne Grimes

For the first time in recent history, at least, the Y. C. football squad chose two representative football men this year, Daryl Severin and DuWayne Grimes, and they were revealed at the banquet a week ago by toastmaster Larry Smith.

Qualifications for representative football men are, first, that he be a senior, and second that he possess those traits which make him representative of the team.

Severin, a guard, has lettered two years at Y. C. Grimes, a back, earned his first letter this year. An oddity is that neither of the men had played football before coming to college.

### Alumni, Be Here For Mid-Year Dinner

Plans are now underway for the annual holiday dinner of the alumni, former students of all departments, faculty, and friends. The United Brethren ladies will serve the dinner in the church dining room on Monday evening, December 28. A good program is being arranged. Further details will be announced in a later issue of the Sandburr. Watch for it.

Will you not plan now to be present if possible? Write to your classmates and urge them to meet you here. If you cannot attend, won't you please send greetings and news of yourself and family to the historian, Prof. J. C. Morgan.

A good attendance will help to "keep the home fires burning".

Cordially yours,

Edith M. Callender,

Pres. of Y. C. Alumni.

Now the government has us all back studying our A. B. C.'s—so we can get the gasoline we're entitled to.

### Martha Tucker Chosen Sweetheart, Banquet Reveals

Miss Martha Tucker, brunette junior from Great Bend, Kansas, won football squad approval as their choice for Panther Sweetheart of this year, the grid banquet last week revealed.

Miss Tucker, a physical science major who is a musician on the side, was presented at the banquet by retiring co-captain Floyd Taylor. Taylor also presented her with a locket from the football squad in honor of her being chosen sweetheart.

### Y. C. Has Active Part in Service

York College was prominently represented in the Thanksgiving union service held in York's new city auditorium last Sunday night.

Dean W. E. Bachman gave the Thanksgiving sermon. The York College chorus, under the direction of Dean Charles Amadon, sang two numbers, and the violin trio composed of Miss Dalcyce Stewart, Miss Sylvia Estey, and Miss Ruth King, with Miss Ruth Wiren as accompanist played special music.

### Squad Honored At Annual Affair

Special recognition was given to Miss Martha Tucker, junior of Great Bend, Kansas; DuWayne Grimes, senior of Harlan, Kansas; and Daryl Severin, senior of Imperial, as the Panther Sweetheart and Representative Football Men when they were revealed at the annual football banquet. This year the theme was "N. C. A. C. Circus," in the United Brethren church on Tuesday evening, November 17. Next year's football co-captains, twins Earl and Burl Graff of Shelby, were also named.

#### Circus Theme

Following the theme of the "circus," Ringmaster Larry Smith, junior of Pontiac, Michigan presented a program of typical circus features, each representing one of the various conference teams.

In the animal show, the Panthers were presented by Lester Auchard, senior of Woodston, Kansas, and co-captain of the 1942 squad; and Don Hines, freshman of Yuma, Colorado, showed his skill with Tigers.

A wild west show starred Joe Stauffer, junior of Lecompton, Kansas, who rode the Broncs; Roberta Berglin, freshman of Berthoud, Colorado, with the Plainsmen; and Floyd Taylor, senior of York who represented the Warriors (Little Giants.)

#### Taylor Introduces Tucker

Co-captain Taylor then introduced the Animal Tamer, Miss Tucker, and Smith presented the representative men, all of whom

### Nine Women Practice Teach

Nine freshmen women working for one-year teacher's certificates practiced teaching in rural schools Nov. 16-20.

They were: Sarah Boehr, Evelyn Ediger, Elsie Huebert, and Esther Peters from Henderson; Lois Edmiston and Betty Mae Taylor from York; Faye Hines from Gresham, Louise Heitman from Benedict, and Barbara Jean Kaliff from McCool.

### Zetas Progress In Eating Places For Reception

A "progressive dinner" and entertainment taking Zeta Literary society members from the home of their sponsor, to the home of a member, and on to the "Con" was held Tuesday evening, November 24. The party was in honor of new Zeta members.

Prof. Zelma Pope, head of the Women's Physical Education department and sponsor of the society, entertained the members for the first course of the dinner. From her apartment, the group went to the home of Eleanor Pfug, Zeta secretary, where the main course of the dinner was served.

Men in the society entertained the members at the college dining hall for dessert, and provided entertainment for the evening.

Josephine Hickey, sophomore of Harvard; Phyllis Foster, senior of York; and Eleanor Pfug, sophomore, also of York, were in charge of the dinner. Elwyn Phillips, senior of Merna; J. Hill Anglin, sophomore of Amistad, N. Mexico; Cliff Hartman, junior of LeCompton, Kans.; and Joe Hickey, sophomore of Harvard, provided the entertainment.

### Y. W. Takes Up New Project For Shut-ins

A free shopping and mailing service for shut-ins is the newest project to be taken up by the Y. W. C. A. It was presented to members by president Marjorie Reishick at the meeting on Nov. 17.

Members will shop, mail packages, or give other assistance to those who call the Conservatory and leave their addresses, stating the service desired. This project is under the direction of Mrs. Margaret Gaston, World Fellowship chairman and junior of Bradshaw.

At the same meeting a "Township gathering" was held to discuss college girls' problems. Winnie Smith, junior of Enid, Okla., presided as the "Towncrier".

Ethel Brooks, freshman of Cedar Rapids, Ia., presented the problem of how much thought should be given toward home. Friendly interest vs. gossip was the problem presented by Roberta Berglin of Berthoud, Colo. A number of women participated in the discussion.

#### POST-WAR IMPLICATIONS

There are at least 177 members of the University of Michigan faculty who are capable of teaching university courses outside of their own fields of specialization, a survey conducted by the university war board has disclosed. In addition, the survey disclosed that 617 of the 700 faculty members who responded are skilled in subjects not ordinarily found in the university curriculum—subjects which, in many cases, are important during the war.

The war board conducted the survey to determine what skills faculty members have that would enable them to perform services outside of the line of their regular teaching duties. Many faculty members have been drawn into war service, leaving gaps to be filled by those remaining. In addition, special services demanded of the university in wartime call for skills not ordinarily practiced or not practiced by large numbers of the faculty, such as special languages, physical conditioning programs, Red Cross work, first aid and braille. The war board expects that the survey will help to reduce the need for employing new persons to replace faculty members called into war service.

There are 44 courses represented in the replies of the 177 who indicated they could do teaching in other fields. Seventeen fields of special skills or craftsmanship were represented in the replies of the 617 faculty members who indicated such abilities.

The war board already has made use of the information obtained from the survey by soliciting voluntary co-operation on the part of some of these faculty members in assisting with the university's physical conditioning program and with community first aid courses. The war board also reports that several faculty members already are teaching regular university courses entirely outside their normal fields.

## They Tramped These Halls

By Prof. J. C. Morgan

The following letter received by the college office, will be of interest to readers of the *Sandburr*. Corporal Ulrich, ex-'45, is stationed at Camp Yaan, California.

"October 27, 1942.

Dear Miss Thompson:

As you may know I am working as Chaplain's assistant. I really like my work, and that makes the army a little more pleasant. The Chaplain is a very busy man for the most of the time, but right now it is rather lax.

I think of college quite a bit and wish that I were back studying. I get quite a bit of study here after hours. The Chaplain has many good books to be read and after a while I intend to go to the math classes that are offered for evening study.

The Chaplain and I are going to teach several of the men who came in with a second grade education. I think that that will be fun as well as offering me some good training.

Best wishes to all,

(Signed)

Corp. Glen E. Ulrich"

Mary Lue Warner, '41, writes that Chaplain Vernie Buttermore, '35, and Mrs. Buttermore (Neva Pellman, ex-'35) recently visited the Edith McCurdy Mission School, New Mexico. Vernie gave several chapel programs relating army

experiences. Mary Lue adds that the Mission School had a very successful football season winning eight out of nine games.

Lieut. Warren Callahan, ex-'40, was a visitor on the campus last week. He is located at Pensacola, Fla. where he is an instructor in the Naval Air Force.

Another visitor in York recently was Miss Alma Hayhurst, ex-'28. Miss Hayhurst is a teacher in the Grand Island public schools.

Mrs. Richard Fruehling (Laura Hohn, '32) visited relatives in York the past week. Her husband is pastor of the Lutheran Church at Glenville, Nebr.

The address of Pvt. Ralph Doremus, '40, is Battery B, 29th Bn., Ft. Sill, Oklahoma.

Miss Lillian Bearss, who has taught history in Fairbury high school for a number of years, is having a change of experience this year. She is teaching Japanese evacuees in a government high school at Rivers, Arizona. She reports that her pupils are appreciative and show a fine spirit, but that they are often homesick.

Since there are no contributors to the Golden Jubilee Fund to report in this issue, a word of exhortation and reminder may not be out of place. We hope that the alumni will not forget this project of the association and that those who have not yet contributed will find it possible to do so.

## The Burr Speaks

### There Are Buzzings And Then There Is Toil . . .

We recall rather vividly an instance we observed when a fly, attracted by something sweet in an empty jar, buzzed into its wide mouth. Safely there, the fly feasted awhile, moved, and then nonchalantly started to buzz out. However, for some reason, he was unable to find the mouth of the jar which was so easy to enter. His frantic buzzings availed nothing as he beat against the glass. Finally our fly gave up and slid wearily to the bottom. Some time later, bedraggled and spent, he started crawling up the edge of the jar. His slow progress was nevertheless steady. At last, over the edge of the jar he went. Patient, hard toil had achieved what purposeless panic could not.

There are times we get into a predicament that is seemingly as inescapable to us as the jar was to the fly. Our panicky efforts generally end up just like his. But if we have the final resoluteness to turn ploddingly to the solution, we can still solve the problem, and much more gloriously.

#### TEEN AGE DRAFT

WASHINGTON—(ACP)—As this is written the president is signing the 'teen age draft bill. Its impact will be felt at once by colleges and universities throughout the nation.

About one-third of all male collegians are 18 or 19 years old. Prospects for these men sum up about like this:

Approximately 25 per cent probably won't be taken because of physical disabilities.

Those already enlisted in college reserve training courses won't be taken—they are already in the army and, apparently, passage of the bill won't appreciably affect their present status. The same goes for those in senior ROTC.

All other 18 and 19 year old college students are subject to draft call—and fast. It is estimated they will be inducted starting about Jan. 1. For a time it appeared that 'teen age men already in college would be able to obtain deferment until July 1, 1943. That prospect is now out the window for college men although high school students called up in the last half of this school year may request deferment in order to finish out their terms.

Enactment of the law will probably result in a hard drive by the navy to enlist 17 year olds, since army draft of the elder 'teen age youth will seriously cut into the navy man power potential—and the navy still insists upon voluntary enlistment.

The first side show was East Hill Park as Coach Rolland Tonkin introduced Earl and Burl Graff, twin juniors of Shelby, who are to be co-captains of next year's team.

The second side show was a trip to the Sun Theatre where the students were guests of the faculty at a showing of "Here We Go Again," with Fibber McGee and Molly.

Music for the evening included the Harmony Trio consisting of Dick Foulk, junior of Adrian, Michigan; Hal Goodrich, sophomore of Philomath, Oregon; and Dick Riggs, freshman of Merville, Iowa; and the Circus Band, with Bruce Herrick, junior of Dayton, Ohio, as pianist, and Mrs. Herman Glock, '18, of York, directing group singing.

#### God Unchanged In a Changing World Says Prof. Doty

"God remains unchanged in a changing world filled with changing people; it is refreshing and reassuring to think of Him who does not change," stated Professor E. I. Doty, history professor, in his chapel talk Thursday, November 12.

Professor Doty quoted Sandburg's "Death sends word that he is coming and then one day he comes and lets himself in with a master key and says 'we'll go now,'" to show how people change and how signs of old age appear.

God is unchanging; with Him there can be no variation. He does not cast varying shadows as the sun does but remains constantly the same.

At noon yesterday, "turkey 'n' trimmin's" were served to all who chose to come. The number of out-of-town students who remained in town for the holiday was accentuated by today's school and the unusually heavy bus and train travel this year.

The cost of the meal was borne in part by the students who paid 30 cents a plate, and the Faculty club who paid the rest. President Weidler called it "a regular 75 cent meal".

Mrs. Bachman's famous collection of games and puzzles was available in the reception room of the Con for all who did not go to the gym for active games led by Coach Tonkin.

Many students attended the York High-Grand Island football game in East Hill park. Others went "to the show".

In the evening, "leftovers" were served at a charge of 10 cents.

Mrs. Bachman, Dean of Women, proclaimed an 11 o'clock night, despite this morning's early classes.

Several days will be added to the Christmas vacation as a result of today's school.

Double cuts were given those who missed classes Wednesday and today.

The Christian Endeavor sponsored a party in the gym at 7:30. Games were led by Winifred Smith.

Football togs are packed and stored but that's no excuse for fans to shelve their pep and enthusiasms. Basketball is just around the corner, so get ready. The roof and walls of the gym have been braced and the entire roof recovered so there will be no excuse for not cheering. Coach R. E. Tonkin feels that York has the finest playing floor in the conference and the Panthers will place the finest team in the conference on it. Now let's do our part and put the finest support in the conference in the bleachers.

### Picking All-Conference . . .

With the close of every grid season comes the selection of an all-conference team. Choices of the different colleges usually vary as widely as axis and allied war communiques, so if you don't like our selections, cross them out and substitute your own. After all, it's your paper.

The Sandburr sports staff, having consulted the football team members, presents these selections for an all-conference team.

### Y. C. Panthers Finish Strong

#### Nineteen Win Football "Y's"

Nineteen men were recommended by Coach Tonkin and recognized by the "Y" club as being eligible to receive football letters for their play this fall. Of these nineteen, only five are seniors, so prospects of a good lettermen foundation for next season's team are bright.

Seniors to receive letters were Taylor, York; Grimes, Harlan, Kansas; Auchard, Woodston, Kansas; Eugene and Daryl Severin, Imperial.

Seven juniors earned letters, Hartman, Lecompton, Kansas; Earl and Burl Graff, Shelby; Shaneyfelt, Aurora; D. Haberman, York; W. Kaeding, Benedict; and DeBoer, York.

Two sophomores, Campbell, York; and Feemster, York; and five freshmen, Speece, York; Walker, Norway, Kansas; Miller, Dumont, Iowa; Conway, York; and Shoff, Bassett, also received letters.

Winning three out of the last four games, the Panthers turned in the best record of any York football team in the last five years. Slow in getting started, the Yorkmen lacked offensive drive in their first three games as they failed to score enough points to win a decision. After finding themselves in the Concordia game, the Panthers lost to Midland and then defeated Sterling and Hastings.

#### Doane Cops 18-13

A more experienced Doane team came to York for the Panthers' opening game and the Tigers won 18-13. York had the ball on the Doane one yard line early in the game, but inexperienced hands fumbled the opportunity and the chance to score was lost. However, in the fourth quarter York passes clicked and Kaeding and Haberman scored on passes from E. Graff.

#### Missouri Boys "Show 'Em"

A long trip and a hot Missouri sun proved too much for the York men in the next game as Tarkio gridsters made Homecoming fans happy by trouncing the Panthers 39-13. Once more Earl Graff's passes found receivers and Shaneyfelt and Haberman scored.

#### Wesleyan Too Strong

A week later the big Wesleyan team, at that time favorites for conference honors, rolled over the Panthers to hand them their third straight defeat 39-6. York faltered at critical moments and showed only flashes of fine play as two pass interceptions and a blocked punt set up Wesleyan touchdowns. York's only score came on a pass from Burl Graff to Haberman.

#### Blast Concordia

From this point on, the Panthers started looking better. Concordia teachers came to York as opponents for the Homecoming Day game and went home with the short end of a 27-12 score. York gridmen dominated the field in every way as Shaneyfelt scored on a blocked punt, Speece on an end run, Taylor on a line plunge, and Speece again on a B. Graff pass.

#### Out Play Midland But Lose

The Midland game was a disappointment. While the Panthers outplayed the Warriors and led at the half, they lost by a 14-6 count. The lone York score was a E. Graff pas to Haberman.

#### Trample Sterling 26-6

The trip to Sterling brought York its second victory of the season and a bit of revenge. Last year the Sterling team trampled York 38-6 at the York Homecoming affair. This year it was the Panthers' turn, and Hartman, Speece, Taylor, and E. Graff scored as York won 26-6 before a Sterling Homecoming crowd.

#### Slam Hastings 7-6

Sweetest victory of all came at the close of the schedule. The Hastings Broncos, after having swamped Midland 30-0, were turned back 7-6 and the Panthers had their first conference win. Earl Graff scored the touchdown and brother Burl place-kicked the extra point.

### Administers 7-6

### Licking Broncs

### Go Down Fighting

Y. C.'s '42 edition of Panthers accomplished something no York football team has since 1928 and battered Hastings into submission 7-6 Nov. 11 in an NCAC game. It was also the first conference victory for York since 1938.

The Panthers brought their football season to a close with this "happy ending" victory over the Broncos in an Armistice Day game at York. Hastings found it took more than confidence to win as they were held scoreless the first half and turned back 7-6 during the second half.

#### Broncos Threaten

Early in the first period, the Broncos threatened to score. After taking the ball on their own 32, they had a first and ten on two line plays. Two more line bucks were good for five yards. On the next play, White passed to Lamb who lateraled to Ford and the ball was carried to the York three yard line. At this point the York team showed its mettle and took possession of the ball on downs. Later in the same period the Kylemen ran and passed the ball to the York ten but could not penetrate the Panther defense to score.

In the second period York dominated the play and threatened to score as the half closed. Hastings recovered a York fumble on their own 36 but were forced back to the 24 on two attempted passes. A punt failed to take the ball out of their own territory and it was York's ball on the Hastings 46. Burl Graff passed to Shaneyfelt for a first and ten on the 25 to start the drive.

#### To Hastings Six

Then brother Earl, fading back to pass, was apparently trapped by two Bronco tacklers. There was a thud as the three players met and Earl emerged with the ball and ran twelve yards for another first and ten. An incomplete pass into the end zone, a run, and a pass from B. Graff to Hartman put the ball on the Hastings six yard line as the half ended.

A York recovery of a Bronco fumble on the visitors' 48 was the prelude to the Panther's scoring drive. Burl Graff, after leaving his helmet to one would-be tackler, carried the ball to the 38. Taylor pushed it a few inches further for a first and ten. A pass was incomplete and then Taylor ran behind good interference to the 18.

It was Taylor again plowing to within inches of another first down on the next play. Three plays later York had a touchdown: Earl Graff and Taylor took the ball to the 2 and then Earl on a quarterback sneak went over for the score. Burl Graff's kick for the extra point was good, and proved to be the winning point of the game.

#### Hastings Scores

The Bronco score came early in the fourth period. A pass from Sid White to Little carried the ball from the Hastings 35, where Hastings had taken over after a punt, to the York 35. A reverse and an incomplete pass netted no gain but a pass from White to Lamb made it first and ten on the York 24. Two line plays were good for eight yards and then Little passed to Lamb on the York one foot line. On the second of two line plays Horton plunged over for the touchdown. Johnson attempted to place kick the extra point but the kick was blocked.

Later in the same period Hastings reached the York 10 but a place kick on the fourth down was wide and ended the threat.

It was the last college football game for six of the Panthers. Floyd Taylor and DuWayne Grimes played backfield positions; Eugene and Daryl Severin and Les Auchard, guards, and Harold Jensen, center, held line positions. All six are seniors and will be lost to the team by graduation.

## BOYS IN THE SERVICE

Alden Marvel, '39, in a letter to his parents, Dr. and Mrs. Marvel of Giltner, states that he likes England where he is stationed now. He reports that he had lunch in London with Myra Hess, England's outstanding pianist, on one of his leaves.

His chief objection to life there is the cold, damp climate.

Staff Sergeant Alfred Kamm, '40, writes that their new address is 902 Ave. Q, Lubbock, Texas. Sergeant Kamm is receiving advanced training as a glider pilot and likes it well.

LUMBER and COAL

Two gospel teams and a trio of girls have been sent out by the Life Work Recruits organization to churches served by student pastors—Bradshaw, Hampton, Geneva, and Prairie Gem.

Thelma Rockhold, freshman of Salina, Kans.; Arlene Adams, sophomore, Clayton, Kans.; Daryl Severin, senior, Imperial; and Josephine Hickey, sophomore from Harvard, had charge of the morning service at Bradshaw, Nov. 8, following a short meeting at the Hampton church during the Sunday school hour. Fred Gaston, sophomore from Oklahoma City, Okla. is pastor of these churches.

In the evening, Larry Smith, junior from Pontiac, Mich. conducted a consecration service at Bradshaw.

Ethel Brooks, freshman, Cedar Rapids, Ia.; Ruth Wiren, freshman, Woodston, Kans.; Arthur Lenz, freshman, Circle, Mont.; and Eloise Tabor, senior, Spokane, Wash., helped Merle Pulver, pastor of the Geneva church, and junior from Mechanicsville, Ia. in three services at Geneva Nov. 15.

Lenz illustrated three hymns with chalk pictures as the special feature. They were "Let the Lower Lights Be Burning," "The Old Rugged Cross," and "Higher Ground."

Also on Nov. 15, Helen Hall, senior, Parsons, Kans.; Winifred Smith, junior, Enid, Okla., and Juanita Sanders, freshman, Vancouver, Wash., accompanied J. W. Tomlinson, freshman, Enid, Okla., to Prairie Gem where he is student pastor. The girls contributed special music to the morning worship service.

## Lenz Illustrates Songs at Meet

Arthur Lenz, freshman of Circle, Montana, demonstrated his skill as an artist in the Y. M. C. A. meeting, Tuesday morning, November 10.

The meeting was opened by singing, "The Light of the World Is Jesus", led by LeRoy Bott and accompanied by Bruce Herrick. Following the song, LeRoy Bott sang, "Ninety and Nine", while Arthur Lenz drew a picture representing the song. Daryl Severin sang, "Church in the Wildwood", as Arthur Lenz drew another picture representing the song. Both songs were accompanied by Bruce Herrick.

## Hines Deals With Hobbies In Y. M. Talk

Recreation, amusements, avocations, and hobbies were the main topics in Ralph Hines' talk on morale Tuesday morning, November 17, at the regular Y. M. C. A. meeting.

"The people on the home front should keep up their morale as well as the soldier on the war front," Hines declared.

Application blanks were passed out to those who wanted to be active members of the Y. M. C. A. LeRoy Bott led the group in singing, "Open Mine Eyes That I May See," and, "Onward Christian Soldiers," accompanied by Bruce Herrick. Dean W. E. Bachman offered the closing prayer.

## Bachman Compares Body to Ship On Sea of Life

The human body was compared with a ship sailing on the sea of life by Dr. W. E. Bachman, dean of the college, in the formal chapel service Nov. 19.

"We think that recent calamities are hardships," stated Dr. Bachman, "but we have only to read about the experiences of Paul to find our mistake."

Dr. Bachman named several things which help to keep each soul from having a wreck. The soul needs a captain, himself, to decide where to go and what to do and also to meet the challenge of left and to give his best.

Another essential is a charter, the Bible, from which knowledge and experience are gained. Dr. Bachman mentioned that Abraham Lincoln received much of his vocabulary from the Bible.

"The rudder, or prayer, guides the soul aright day by day. The compass is conscience and the anchor is faith. The log is the record made in the minds of friends and on the face. The pilot for the journey is Jesus."

In closing, Dr. Bachman quoted "Crossing The Bar" by Tennyson.

## Miss Slee Speaks On Argentine Life

Stating that the people of the United States need to have a better understanding of the people of other countries, Prof. Mary Alice Slee, head of the department of education, told the student body on Nov. 16, about the comparative size, climate, food, people, animals, and customs of Argentina.

Miss Slee spoke of the modern custom of painting pigeons. She also related a legend about the embudo tree, the only tree which grows on the pampas more than a mile from the rivers.

of Y. C. students.

An interlude of music was presented by Esther Megill.

Then "that famous all-American boy, Jack Armstrong," (Badger Halsey) was introduced. He gave the studio audience some points on the finer techniques of ping pong, tennis, football, and wrestling.

A flash via WB interrupted the program: "Warmer today, followed by tomorrow".

Following this, was a series of songs. Punch and cookies were served.
