

Y. M. and Y. W. Sponsor Student Bowling League, Roller Skating

Roller-skating will be held in the gymnasium every Saturday evening and a bowling league will be organized among the students, as a result of a decision at a joint meeting of the cabinets of the Christian Associations which was held recently.

The roller-skating parties began October 5. In order to distribute the skates more satisfactorily and to accommodate late-comers, it was agreed that the evening should be divided into two sessions. There will be a charge of 15c for the first period with an additional 10c for the remainder of the evening. This money will be used for the maintenance of skates and other equipment. Soft drinks and candy will be sold at the skating parties.

Denny Auchard, junior, Alexander, Kansas, president of the YMCA, presented plans for the formation of a college bowling

league. The league would consist of about eight mixed teams of five members, each team representing a class or organization. The games would probably be held on Saturday afternoon between three and five o'clock.

Two committees were appointed for the roller-skating parties. The program committee includes: Blaine Ronne, senior, York; Katherine Cox, junior, Ames, Iowa; Margaret Webb, senior, DuBois; Lois Shaneyfelt, junior, Central City; Fred Vorce, freshman, Brookfield, Missouri; Leslie Herron, sophomore, Ames, Iowa. The food committee is composed of Ivalee Mizel, sophomore, Dellvale, Kansas; Nadine Allen, senior, Delaware, Oklahoma; Mary Anderson, junior, Arlington, Colorado; Gerald Edgar, junior, McLouth, Kansas; Leland Miller, junior, Ventura, Iowa; Gene Harnish, sophomore, Luray, Kansas.

Community Concert Season Tickets Are Sold To Students

York college students will have the opportunity of attending at least three Community Concerts to be presented by the local concert association this fall and winter, according to an announcement made at chapel. The student membership was launched last week when Mrs. Harry Lombard, organization director of the Community Concerts Service of New York, gave two readings and whistled a number at a recent chapel program.

Mrs. Lombard explained the concert series and discussed some of the concert artists. The number of tickets sold will determine the artists to be selected for the series this year, she explained. Artists will be chosen from a list that includes virtually all the major concert groups, singers, and instrumentalists now before the public.

A minimum of three concerts is planned. A fourth may be added if the campaign is successful. Students obtained their membership cards at half-price, \$2.50 plus 50c tax.

Prof. And Mrs. Al Zerwekh Arrive

Al Zerwekh, new head of the Chemistry department, arrived in York, October 2, with his wife and two sons. He was released September 30, from his government position near Santa Fe, N. M., where he was engaged in research work. He takes up his duties at the college on Monday, October 7.

The Zerwekhs report that they traveled two nights and two days as Mrs. Zerwekh's father, the Rev. A. L. Brandstetter, Espanola, N. M., brought them to York in his car.

They are making their home in the apartment above the home of Dr. and Mrs. E. I. Doty on Sixth street.

Mrs. Vernon Halverson, formerly Miss Marilyn Miller, ex-'48, visited on the campus last week. Mr. and Mrs. Halverson are on their way to California where they will make their home.

Pep Club Girls have been able to get their hats and shirts for their club uniforms. The chief bottleneck now is the obtaining of uniform skirts.

Dr. Weidler Attends Missouri Conference

The last conference in the southwest to vote on the subject, accepted, in principle, the York College Youth Leadership Fund, according to President D. E. Weidler, who attended the Missouri Conference, Sept. 26-28. This makes a unanimous vote, in the district, for the fund which is to begin in each church after solicitation for the Greater York College Campaign has been completed. This Youth Leadership Fund is to provide the college with \$30,000 yearly, which is equivalent to an income from a million dollar endowment at three per cent interest.

To raise this \$30,000 yearly, each conference in the Southwest and Pacific Districts is asked to set as its goal an amount equal to one-third of its benevolence quota. York county, alone, has given \$50,000 toward clearing the college of debt, and plans have been made whereby the people of the county will participate in raising another \$100,000 for the college. This plan, with the amount of \$210,000 raised by the churches, plus the alumni contributions, will make possible the new buildings needed to handle adequately the increased number of students, according to the president.

GOVERNMENT HOUSING UNITS ON CAMPUS ARE NEAR COMPLETION

Much to the joy of the veterans who are waiting to move in, all eight of the government housing units are now under roof. Just last week, insulation arrived, leaving only one last obstacle in the way of completion. That obstacle is lack of plumbing materials. However, occupants-to-be may move in as soon as the houses are made "weather-tight" with the assurance of plumbing as it becomes available.

The "units" are pre-fabricated government barracks sent to York from Baton Rouge, Louisiana. They have been erected along the east side of the campus, north of the gymnasium. Three are located across the road from the tennis courts, to the east. Each unit is a duplex, and will have a kitchenette, living room, two bedrooms and a bath room. They will be completely furnished except for rugs, curtains, linens, and dishes.

Barbara Dick, freshman of Hastings, spent last week-end at her home.

York Youth Center Offers Swimming Facilities To Y. C.

The definite prospect of a college indoor swimming session will be met with enthusiasm by those of the student body who possess aquatic talents or yearnings, according to York college officials.

Theodore Peterson, '31, director of the York Youth Center, is cooperating with college authorities in planning this newly added feature to the campus social program.

The time of the swim, which will be exclusively for Y. C. students, has been set for Thursday evening from 6:45 to 7:45, according to Prof. William C. White, the appointed sponsor of the program.

Mr. White, who was a qualified life-guard before entering the navy, will conduct swimming lessons during this hour. Only requirements are purchase of a fifty cent season ticket and furnishing one's own suit and towel.

The York Youth Center was the city Y. M. C. A. until June of '44, when it was diverted into the present youth work. Its support is dependent upon the free-will contributions of York citizens. The first director, Mr. Peterson, has spent his entire career in youth work. He coached for twelve years and, immediately prior to assuming his present position, was employed as a boy scout director in the Covered Wagon council of Omaha.

In a recent interview, Mr. Peterson stated that the Center is in desperate need of both a college man and a woman to work evenings. Further information regarding the work may be obtained from Dick Riggs.

Gerald Edgar Chosen Vice-President of Press Guild

Gerald Edgar, ex-serviceman and junior from McLouth, Kansas, was elected vice president of the Press Guild, at its meeting on Sept. 26.

Marie Harris, junior of Great Falls, Montana, editor of the Sandburr, is president of the Guild ex-officio. Harriet Thomas, sophomore, Topeka, Kansas, was elected secretary, Barbara Blauch and Norma Jean Anderson, sophomores, York, were elected treasurer and librarian, respectively, and Richard Riggs, junior, Ames, Iowa, is the new social chairman.

Norma Jean Anderson presented a report on the history of the Sandburr, which has enjoyed continuous publication since the turn of the century.

The Guild staff was entertained in the apartment of Miss Mary Miller, hostess of Hulitt Hall and former "Burr" editor, who served refreshments at the close of the program.

Huebert and E. Thornton Elected to Head Marathon

Editor And Business Manager For 1947 Annual Chosen By Classes Recently

Lee Huebert, junior of York, and Everett Thornton, junior of Billings, Mont., were elected editor and business manager of the 1947 Marathon by the senior and junior classes who sponsor the Annual.

Lee Huebert, editor, is an active member of Press Guild, rewrite editor for the Sandburr, member of Y. M. C. A., Zetas, O. B. N., and Alpha Psi Omega. Having lettered in track, he is a member of "Y" club and also a member of the chorus.

Everett Thornton, business man-

ager, is president of the junior class, a member of PALS, and an active member of Y. M. C. A. He is an ex-serviceman and has seen action with the Army Air Forces in Europe.

"Bill" DeVriendt of the Capital Engraving Co., Lincoln, was on the campus last week taking pictures of some of the organizations and conferring with the officers about plans for the book.

As the Sandburr goes to press, staff members are being selected by the officers.

Science Scholarship Is Now Available

A science scholarship of \$200.00 is now available for a York College junior majoring in science who has shown outstanding ability during his or her freshman and sophomore years, according to Dean W. E. Bachman.

The recipient is to receive the scholarship at the rate of \$50.00 each semester of his or her junior and senior years, providing the standard in the college catalog on which the award was received is maintained.

The scholarship is given by three osteopathic physicians, Dr. Gerald A. Dierdorff, '42, and Dr. Scott Heatherington, '43, both of Medford, Oregon, and Dr. Verne Dierdorff, ex-'32, of Detroit. All of these men received their pre-professional training at York college.

These physicians are eager to help some student in York college. They are also offering an additional scholarship to any student of the college who has used their science scholarship, provided that student wishes to pursue an osteopathic course in any recognized college offering such training.

Miss Edna Coufal, who is now a Foreign Service clerk in Helsinki, Finland, was awarded the scholarship last spring, but as she can not use it this year, some one else may apply for it, according to Dean Bachman. Anyone interested should see him about it.

Dr. Weidler Visits The Vaughn Leamings

President D. E. Weidler reports that while attending the Missouri conference he was privileged to spend a night as the guest of the Rev. and Mrs. Vaughn Leaming. Mr. Leaming, pastor of First Church, Kansas City, Missouri, graduated with the class of '41, while Mrs. Leaming (formerly Letha Robinson) is a former member of the class of '44.

DICK RIGGS ELECTED VICE-PRESIDENT OF Y. M.

Richard Riggs, sophomore, Ames, Iowa, was elected vice-president of Y. M. C. A. and Ramos Barela, sophomore, Espanola, New Mexico, secretary, to fill the vacancies left by Paul Reger, ex-'48, and Glenn Shaneyfelt, ex-'48, who did not return this year.

Mr. William White, director of student activities, talked on "Courtesy" emphasizing campus etiquette and pointing out rules which college men are expected to observe.

Merwin Kurtz, sophomore, Alton, Kansas, led devotions.

Bob Gillespie Is Panther Club Head

Bob Gillespie, junior, Glendale, California, was elected president of the Panther club at a recent meeting, and Wanda Miller, sophomore, Russell, Kans., and Cliff Rhoades, sophomore, York, were elected to represent this organization on Homecoming Day.

Other officers are: vice president, Cliff Rhoades, sophomore, York; secretary and treasurer, Jeanne Anderson, freshman, Des Moines, Iowa.

New Dramatization of "Little Women" To Be Presented

A brand new version of Louisa M. Alcott's celebrated novel, "Little Women", has been chosen for the first of three plays being considered for the 1946-1947 season by the York College Players, according to Mr. William White, director of play production.

This version of the story by Arthur Jearue, famous playwright, was released only last year for little theatre presentation. Tryouts began last week in the PALS Hall, which was recently converted into a little theatre to accommodate the large enrollment in dramatics. Final selections will be announced at a later date.

According to Mr. White the college thespians will include besides the full costume play: a psychological mystery-drama and a romantical-comedy for the major productions and also several one-act plays to be presented on various campus programs.

Introducing . . .

Mrs. Josephine Hartsaw, the Art teacher, says, "Visit the Art Room and see the sketches the class has made of scenes about the campus and of the flower garden in the park."

THE SANDBURR

Published every other Thursday by the York College Press Guild.

Entered as second-class matter January 15, 1925, at the post-office at York, Nebraska, under the Act of August 24, 1912.

From the Editor's Pen

The College and The Town

Last week the city of York conducted a drive to get members for the Community Concert Association. York College students were offered season tickets at half price. We, who bought memberships, will gain much from that membership and also the respect and gratitude of the town's people.

The saying goes, "You can't get anything for nothing", and this saying applies to the attitude between the college students and the people of York. Cooperation will bring many advantages. The students of York College and the people of York have to work together in many ways. When we need jobs downtown, the owners and managers of stores and cafes are always eager to help the college students, and we must repay them by entering into municipal affairs as much as possible.

On the other hand, the people of York should support many of our college activities. Our football games, special programs, and our major play productions are times when the people of York can show their friendliness and their interest in the "College on the hill."

York College students appreciate the step the York Youth Center has taken toward bringing the students closer to the people of the town by offering them special memberships.

By working together in everything, we can have closer harmony and deeper friendship between the college students and the people of York. Will you do your part?

The Veteran's Voice

On The Housing Situation

A radio commentator recently stated, "Following the first World War, the common saying was, 'We owe the doughboy a debt we can never repay'. P. S. So they didn't try."

This situation is being repeated before our very eyes today. The non-G. I. seems to be possessed with the idea that we are trying to get something for nothing. For most of us, this is not the case.

We do not deny that those who stayed out and drew huge pay-checks also had to spend heavily to live.

We do deny, however, that a serious effort is being made to help us back up to an equal level with those who did not have to go into the Armed Forces. Few non-G. I.'s are searching for housing. Lucky is the G. I. who has a place to live.

On our own campus we have an excellent, first-hand example in the form of eight huts destined, upon completion, for ex-G. I.'s and their families. Five of these are almost completed, except for plumbing.

This housing project has been awaiting plumbing for well over a month; yet during the month of August, a York restaurant was virtually built and outfitted. A filling-station was finished in that same month. Both were complete with plumbing.

The solution lies only in a concerted effort on the part of the ex-G. I.'s. We are living in a day of priorities and politics. A dog scratches only when too many fleas get in his hair. An official is most responsive when too many irate voters "hound him". It is your privilege to write these people in power, expressing briefly what your viewpoint is.

Maurice Herrick, '40, is teaching science in the Fairmont high school.

Walter Speece, '35, is superintendent of schools at Bridgeport, Nebr.

Waldo Dahlstedt, '40, is attending the University of Nebraska, and is taking graduate work in the field of administration of education. His address is 310 N. 17th St., Lincoln.

Mr. and Mrs. Alfred Kamm, '41, also are living in Lincoln. Mr. Kamm is taking Social Service work in the graduate school of the university. Their address is 541 D St.

Mr. and Mrs. Albert Kamm, '39 and '42, are located on the campus of Colgate - Rochester Divinity school at Rochester, N. Y. Mr. Kamm has enrolled for a course in religious education. He is also assistant pastor and director of music in the Baptist church at Albion, near Rochester. Mrs. Kamm (formerly Catherine Woolver) is assistant to the registrar at the Eastman School of Music.

Prof. J. C. Guise, C. C. ex-'10, who visited in York this summer, is now engaged in writing a book on the subject of the Trans-Missouri country. Mr. Guise travelled extensively this summer collecting material.

"Young Ministers Need Bone-brake" is the title of a leading article in a recent issue of the Watchword. It was contributed by the Rev. Allen O. Kellogg, ex-'37, who is now pastor of the First United Brethren church, Topeka, Kansas.

Miss Marilyn Miller, ex-'48, was a visitor on the campus Sept. 25.

Sympathy:

Sympathy is expressed to Mr. and Mrs. F. Edwin White in the loss of their infant son, Franklin Edwin, Sept. 26, who lived but a few hours. Mrs. White was formerly Miss Gladycy Mann, '39. Their address is Vancouver, Washington, Rt. 5, Box 292.

Marriages:

Miss Marilyn Miller, ex-'48, to Vernon Halverson, Sept. 29.

Court's Adjourned! Now Freshmen Breathe Again

By A Freshman

Despite rumors to the contrary, the York College Freshman Court will not replace the state supreme court at the next session, it was disclosed today.

The Freshman Court, although boasting one of the best conviction percentages in the state, has been questioned on its open-mindedness toward some cases. The court has also been known to hand down sentences resembling rewards rather than punishment, as the cases of Misses Meeker and Langenberg indicate.

However, despite these little flaws, the court wields an iron hand (on the business end of a paddle) when the situation demands, and the great variety of "Unaccountable actions" by the "blue caps organization" and the spirit in which they were carried out has established the court as a just and fair body in most decisions handed down.

By securing a "Command" performance of the Andrews sisters,

(cousins of the famed sisters by the same name?) coupled with the open air exhibition of artistry on brick by the "Rembrandt" of the day, the court has displayed a wide sphere of influence.

In addition to the well-known personalities, much talent was uncovered from among the local students. Repeated performances on the art of make-up, various lectures on such courses as "The Art of Love-making", and the display of dramatic ability in wedding ceremonies have proven the many talents hidden in this freshman class.

The court's conviction percentage is excelled only by its almost complete realization of its goal. Few freshmen and upperclassmen now pass on the campus without a knowing smile flashing between them. Strangers have become almost extinct on the Y. C. campus, and credit goes to the Freshman Court.

What's In A Name?

If one were to stand on the administration building steps and call, "Robert! oh! Robert!" the result would likely be something resembling a stampede for that seems to be the most popular name among the male species this year. There are eleven men who answer to that name and several more who keep it securely tucked in between their first name and their last.

The namers of this generation seem to have had more diversified ideas when they came to naming the women. No name seems to have that majority, but the name "Mary" is at the head of the list. "Jim" and "Richard" tie for second place in the men's list, but fortunately for the Richards there are two students who have Dick for a last name and one who answers to the name of Mr. Richard.

Of course, the name isn't too important if you aren't proposing or calling roll and a rose by any other name would still have thorns.

Seen Around Y.C.

BOOK LURE

by Maybelle Taylor

The college library is the proud parent of one-zy, two-zy, three-zy, four-zy — Goodness, the shoes would have to come off to count how many! — new books. And wouldn't it be a crying shame for them to go on just being "little strangers"? Come around one day and get acquainted. Woncha?

Yes, sir, they are wonderful things, are books. There should be one in every home. Some member of the family would be certain to enjoy the reading matter while others would revel in the pictures. But were there no other uses, the thing would come in very handy to the irate housewife to clinch an argument.

Of course, what is one man's Mede is another man's Persian, as for example, the case of the two little teen-agers. Announced the first, "I spent a quiet evening at home with a book last night."

Replied the second in an agonized tone, "Oh, dear! I'm afraid that will happen to me some night, too."

No matter how you slice it, it is still a golf ball. But it needn't be that bad, "reahly"! Not if a person stopped by the library and took home a good, live number like Grantland Rice's "Omnibus of Sport." There, in a nutshell, is the whole thrilling story of all the better-known games from the ancients down to the present day. It is interesting to learn that polo was played by the Chinese thousands of years ago and that boxing and wrestling were quite the vogue in ancient Greece and Rome. But the history is only a small part; the best sport stories of all time are there from Homer's famous dog story to Ernest Hemingway's treatise on bull-fighting, "The Undefeated." Meet "Omnibus of Sport", it is sure-fire for sport-fans and for them that ain't.

In last summer's library purchases, the forte pedal has been on reference, so here are a few samples from that collection to "try on your piano."

Kobbe's "Complete Opera Book" is a surprisingly readable volume on the subject—entertaining, too, with stories of several hundred "grand ol' operies."

"Victor Book of the Symphony" accomplishes the same thing for instrumental music. Even the inexperienced music lover can understand and enjoy it.

All of which brings to mind a certain want ad for a "base vile player." (Know the type?)

If parliamentary procedure is the problem of the moment, learn all about it in Cushing's "Manual of Parliamentary Practice." It will help in meeting every emergency. The main character in the ensuing episode was, no doubt, a Cushing fan. The narrative: A group of "city-fathers" were convening in California when an earthquake began to shake the building. "Their unceremonious egress will look very awkward on the minutes," thought the bewildered (and also shaking) clerk. Then he conceived of the following wording: "On motion of the city hall, the council adjourned."

'N' now, that brings the august body to the next question on the agenda; to wit, When teaching parrots to talk, should one use short words or polly-syllables? And incidentally, for the pronunciation of those same aforesaid polysyllables, another recent library arrival goes to bat, Phylfe's "20,000 Words Often Mispronounced."

A most engaging little newcomer is Glenn Hughes' "Penthouse Theatre" which traces the development of this highly original and very popular theatre.

Yes, many an angry pater has said to his offspring who just would be an actor, "Get out before the foot-lights!"

And all must admit that the coolest spot in town these days is the theatre—to be explicit, the Z-row.

Isn't it amazing that more local jails do not stage plays? They would be certain to be "cell-outs." Ooh! Who let that one in?

In closing, a few words of parting advice, "Use a little Kreml on your comb."

PANTHER SPORTS

Doane Stops York 12-6

Panthers Lose 2nd Conference Game In Drizzling Rain

The Doane college Tigers pitched two passes to score two touchdowns and stop the York college Panthers 12-6 at Simon Field in Crete last Friday night. A light rain fell during the game at times causing the field to be slippery and making ball handling difficult.

Doane scored their touchdowns in the first and second quarters. The first marker came after a long pass from Kasperek to Valenta was good to the three, from where Butler plunged over. The second marker was put over after Schultz took a long pass from Kasperek in the second quarter to score standing up.

York threatened three times to score during the second half, but was able to score only once. After the Panthers took a Doane punt back to their own thirty-four, Burl Graff passed to Auchard which was good to the forty. On the next play Graff cocked back his arm and rifled a long pass to Cleo "Tank" Campbell who gathered the ball in on the twelve and raced to the half-yard line before being tackled. Campbell drove the ball over on a line smash from there.

A third Tiger scoring threat was stopped cold on the York three as the Panthers defense buckled down to hold the charging Tigers.

The Panthers were slow in getting started and didn't click until the second half. The absence of Earl Graff and Abe Dick, who are on the injured list, was felt by the team. Bob DeBoer, who saw only limited service during the game, also because of an injury, was missed for his great defensive play.

Most of York's gains were made by Campbell and Fred Vorce, Campbell's line smashes being good for a number of gains. Vorce turned in one of the longest runs of the evening.

The starting lineups:
York Pos. Doane
 Kaeding LE Grossart
 Miller LT Redman
 Fahring LG Gwin
 Dicus C Panches
 B. DeBoer RG Birkholtz
 Holbrook RT Martens
 Haberman RE Schultz
 B. Graff QB Kasperek
 Auchard HB Butler
 Speece HB Valenta
 Campbell FB Tyson
 Referee: Rollie Horney (Nebraska); umpire, Wendell Groth (Lincoln); head linesman, W. K. Ring (Nebraska).

AROUND THE CONFERENCE

By BLAINE RONNE
 Nebr. College Conference

	W	L
Kearney	3	0
Doane	2	0
Wayne	1	0
Peru	1	1
Hastings	0	1
Chadron	0	1
Midland	0	2
York	0	2
Wesleyan	0	0

The Kearney State Antelopes jumped into the lead in the Nebraska College Conference last week after defeating the Chadron Teachers 14-0. The Antelopes have won three straight conference games in the same number of weeks. Saturday, they meet the Nebr. Wesleyan Plainsmen at Lincoln. It will be the first conference game for the Plainsmen this year and their strength as yet, is not known. All eyes and ears seem to be turned in that direction and what will happen nobody knows. Other conference games this week include Hastings at Doane and Midland at York.

Tomorrow night the Panthers play host to the Midland college Warriors. It will mark the 22 game between the two teams and both will be seeking their first conference win. The series between the two teams started in 1919, York defeating Midland 42-0. Down through the years, Midland has won 15 games to York's three. Three games were also ties. The Panthers' last victory over the Warriors was in 1935 when York won 3-0.

Midland college seems to be following that institution's tradition of having small coaches. The new Midland mentor, John Pfitsch, stands a scant five feet eight inches and weighs but 135 pounds. Coach Pfitsch graduated from the University of Texas and earned his master's degree in 1942 at Kansas university. He is now studying for his doctor of philosophy degree. Midland's former head coach, William "Speck" Nelson was five feet seven and weighed 146 pounds.

What will Chillicothe have in store for the Panthers when they meet them at Chillicothe on Oct. 18? That is probably what Coach R. E. Tonkin is wondering now. Chillicothe had only three returning lettermen, but it is a school where athletes may enroll any day of the week and may graduate any day except Sunday. They have just resumed their gridiron schedule after a three-year wartime lapse. Chillicothe was romped on 65-0 in their opening game of the season with Missouri Valley. They do have one of the best playing fields that the Panthers will have the privilege of playing on this year. As for the game, time will tell.

B-Squad Opens Five Game Season This Afternoon At Doane

Assistant Coach Floyd Taylor's B-squad opens a five game season this afternoon on the Doane gridiron. About twenty players made the trip to Crete. The scheduled games of the team are as follows:
 Oct. 10—Doane, away
 Oct. 16—Wesleyan, home
 Oct. 24—Doane, home
 Oct. 31—Wesleyan, away
 Nov. 7—Kearney, home.

E. Graff And Dick On Injury List

Earl Graff, Panther quarterback, and Abe Dick, Panther end, saw the Doane-York game last Friday night from the bench. Both who have been on the starting line-up, are on the injury list.

Graff, twin brother of Burl and regular quarterback, received a twisted knee in the Concordia-York tussle. His injury has been responding to treatment and he expects to be ready for the Midland game tomorrow night.

Dick also received a knee injury in the Concordia-York game. He will be out until the Chillicothe or homecoming game. Dick, who is 6' 6", has been starting at the right end position.

Dick and Graff are the only members of the Panther squad who are on the inactive list at present. The squad felt their loss in the last game. It is hoped that they will both be back on the active list soon.

Panthers Down Concordia 19-6 In First Home Game

Speece, Auchard, And Kaeding Score for First York College Victory of The Season

The York College eleven entered the win column in the first home game of the season as they downed Concordia teachers 19-6. A light Concordia squad provided plenty of opposition as they held the Panthers scoreless until late in the second quarter.

Ross Speece, the mighty mite, rang up the first six points for the Panthers, going over from the eleven, after Auchard's T. D. on the previous play had been called back because of a York offside. Speece kicked the extra point sending York ahead 7-0.

Late in the third quarter, Denney Auchard, not long to be denied, outraced friend and foe to score from his own forty-five. Speece missed the kick. York 13-0.

Concordia came to life after recovering a York fumble on the York 33. The Teachers required only four plays to score, as they sent Reiling over from the one. A bad pass from center hobbled the try for point.

With less than two minutes remaining in the game, the Panthers combined neat ball-handling and a bit of scythe-like blocking to tally a final six points. The Teachers allowed big Wayne Kaeding a shirt-tail start and then were forced to watch number 46 reel off forty yards and a T. D. The kick was no good, and the game ended 19-6.

A much under-rated Concordia line showed plenty of fight against

York's heavier forwards. Trick plays and unorthodox spread formations kept Panther defenders on their toes constantly.

York ball carriers looked better than in the Kearney opener, showing less inclination to dribble the ball. There were a few missed tackles, but as a whole, the team showed improvement. On some plays, especially those which resulted in touchdowns, the blocking was terrific.

Starting line-ups:

York	Pos.	Concordia
Haberman	le	Cloeter
Miller	lt	Leckband
Fahring	lg	McCall
Dicus	c	Guenther
B. DeBoer	rg (C)	Hillman
Christiansen	rt	Ohlmann
Dick	re	Bachmann
E. Graff (C-C)	qb	Baack
Auchard	hb	Waak
Speece	hb	Cordes
Campbell	fb	Meyer

Missionary To Puerto Rico Speaks At Y. M.

"Christ can transform human personalities," declared Rev. Harry E. Zech in an address to the Y. M. C. A. on Tuesday morning. Rev. Zech has completed one term of service in the United Brethren missions at Puerto Rico and is now representing Puerto Rico in the missionary crusade.

Mr. Zech explained some of the unsanitary and unhealthy living conditions of the over-populated island and the effect of missions on these conditions. When the United Brethren mission was first started, the people were 77% illiterate, but in the few years that the missions have been established, that number has been decreased to 31%, he said.

"People need God today," concluded Mr. Zech as he urged young men to think seriously about the Christian missionary work as a life calling, "for there is no other hope for the world than the Christian way."

Dr. Noll Attends IOOF Convention

"Everything was all right until we got to Pittsburg," said Prof. W. C. Noll, describing his recent trip to Ohio and Pennsylvania. "Then the sun seemed to come in on the wrong side of the coach."

Dr. Noll attended the annual convention of the Sovereign Grand Lodge of Independent Order of Odd Fellows held at Columbus, Ohio. He was one of four Nebraska representatives this year. There were 212 authorized delegates including men from every state of the United States and every province of Canada.

While back east, Dr. Noll visited relatives in Pennsylvania, the home state of his father. He was impressed by the Appalachian mountains which, he said, "have rounded tops which are several miles in diameter instead of the pyramid peaks."

"I never enjoyed anything so much as riding through the mountains. To go two or three miles we often went 16 miles through the mountain roads," stated Prof. Noll.

Arlene Johnson, senior, Republic, Kansas, was the week-end guest of Lois Shaneyfelt, junior of Central City.

Joyce Holst Is Elected PALS Chaplain

Joyce Holst, junior, Coffeyville, Kansas, was elected chaplain of PALS at their recent meeting, October 1, and Mr. William White, of the Expression Department, an active PAL in his student days, gave a discussion on the pantomime.

The rest of the program consisted of devotions, led by Ethel Brooks, junior, Cedar Rapids, Iowa, special music by Leland Miller, junior, Ventura, Iowa, and presentation of a pantomime by each member of the group.

Church Notes

A number of college young people took part in the annual Harvest Festival, a traditional praise service for the harvest, which was held in the college church on Sunday, September 28.

James Urbach, of the college church presided at the evening service which was presented entirely by young people. Harold Holton, freshman, Chariton, Iowa, played the piano. Scripture was read by Harriet Thomas, sophomore, Topeka, Kansas, and prayer was offered by Vivian Olson, sophomore of Imperial. A male quartet composed of Lora Holbrook, senior, Orchard; Dick Riggs, sophomore, Ames, Iowa; Bill Johnson, freshman, Merville, Iowa, and Marvin Herrick, junior, York, sang "I'd Rather Have Jesus." Iona Shaw, junior, Great Falls, Montana, read a group of poems. Two pre-seminary students, Claude Mc-Minn, freshman, Salina, Kansas, and Oren Reger, sophomore, Amherst, gave the addresses of the evening on "Thanking God for Material and Spiritual Blessings." The closing prayer was offered by Dick MacCanon, sophomore, Des Moines, Iowa.

WAA Sportstuff

By Suzy the Snoop

While doing exercises in physical education class, the girls were told to raise their "fore" arms. "Genius" Thomas remarked, "Whattaya think I am—twins?"

Those football muscles aren't all propaganda! Just ask Scotty and Rachel.

Butch told Suzy that Denny puts ice cubes under his shoulder pads—just so he can give the girls the cold shoulder!

Nuggets From Chapel Talks

"Live today with a sense of living victoriously," declared Dr. G. T. Savery, pastor of the college church, in a recent chapel address. "Man must have dominion over himself if he is to live victoriously," continued Dr. Savery. "These things are possible through the grace of God. We are what we help God to make us in spite of handicaps if we have a simple piety and a simple trust in God."

Man is no bigger than the treatment he gives his fellowman. This is the opinion of Dr. Charles Bisset, head of the social science department, who spoke at a recent chapel program. Prof. Bisset continued by stating that meanness is a cross between sin and crime. He enumerated various types of meanness which people in general have at one time or another.

"Shall there be more religion in the news in the future? Shall the news be determined by greed or good-will?" asked Dr. J. C. Morgan, head of the classical language department, in a recent formal address. "During the war much religion appeared in the news and in the times of the Old Testament news had a religious significance. It will depend upon this generation whether there will be more religion in the news of the future," concluded Prof. Morgan.

Student Receives Thanks From Finland

Aloyis Holst, sophomore, Coffeyville, Kans., received the following letter of thanks for a relief box sent to Mariffi Jussila by the summer school students:

"To my great astonishment I received some time ago a very good parcel from you. My hearty thanks for it!

"I very greatly hesitated when I received it for I knew the sender not at all. I should be very glad if I should get from you some information from it how you have gotten my address and what has caused it, that to me has been prepared this unexpected joy.

"I can not with words describe, to how great need it came to me; for our provision situation is very bad now.

"I thank you very much for your splendid gift! My warm regards from Finland to you!"

Mr. Jussila's address is Uusi-kaupunki, Finland.

Miss Eloise Fralich of Mullenville, Kansas, was on the campus recently visiting Peggy Ford, sophomore of Mullenville, Kans.

Wanda Miller Is Co-Accompanist of College Glee Club

Wanda Miller, sophomore, Russell, Kansas, will be co-accompanist of the college glee club, assisting Marjorie Thornton, senior, of Billings, Mont., and Lois Anderson, also a senior of Billings, will begin her work as accompanist for the sophomore trio, according to Prof. Charles Amadon, Dean of Hulitt Conservatory.

Jane Martin, junior, of Concordia, Kans., was elected Student Council representative of the glee club at a recent election.

Recruits To Make Canvas of York

"Which church do you prefer to attend?" Teams of Life Work Recruits will ask that question of the entire population of York in a religious survey sponsored by and for the Ministerial Alliance of York.

Aloyis Holst, president of Recruits, sophomore, York, stated, "The Ministerial Alliance will present a gift to any fund which the Life Work Recruits specify in return for the help we give them."

The city has been divided into fifty-three sections of two blocks per section for the canvas. Present plans call for its completion by October 22. A similar survey was held eleven years ago.

Miss McKinsey Speaks At Y.W.

Miss Mary McKinsey, former missionary to Africa, spoke to the Y. W. C. A. about some of her experiences while teaching in the Hartford Girls' school in Sierra Leone, West Africa.

In speaking of her students at Hartford, Miss McKinsey remarked about the sameness of all girls wherever they are. Although the social life of a girls' school is much different from that in a co-educational school, the element of fun enters in.

Among the pictures shown by Miss McKinsey of native nurses was a picture of Charles Williams, sophomore, Sierra Leone, West Africa.

"For years we have worked and prayed that people might accept Christ and that time has now come. They are ready but we must look to you for leaders and funds. This is a challenge for full time Christian service." These were the closing words of Miss McKinsey.

Fine Arts Is Theme of Zeta Open Meeting

"Fine Arts" was the theme of the Zeta Literary Society in their recent open meeting.

The three-fold theme was introduced by a talk, "Music" by Barbara Blauch, sophomore, York, followed by a vocal selection, "Hometown", sung by Bob Moom-ey, junior, York.

"Art" was discussed by Jean Rasp, junior, Shelby. Elsie Walker, sophomore, Espanola, New Mexico gave a musical reading.

The final talk, "Literature", by Harriet Thomas, sophomore, Topeka, Kans., was illustrated by poetic selections based upon various moods.

Doris Jean Canon, sophomore, Philomath, Oregon, sang, "The Lord's Prayer" as the closing number.

Norma Jean Anderson, sophomore, York, was mistress of ceremonies and Marjorie Thornton, senior, Billings, Mont., accompanied the musical numbers. Mary Anderson, junior, Pueblo, Colo. had the devotions.

A social hour with refreshments followed the program. Anna Kamm, junior, Platte Center, Leslie Herron, sophomore, Ames, Ia., and Marie Harris served the refreshments.
