NO. 2

N. C. A. C. to Have Basketball

N. C. A. C. basketball games will be played this year, if gasoline can be secured for transportation, according to Dr. Charles Bisset, York College athletic representative and "Y" Club sponsor, who attended the meeting of the N. C. A. C. board at Lincoln, Oct. 2.

Schedules will be arranged by the coaches and games will start not later than the first week in December.

Dr. Chas. Bisset

The board decided that the teams must consist of civilians only and that other eligibility rules will be the regular rules of the conference.

No championship award will be given since there are very few letter men in the conference and the squads will be limited. The usual "Y" awards will be given on the basis of points earned. Each player must be passing in 12 hours of work.

The rule requiring N. C. A. C. teams to play only teams with similar eligibility restrictions was suspended; therefore each school is privileged to arrange any other games to complete its schedule.

Colleges represented at the board meeting were: Midland, Wesleyan, Hastings, and York. No coaches were present. Another meeting will be held in February to conduct the regular business of the conference and to discuss the problem of spring track.

Zetas Learn How To Increase Vocabulary

A talk by President D. E. Weidler and a vocabulary quiz at the open meeting October 5 started the Zetas to thinking about increasing their vocabularies.

President Weidler spoke during the evening on a quotation from Mark Twain, "The difference between the right word and the almost right word is the difference between lightning and the lightning bug."

At the beginning of the meeting, guests and members were provided with pencils and a list of words and definitions to match.

In closing, J. Hill Anglin, junior, Amistad, New Mexico, president of the society, told of a few ways in which one could increase his vocabulary. He suggested that we listen to teachers, notice new words when we read, and brush up on words which we know but seldom use.

Devotions which fitted into the theme were led by Arthur Lenz, chaplain, sophomore of Circle, Montana.

Reviews Biography

William Allan White—the Man from Emporia, a biography by Everett Rich, was reviewed in chapel October 4, by Miss Mary Alice Slee, head of the education department.

Miss Slee recalled humorous and enlightening incidents in the life of the famous newspaper man of the Middlewest. She read parts of several of his well-known editorials.

College Pastor And Wife Honored On Wedding Anniversary

Dr. G. T. Savery, pastor of the college church and Mrs. Savery were honored on their thirtieth wedding anniversary Friday evening, October 8, at a reception given by the members of the United Brethren Church in the church parlors. At this occasion they were also welcomed back for their fourth year of ministry in York.

Dr. W. C. Noll, head of the department of biological science, was master of ceremonies. Pattie Weidler, sophomore of York, sang "Song of Life" by Cadman. Miss Irene Shipley, of the speech department, read "Mr. Savery's First Revolt".

The college women's chorus sang two numbers. President D. E. Weidler spoke a few words of greeting and appreciation to the Saverys. Miss Edith Cone, Mrs. Savery's bridesmaid of 30 years ago, gave a brief account of the wedding, which occurred in Lincoln.

Dean Charles A. Amadon of Hulitt Conservatory sang "The Yeoman's Wedding Song" by Prince Poniatowski, accompanied by Miss Eda Rankin of the piano department.

Dr. and Mrs. Savery were presented with a gift of money, and they gave brief accounts of their early church work and wedded life.

Light refreshments and pieces of the wedding cake cut by Mrs. Savery were served from a lace covered, taper-lighted table.

Worship God; Make No Images

"To worship God in spirit and in truth thou shalt make unto God no graven images. Jesus is for us God's self-expression," said Professor J. C. Morgan, head of the classical languages department, in his formal chapel talk September 30.

Man is made in God's image, the firmament showeth his handiwork, and any man-made representation of God would be inadequate. These are reasons why graven images are unnecessary for worship, according to Professor Morgan.

"When human personality approaches divine personality, we have true worship," stated Mr. Morgan in closing.

Otterbein Guild Has Party

The Eva Conner Otterbein Guild chapter met at the home of Miss Erma Galbraith, ex-'46. The meeting was a party to begin the forward campaign. New students and the freshmen women were the honored guests.

Lydia Garcia, freshman, Chacon, New Mexico, sang, "The Beautiful Garden of Prayer." Games were played under the direction of Pattie Weidler, sophomore, York.

Refreshments were served by Antonia Sepulveda, senior, Mayaguez, Puerto Rico; Mary Miller, junior, Dawson, Juanita Sanders, sophomore Vancouver, Wash.; Winifred Smoth senior, Enid, Okla.; Esther Megill, sophomore, York; and Mrs. Ethel Vannice, York.

PROFESSORS MEET

Two professors on leave of absence for the duration of the war have met in the West. Coach R. E. Tonkin and W. J. Karaker, professor of psychology, are both teaching in the Rankin Aeronautical Academy at Tulare, Calif.

Library Expansion Is Being Planned

Plans are under way to expand the alumni library and make its materials more easily accessible to the student body and faculty, according to Miss Maybelle Taylor, librarian. A great deal of detail is involved, so the final goal cannot be attained at once, but the program will go steadily forward, she says.

One of the steps approved by the library committee and board is to catalog the collection fully with adequate subject headings and added entry cards. Library of Congress and H. W. Wilson Company catalog cards will be bought for many titles.

Bibliographies have been ordered to facilitate the purchasing of new books. Shaw's LIST OF

BOOKS FOR COLLEGE LIBRARIES will serve as a pattern for the basic collection. This list is widely used as a standard for measuring the content of book collections of college libraries. The U. S. CATALOG AND CUMULATIVE BOOK INDEX, a list of all books in print in the English language from 1912 to the present with full bibliographic details about each one, is also being added to the library. Subscriptions have been made to BOOK-LIST (a periodical which gives the American Library Association's choices of books) and BOOK REVIEW DIGEST (a monthly publication) to aid in keeping the collection to date.

Greater College Being Planned

Greater York College is being planned in spite of the war. Mr. Mark Sharp, an architect from Kansas City, Kansas, visited the campus recently bringing with him some plans for the campus. The executive committee will meet in the near future to discuss these plans.

Mr. Sharp is a member of the United Brethren Church and a former student of K. C. U. He is a partner in the firm of Neville and Sharp Architects. This firm designed the city auditorium of Kansas City, Mo., where York's basketball team played last spring.

MISS COX TO HEAD SUNDAY SCHOOL CLASS

Martha Cox, sophomore of Espanola, New Mexico, was elected president of the College Women's Sunday School class at an organization meeting over which Irene Falk, sophomore of Stromsburg, presided.

Other officers are: vice president, Roberta Berglin, sophomore of Berthoud, Colo.; secretary-treasurer, Marjorie Thornton, freshman of Billings, Mont.; social chairman, Leonore Herrick, freshman of McCool; teacher, Mrs. J. C. Morgan, York.

Miss Mann Speaker At Joint Meeting

The Rev. Maude Mann, chaplain at the Women's State Reformatory near York, will talk about some phase of her social work in the reformatory at the joint meeting of the Y. W. C. A. and Y. M. C. A. October 19, in the college chapel.

MISS TUCKER SINGS

Martha Tucker, senior of Great Bend, Kansas, sang "The Great Divide" by Tyson and "Command" by Kingsford at the Delta Kappa Gamma meeting Thursday, Oct. 7.

Visit Omaha For Club Meeting

Pres. D. E. Weidler, Dean Walter E. Bachman, and Dr. Charles Bisset of the social science department, attended a meeting of the Nebraska School-masters' Club in Omaha, October 2.

Dr. Arthur Miller, pastor of the First Presbyterian Church of Lincoln, addressed the club using as his theme, "Radar of the Spirit".

Faculty Picnic On Banks of Beaver

"October's bright blue weather" lured faculty members to the banks of the Beaver creek last week when professors and their families met at the city park for their annual fall picnic.

The committee in charge of arrangements included Miss Mary Alice Slee, chairman, Miss Zelda Wakelin, Miss Doris Gilmore, Mrs. Amy Johnson, Dr. Charles Bisset, and Dr. G. T. Savery.

The next regular faculty dinner will be held in December with President D. E. Weidler as chairman of the committee.

Miss Leach Is President of PALS

Blanche Leach, junior of Clarks, and Robert Tupper, junior of Roanoke, La., were elected president and secretary of the PALS at a meeting October 5.

Mary Miller, junior of Dawson, and Ethel Brooks, sophomore of Cedar Rapids, Iowa, resigned these offices because of holding too many offices according to the Student Council system.

Miss Mary Alice Slee, head of the education Dept. and sponsor of the organization, gave a review of a recent novel, *Happy Land*, by McKinley Kantor. LeRoy Bott sang a selection entitled "The Armourer's Song", from the opera "Robin Hood", by Smith DeKoven.

Plans were discussed for the PALS' open meeting which will be on Tuesday, October 19.

Secrecy guards the theme chosen for the fall banquet to be staged by the Student Council and the Panther Club on November 5, according to Irene Falk, sophomore of Stromsburg, chairman of a joint committee on arrangements. Sub-committees have been appointed, and plans are going forward with the assistance of Dr. Charles Bisset, adviser for the Student Council and member of the joint committee.

Other members of the joint committee are Don Hines, sophomore of Yuma, Colo.; J. Hill Anglin, junior of Amistad, N. Mex.; Antonia Sepulveda, senior of Mayaguez, Puerto Rico; and Doris Robinson, junior of Hutchinson, Kans.

Sub-committees are as follows: Program, chairman, Margaret Trout Phillips, senior of Culbertson, Ohio; Mary Jo Rankin, freshman of York.

Decorations: Doris Robinson, chairman; Wayne Schwindt, freshman, LaCrosse, Kans.; Ethel Brooks, sophomore, Cedar Rapids, Ia.; Dollie Anderson, sophomore, Albuquerque, N. Mex.; and LeRoy Bott, junior, Alexander, Kans.

Publicity: Wanda Wantz, freshman, Orchard, chairman; Mrs. Evangeline Tracy, sophomore, York; and Miss Irene Shipley, instructor in speech.

Tickets: J. Hill Anglin, chairman; Pattie Weidler, sophomore, York; and Miss Doris Gilmore, secretary to Pres. D. E. Weidler.

Dinner: Mary Miller, junior of Dawson, chairman; Thelma Rockhold, sophomore, Salina, Kans.; and Don Hines.

Y.W.C.A. Sees Harvest Scene

Mrs. Evangeline Tracy, sophomore of York, drew a harvest field scene in colored chalk to the strains of "Bringing in the Sheaves" sung by Dollie Anderson, sophomore, Albuquerque, New Mex., and Roumaine Holt, freshman of Kansas City, Kans., at the Y. W. C. A. meeting October 5. Blanche Leach, junior of Clarks, led the devotions, reading Psalms 98 and 100. She stressed the theme of praise and thanksgiving to God.

Betty Mae Taylor, sophomore of York, was elected to fill the office of vice president, vacated by Ethel Brooks, sophomore of Cedar Rapids, Iowa. Miss Brooks resigned because she was already holding too many offices according to the point system set up by the Student Council.

NOLL PROVIDES BIRDS FOR ZOOLOGY DINNER

Fried chicken proved the main attraction in the zoology laboratory when the students in zoology and embryology classes gathered there on Thursday, Oct. 7, for an informal six o'clock dinner. The head of the department, Dr. W. C. Noll, provided the chickens, which were dressed and cooked by the students.

These in attendance were: Dr. Noll, Ord Noll, Mary Miller, Ruth Wiren, Martha Cox, Gloria Turner, Dollie Anderson, Blanche Leach, Jewell Daniel, J. W. Tomlinson, Dale Sweetwood, Merle Pulver, Dick MacCanon, Wayne Schwindt, Antonia Sepulveda, Fred Gaston, and Mrs. Margaret Gaston.

Seek Beauty And Truth Says Megill

"Three things that Y. W. C. A. members should seek are truth, beauty, and goodness," explained Esther Megill, sophomore, of York, in her talk to the Y. W. C. A. October 12.

Jesus said, "I am the way, the truth, and the life" and "Ye shall know the truth and the truth shall make you free." If we wish to find truth, the true things, in life, we must have truth within ourselves, continued Miss Megill.

With reference to beauty, Miss Megill stated that one of the things that make life worthwhile is beauty. There is one place we may search for beauty that we very often forget, that is, beauty in others.

"As we search for truth and beauty," Miss Megill concluded, "everyone desires to find purity and goodness."

The Mail Box

(Men and Women in War Service will help us keep them in touch with each other, if they will write to this column. Ed.)

A/C Lawrence C. Smith (ex-'44) writes as follows from Cimarron Field, Okla.:

"Flying still thrills me, and I wouldn't trade places with any civilian in any college. Our present station has good facilities, good food, and good planes. We have two ground school classes a day and not too much physical training.

"I have almost eighteen hours logged now and have passed my first check flight. I seem to be doing pretty fair work. Soon we'll start acrobatics, and then I'll have new freedoms in the sky, freedoms we can't have any other way. I am just starting my instruction in instrument flying, and I think it will be particularly interesting."

Ensign Art Throckmorton ('40) writes from the U. S. Navy Pre-Flight School at Chapel Hill, N. C. as follows:

"Please send the Sandburr to me at the above address this year.

"I received my commission last July in San Francisco upon my return from duty in Hawaii. I was sent here for an indoctrination course and have been stationed here since completing it. I am an athletic officer in the Navy's pre-flight program for the physical conditioning of cadets before they take their advanced flying training. They have a little training in flying before they come here. It is interesting work and a very good program."

Pvt. Glenn Shaneyfelt (ex-'46) asks that the Sandburr be sent to him at the University of Ohio, in Columbus. Co. I, 1552, (A. S. T. U.) completes his address. He is taking a full schedule of basic subjects six days a week in the field of engineering, and finds the army specialized training hard with physics and chemistry the most difficult subjects. He says:

"Ohio State is a huge institution. The campus usually houses about twelve thousand students. This quarter there are about three thousand soldiers here taking courses in engineering and languages."

Pvt. Carl Max Oswald (ex-'42), located at Camp Kohler, Sacramento, Calif., where he is with Co. D, 3rd En., writes:

"There are a number of fellows here from the mid-west, but so far I haven't found any from York College.

Our camp is located in a valley between two mountain ranges and is about twelve miles from Sacramento. It gets extremely hot during the day and then quite cool at night. In about a month, the rainy season will start and then it will rain almost continuously for about four months. I still prefer the weather of the midwest.

"As you know, I am in the Signal Corps. I have just finished the first week of a nine weeks' specialized course. I think it will be very interesting."

Dean Speaks

Purpose of York College

It is the purpose of York College to offer to young men and young women, in this western area of the United States, opportunities to secure a cultural liberal arts education. It is of primary concern that, both through the curriculum and campus life of this Christian college, students develop well-rounded characters and worthy attitudes towards the various problems and issues of life.

Through brief statements in the Sandburr, special efforts will be made this year to present some items of interest in the various departments of the college and some aspects of the campus life which are designed to promote the well-rounded educational development of the students. Educators frequently differ in their judgments as to what the abundant, well-rounded, and complete life includes. It is the belief in York College that complete living includes the religious as well as the many other wholesome aspects of life.

Life at its best, and in reasonable completeness, is eightfold, with all of the phases inter-related and interpenetrating in the organic structure of human experience. In order to give concreteness to this conception of life, an eightfold system of values is presented below as a basis for the recognition of the opportunities for complete development which the college is seeking to provide for its students.

1. Bodily Values. The physical ideal is health, strength, vigor, and beauty of the physical life, and the maintaining of conditions which will make possible the highest efficiency and accomplishment.

2. Intellectual Values. The intellectual ideal includes the winning and use of knowledge and understanding; the ability to think clearly and truly about human experience as a whole.

3. Moral Values. Moral values are the character values which are judged to be good, approved in thought and conduct, and in harmony with the moral ideal.

4. Aesthetic Values. The aesthetic ideal is the refinement of taste to appreciate, to enjoy, and even to produce the beautiful ap-

Dr. W. E. Bachman

pearing in countless forms in art, music, literature, nature, and character.

5. Vocation Values. The vocational ideal is grounded in the conviction that everyone should render useful service through a worthy career, and experience the satisfactions which spring from shared responsibilities and freedom from economic dependence.

6. Recreational Values. Through recreational activities, in their manifold wholesome forms, happiness may be increased, character developed, and life enriched by the enjoyable and the beneficial use of leisure time.

7. Social Values. The social ideal is living and learning to live in happy and helpful relations with one's fellow beings; finding expression in family, church, and community life.

8. Christian Values. Christian ideals and Christian living are to be thought of as essential elements of a normal life, unifying and enriching the other values of life as leaven leavens "the whole lump".

All of the departments of the college are expected to contribute to the well-rounded character development of the students. Each department will naturally minister to some of the eightfold aspects of life more than to others. Yet the whole life, including the religious life of the students, will be influenced and developed by all departments. Accordingly, the statements in the Sandburr to be presented throughout the year should be of special interest to those who desire to know the fundamental purposes and practical plans of York College.

(Signed) W. E. BACHMAN.

The Editor Reflects

Today's Co-operation

Football seems to be lacking on the athletic program of York College this year.

York isn't the only college which has had to dispense with this sport. Of course it is great fun to attend the games at home and more pleasant still to migrate.

Instead of watching the football "eleven" co-operate, we must "do" some of the co-operating ourselves. These are days of priorities.

If we will take advantage of the opportunities at hand, we can find great satisfaction in some of the finer things of life. An evening of good music and poetry is restful as well as constructive.

If money causes dissatisfaction because there is an urge to spend it, buy war stamps. Is there a better way to co-operate with the teams whose plays we are watching from afar?

THREE BASES FOR A BETTER WORLD

(By Associated Collegiate Press)

"Education, Cooperation and Dedication" are the fundamental conditions necessary for the development of a better country and a better world, according to the Rev. Alder Drew Kelley, Secretary, Division of College Work, National Council of the Episcopal Church.

Speaking at a commencement of Hobart and William Smith Colleges, Dr. Kelley made it clear that Americans and citizens of free nations throughout the world are not fighting to preserve a Christian civilization, but for an opportunity to make one.

"Hitler and his minions," he said, "are not the whole of evil. There is much more to be done than the defeat of Germany and Japan. After the last war people thought an entirely new world would come automatically with the defeat of the Kaiser . . . We cannot act as if life were a pin-ball machine, hoping that by some chance all the lights will go on, the bells ring, and we will never have anything more to worry about."

"Much that has characterized our immediate past, and may characterize our future," Dr. Kelley said, "arises from a perverted sense of values—a confusion between the treasures and the trash of life."

OUR ARCHITECTURALLY IGNORANT PUBLIC

The general public is "architecturally illiterate," in the opinion of W. T. Rolfe, chairman of the University of Texas Department of Architecture, who is now serving as chairman of the American Institute of Architects. Mr. Rolfe said that architecture should be carried into the homes of America and not confined to collegiate training for professional architects only.

ADVICE TO THE LOVE-LORN . .

We would advise the person who thinks more of dishes than of his or her own feelings to stop in the

midst of the fall next time and reconsider. At least, it might save walking with a limp.

DEAR DOLLY:

Tut! Tut! College girls playing with paper dolls! If they "Wantz" them, they can have them. Maybe Fran's singing "I Want a Paper Dolly" had some effect. "Robinson's" man Friday has, at least, arrived to live in her room. It is a nice hobby. "I like to play with paper dolls, too," says Lucretia.

WHO SAID ? ? ?

'Tis said, students, especially those of the freshmen class, are quiet and reserved. Those in the "Con" are beginning to wonder, but a statement on the sideline revealed last year's freshmen were much worse. Ho, Hum, it's a dull life "Con" girls lead.

Excuses Prevail In America

"We are continually making excuses for things we do or don't do in America," stated the Rev. M. B. Canon as he addressed a recent Y. M. C. A. meeting.

Using St. Luke 14:18 as his text, Rev. Canon declared that "when we meet the great Judge, we will find as many out of heaven for excuses they have made as for any other reason. There are three types of usable excuses or reasons: good, better, and best. Good and best are the biggest enemies of the better reason, said Rev. Canon.

"Every reason is a decision, and most decisions are 51 per cent one way and 49 per cent the other. Because decisions are so close, we must have guide lines and principles. We should have as a guide the infallible Christ, continued the Rev. Mr. Canon

It is the total of our little acts and decisions that lead us to a life of eternal joy or a life of darkness and despair. The great prob-

lem in one's life is to put first things first. Christ put the cross, what do we put?" concluded Mr. Canon.

Fire Is Theme of Campfire Meeting

Discussing the part fire has played in the Bible history of worship services, Rev. G. T. Savery spoke at the campfire service of Life Work Recruits, held Sept. 29. He stated that fire holds a threefold purpose; to warm, illuminate, and to purify. Also, he said that there was no darkness so great that it could put out the light of a candle.

Winifred Smith, senior of Enid, Oklahoma, led group singing at the opening of the services.

After devotions, each member present placed a fagot on the fire, and either gave a testimony or quoted a favorite verse of scripture.

As the wind blew their lighted candles, the recruits sang a parting hymn.

Classics Contribute to Modern World

(By Winifred Smith)

"The old books were written when the world was young and fresh; the new books are written when the world is old and weary." With that quotation in mind, we can say that classics are their "own excuse for being." The Greek New Testament is said to have "the tang of the fresh air in it and the joy of the morning." But classical languages and literature have made a greater contribution to our modern world than we can measure by reading and studying the literature of that period only. Two-thirds of the words which we have in our dictionary today are Latin; the forms, fashions, notions, workings, and allusions of Greek and Roman literature are deeply implanted in modern literature; and there is a mental organization which the culture studies confer on the mind of the student. Of practical importance to a growing scientific world is the fact that Latin and Greek words form a large part of the terminology of science and law.

Heading the department of classical languages and literature in York College is Professor J. C. Morgan, sympathetic teacher and friend, who is always willing to give his friends the "benefit of the doubt." His interest in others is shown by his favorite quotation from Terence, "Homo sum; humani nihil a me alienum puto" or "I am a human being; whatever concerns a human being concerns me."

When asked what hobby he pursued, this humble classicist replied with a smile, "Weeding is my hobby," which means he keeps a victory garden. Along with his duties as a home gardener, Professor Morgan collects advertisements with classical headings, a number of which can be seen on poster displays in his classroom. Besides being a professor and student himself, he also has been ordained as a minister of the Nebraska Conference, and has served as supply minister many times in churches surrounding York. Since 1935 he has been the faithful sponsor of the Life Work Recruit organization of the college. Besides the classical languages, Professor Morgan is an instructor in history and Bible.

Requirements for a major in this department, in addition to two years of high school Latin, are twenty-four hours of Latin or Greek and related subjects. Sixteen hours are required for a minor.

Evidence of successful teaching are the many majors and minors of this department who have become useful and capable citizens since graduation, among whom are Mary Rankin, teacher of Latin and Spanish in the Columbus, Nebraska, High School; Rev. George Weber, lecturer, and pastor of the Congregational Church of Salt Lake City; Rev. Lee Fletcher,

Prof. J. C. Morgan

Congregational minister of Fairport, New York; Prof. Merle Harner, head of the department of New Testament Language and Literature at Bonebrake Theological Seminary; Mrs. Reka Blanc Mathews at one time a missionary with her husband in South America and at present a faculty wife in Tennessee; Mrs. Ardith Kull Melloh, graduate of the University of Minnesota in library science and, before her marriage, librarian at the University of Minnesota and in Chicago; Mrs. Onita Stone Phillips, successful high school teacher; Miss Mildred Thompson, teacher in the East Moline High School in Illinois; Wilhelmina Feemster, recipient of a doctorate from the University of Chicago, for three years professor in Indiana Central College and at present professor in the Lindenwood College for Women at St. Charles, Missouri; Rev. Theodore Maxson, member of the York College Board of Trustees and an outstanding leader in the Oregon Conference of the United Brethren Church; Mrs. Ellen Kaliff Coffey, teacher and writer; Rev. Roy Larsen, Baptist minister. Recent graduates who have majored or minored in classical languages and literature are Glen McPherson and Lyle Anderson, Bonebrake Seminary students, Floyd Richert, chaplain in the United States Army; Velma Anderson, Bill Curnutt, Dorothy Jean Sadoris, Esther Johnson, and Hazel Emma Morgan.

Favorite courses of this department taught in a favorite way would be Homer, Horace, or New Testament Greek by the functional method which consists of learning forms as one learns to read. A very useful piece of equipment for teaching in this department is the map for ancient history located in Professor Morgan's room.

A class in classical languages is never dull because of the tendency of students to translate freely. For example, a bit of Latin which should have been rendered somewhat like this: "The greedy pig follows the apron of the farmer's wife," was translated, "The farmer's wife flaps her apron at the greedy pig."

So we leave the department of classical languages and literature with a new interest in its activities.

Roller Skating Is Popular Sport

Roller skating is in order on Friday nights at York College this year. It is being sponsored by the college at the gymnasium.

Mrs. Amy Johnson, physical education and mathematics, will sponsor the major part of the "skates", although other faculty members will usually be present.

J. Hill Anglin, junior, Amistad, New Mex., is skate master; Mary Miller, junior, Dawson is door keeper; Rex Megill, freshman, York, and Arthur Lenz, sophomore, Circle, Montana, check out the skates and keep them in good repair; and Pattie Weidler, sophomore, York, has charge of the reserve book.

The faculty committee consists of: Pres. D. E. Weidler, Dean Walter E. Bachman, Dr. Charles Bisset, Prof. R. E. Townsend, Miss Anna Thompson, and Mrs. Amy Johnson.

Richard J. Detimore, S. K. 2. C. Construction Bat. #36 %Fleet Post Office San Francisco, Calif.
Lt. Elton Moomey Hq. 5th Trng. Bn. Camp Reynolds Greenville, Penn.

ATTENDS DENVER U.

Sylvia Estey, ex-'44, who will take her A.B. degree with a major in library science, at Denver University next spring, has written that from Nov. 1 she will share an apartment with Bertha Riggs, '41, and Faith Riggs, ex-'44, who are also in Denver this year.

They Tramped These Halls

By PROF J. C. MORGAN

Miss Mildred Thompson, '34, who has been teaching commercial subjects in the Lawrenceville high school, Illinois, and who spent the summer in the Greeley State Teachers' College, has accepted a position in the East Moline High School, Illinois.

Miss Nell Bearss, '24, is the president of the local chapter of the Delta Kappa Gamma, and recently represented the Nebraska chapters at the national convention in Chicago.

Mr. Thornton Miller, '29, is stationed at Columbus, Ohio, where he holds the position of Principal Federal Credit Examiner for the Third Federal Deposit Insurance Corporation district. This district includes the states of Ohio and Pennsylvania. He writes that his work, though heavy, is enjoyable and that Columbus is a fine place to live. He sends best wishes to the college. His street address is 1462 West Sixth Ave.

Miss Mattie Pearce, ex-'42, is teaching third grade in the Holdrege schools. Her address is 120 Fourth Ave.

Mr. Kenneth Willets, '42, is athletic coach at David City. He writes that prospects are fairly good for a successful football season.

Marriage

Eloise Dunlop, ex-'42, Beaver,

Iowa, and Deane Ritzman of the Army Air Force on August 28. Rev. Russell Dunlop, '42, brother of the bride, performed the ceremony. Ritzman is stationed at Sioux Falls, South Dakota.

Birth

Mr. and Mrs. Fred Carlsen, '41, announce the birth of a daughter, Mary Olive, August 26, at Dayton, Ohio.

Engagement

Thelma Rockhold, '46, of Salina, Kansas, to Don Hines, '46, of Yuma, Colorado.

Death

On July 29, the infant daughter of Flight Officer and Mrs. Alfred Kamm, '41, of Lubbock, Texas. The child, who was named Karen Darlene, lived only twenty-four hours. Mrs. Kamm will be remembered as Anna Jane Easterling.

Seminary Graduates

Rev. Erwin Branson, '40, was assigned to the Waco Avenue United Brethren Church in Wichita, Kansas, and Rev. Robert MacCanon, '40, to the Garwin, Iowa, pastorate. Rev. Merle Blinn, '38, has accepted a pastorate in the Montana conference.

Golden Jubilee Contributors

Dr. A. P. Vannice, '15, and Mary Lue Warner, '41.

Beauty Of Lily Is Recruit Theme

Beauty and purity, such as that found in the lily, formed the theme of the Life Work Recruits on Oct. 6.

Roberta Berglin, sophomore of Berthoud, Colo., led the devotions. Dorothy Whitacre, freshman of Polk, played a violin solo, "He Lifted Me". Ruth Wiren, sophomore of Woodston, Kan., accompanied her on the piano.

Ruth Wiren told a story relating the experiences of an artist who found beauty in the invisible presence of Christ.

The worship center was formed by a lily backed by purple velvet. Lighted candles were on either side of the lily.

Choir and Recruits Hear Chinese Speak

Choir practice was dismissed and Life Work Recruits went in a body to hear the Rev. Albert Fenn who is traveling for the Board of Commissions of the Presbyterian Church. The Rev. Mr. Fenn spoke at the Baptist-Congregational Church.

The ideologies of the East and the West were compared by the speaker. "The Chinese look backward, take life as it comes, and enjoy concentration," said the Rev. Mr. Fenn, "while the western people live a planned life, have multiplied activities, and devote themselves to speed, accuracy, and punctuality."

The speaker discussed some of the reasons China has been able to withstand Japan so long. These reasons are area, population, manual labor, loyalty, and international aid.

"There is no hope for China without the Church," he said. "When war is over, strong nations will be strong, weak ones will be weak, but the strong nations must be just," he concluded.

Mr. Fenn received part of his education in the United States. His home is in Free China. He hopes to go back to China to teach in Christian schools.

Former Editor Visits Campus

Pfc. Robert DuWayne Grimes, '43, editor of the Sandburr for two and one-half years, visited the campus recently. Grimes called on friends here and then went to visit relatives in this state. He is stationed at Walker Army Air Field at Victoria, Kans., where he has been assigned to clerical duty with a bombing squadron.

Seniors Practice Teach

Two seniors are enrolled for practice teaching in York high school. Antonia Sepulveda, senior from Mayaguez, Puerto Rico, is teaching world history under the direction of Miss Virginia Speich. Clifford Hartman, senior of LeCompton, Kansas, is teaching plane geometry under the direction of Miss Ruth Callender.

Operates Bomber Radio

Sgt. Robert W. Witt ex-'42, is completing his training as a member of a Liberator bomber crew at the Army Air Base, Pueblo, Colo., according to Major John G. Hatfield, public relations officer at that base. This crew is one of many now being trained by the Second Air Force to carry the fight to the enemy in the not distant future.

Sgt. Witt, is the radio operator of his plane. He is the son of C. W. Witt, Hebron.

WOMEN'S CHORUS SINGS FOR CLUB CONVENTION

The women's chorus, directed by Dean Charles Amadon, sang "Twelve by the Clock" by Lloyd-Parks and "Pal O' Mine" by Parks at the County Convention of Women's Clubs, at the United Brethren church, Thursday afternoon, Oct. 14.

Sings For Y.M.C.A.

Ensign Daryl Severin ex-'43 of Imperial, added inspiration to a recent Y. M. C. A. meeting when he sang, "Rock of Ages."

Severin has recently received a commission in the navy and is in York visiting as he waits for his call.

Severin's brother Eugene, who has been in training since July, is stationed at Northwestern University.

"Exceed Job And Reach Realm of Greatness"—Canon

"If, as a worker, you do only what others expect you to do, you may do a great job, but you'll not reach the realm of greatness," stated the Rev. M. B. Canon, director of public relations, in his meditation on the story of David and Goliath in formal chapel October 7.

David was not expected to kill Goliath; he was only a shepherd, and fighting was not his job. None would have blamed or condemned him if he had done only his errand. David's greatness lies in his going beyond what was expected and accomplishing his deed in the power of the living God.

"Does God expect more of man than man expects of man?" asked Mr. Canon. "There were soldiers there whose special job it was to fight, but when one refuses who is more fitted, does it excuse those who are less fitted? Was it, after all, David's duty to meet Goliath?"

Too often we try to measure our effort in terms of what others are doing rather than in terms of what God has given us to do; and so we stand by today and see the Goliaths of the world unchallenged.

Mr. Canon urged that people pray oftener for their lives to conform to the wishes of God. In the name of the living God, prob-

lems of today can be met.

"Your life must be spent; choose that for which it is worth spending" urged the Rev. Mr. Canon in closing.

N.C.A.C. FOOTBALL NEWS

Football is out of the sports picture at York College this year because of lack of team material.

Other Nebraska colleges have the same difficulty. The University has only three players on their team who have had football experience. Wesleyan, Midland, Chadron, Wayne and Creighton have dropped football entirely.

Peru and Doane have Naval Units and therefore have a wealth of material including several football stars of the past few years.

STUDY DRAFTING

The Misses Arline Beason, '42, and Lois Miller, '40, have reported attending a performance of Shakespeare's "Othello" at the Pasadena Playhouse. The part of Othello was played by John Carrol. Miss Beason and Miss Miller are attending colleges in Pasadena and Long Beach in preparation for duties as draftsmen.
