

New Courses Added to Curriculum

Several new courses are being offered to York College students this fall in the departments of music, graphic arts, English, and religion.

According to Mr. James Koontz, new assistant in the music department, the principal aim of most of the music courses is "just fun." However, he points out that students may learn much about music while enjoying themselves. The men's and women's glee clubs will devote their time to the interpretation of choral music. An orchestra consisting of stringed instruments will also be organized. Its purpose will be to teach the musicians to play as a group. Mr. Koontz states that he expects to present several formal concerts during the school year from these classes.

A course of music for high school teachers is also offered under the direction of Mr. Koontz. Study of orchestra and bands to enable the prospective teacher to teach instrumental music is the first objective of this class. The latter half of the course will be devoted to the study of choral groups and the problems of the adolescent music student.

Mrs. Josephine Hartsaw of the graphic art department is teaching a course in fundamentals of design. Later, applied design will be taught.

A course in types of English literature is offered by Miss Jean Mattingly of the English department. This is a reading course for those who are not concerned with the historical development of literature. Those who wish either a minor or major in English are expected to take the survey course rather than the types course, it was learned.

For the student interested in religious subjects, Dr. D. E. Weidler, education department, conducts a class in the history of Christian missions. This deals with a history of Christian missionary expansion and the lives of prominent missionaries, the influence of Christianity upon non-Christian civilizations, and the present missionary problems.

MARILYN DONAHOE WEDS DON ROBSON

The marriage of Marolyn Donohoe, ex-'48, York, to Donald Robson, Thayer, '48, was solemnized on Sept. 13, at 7:30 p. m. in the local Methodist church. The couple will make their home in York, where the groom will finish his college work.

The bride's attendants were college students, Jane Martin, Concordia, Kans., and Hope Howland, Mission, Kans., both seniors.

Student Missionary Reaches Africa

Miss Florence Barnhart, student representative from Evangelical United Brethren Colleges, has arrived at Moyambo, West Africa, where she will teach for two years in the Harford School. Miss Barnhart is a graduate of Lebanon Valley College.

Student Council Elects

In a recent organizational meeting of the student council, Dick Miller, sophomore, Ventura, Ia., was elected vice-president for the coming year. Other officers chosen were: secretary, Opal Anderson, sophomore, York, and treasurer, Gerald Witham, junior, Agra, Kans.

Denny Auchard, senior, Alexander, Kans., who was elected president last spring, announced the plans for homecoming and appointed some committees.

Opening Week . . .

CAMPUS CROSS SECTION

In the lower left hand corner a freshman "pleads guilty". He no doubt has been warned as to the futility of any other course. The "skates" in the gym, next shot toward the right, have been well attended and well liked. Freshmen tests are made in the library as well as by the grueling freshman court. During the few idle moments that a student has he may find himself engaged in a "fast and furious" game of croquet. Even eating is a vital part of the opening week's activities.

In the center of the college activities is the ever present spirit of friendliness. The hand clasp represents this campus ideal. On the left of the handshake is a glimpse of something unusual . . . sleep. On the right is circumstantial evidence of the Jolly Up.

Mrs. W. S. Luper, upper left hand corner, is no stranger to the students. Not only is she responsible for supervising the improvements at Hulitt Hall but she is also responsible, as its hostess, to see that it runs smoothly. "Thud! Thud! there's nothing like foot-

ball practice. Nothing!" Dean W. J. Karraker helps new students to plan what courses to take and how to do enough things to keep one busy 36 hours in a day. Receptions, teas, and especially that picnic help freshmen and upper classmen get acquainted. Dr. W. E. Bachman's face although new as a president's is a familiar one to both old and new students by now.

Student Body From 18 States

Students from 18 states, one foreign country, and ten denominations comprise the enrollment on the York College campus this fall. Men are in the majority at the ratio of 1.9 man to every woman.

Nebraska leads the states with a representation of 55.3 per cent of the total enrollment. Kansas and Iowa are next with 11.06 per cent, and 8.85 per cent. New Mexico has a 5.95 per cent, and Missouri a 3.14 per cent representation. California has five students; Montana, Oklahoma, Oregon each have four, and Wyoming and Colorado tie with three apiece. Washington is represented by two students, and Arizona, Arkansas, Illinois, Minnesota, Texas, and Wisconsin each have one. A West African student is our representative from a foreign country.

Church preferences listed by the students reveal many denominational choices, as follows: two Congregational, one Evangelical Covenant, one Nazarene, two Mennonites, two "Protestants", six Baptists, and seven Roman Catholics. The Lutheran church is credited with 4.5 per cent, the Presbyterian church 7.65 per cent, the Methodist church, 15.75 per cent, and the Evangelical United Brethren church 63.1 per cent of the total enrollment.

Men outnumber the women in all classes. In the freshman class there are 1.9 men for every woman. The sophomore ratio is 2.04, and the junior, 2.17. The seniors number only 1.5 times as many men as women.

The freshman class is the largest with 39 per cent of the total enrollment. 31 per cent are sophomores, 16.2 per cent are juniors, and 13.8 per cent, seniors.

Rev. and Mrs. Paul B. Porter, Aurora, visited their son, Warren, sophomore, and their daughter, Frances, freshman, last week.

NEWS BRIEFS

Mr. and Mrs. Harley Danner, both ex-'49, and daughter Vickie, of Northwood, Ia., were on the campus recently. Mrs. Danner is the former Eva Evenson. They came to attend the wedding of Don Robson, senior, and Marolyn Donohoe, ex-'48, at which Mr. Danner was an usher.

Mr. and Mrs. Merwin Kurtz, junior and sophomore, and Leta Kurtz, freshman, were called to Alton, Kans., to attend the funeral of their grandfather, H. E. Kurtz, last week. Mrs. Kurtz was formerly Jeanne Anderson.

Mr. and Mrs. V. D. Martin and Marshall, were recent guests of Jane Martin, senior, and Kendall Martin, sophomore, of Concordia, Kans.

Mrs. O. K. Webster, Salina, Kans., a well known friend of York College, accompanied by her parents made York College a short visit while enroute to Iowa and Minnesota.

Rev. and Mrs. J. P. Allison, Winfield, Kans., accompanied their son, Rolland, freshman, who enrolled last week.

'Faculty' Featured At First Jolly-Up

"Our Prodigious Faculty" might have been the theme of the first semester jolly-up sponsored by the YMCA and YWCA.

The guests were greeted at the gymnasium door by a reception line of students dressed to represent various faculty members. When all were seated, they were led in several college yells by the cheer-leaders. Then the spotlight was focused on a mock faculty meeting composed of the simulated faculty. One by one these characters were maneuvered to various portions of the room where they participated in skits paradoxical to the instructor whom they represented.

As a traditional part of the jolly-up, the freshmen were then lined up and led in the college song by their president, Charles Emerick, Portland, Ore. This is the legal beginning of freshman initiation.

The serving of refreshments, consisting of orange-ade and cupcakes, concluded the evening's entertainment.

The program was under the direction of Mary Alice Riggs, junior, Ames, Ia., and Dick Riggs, senior, Ames, Ia., social chairmen for the YMCA and YWCA respectively.

Amadons Return From Eastern Trip

Dean Charles Amadon, Dean of Hulitt Conservatory, and Mrs. Amadon have returned from a motor trip to Boston and vicinity. While there they visited their respective fathers and their son, Arthur, ex-'35, who has recently moved into a new home at Wellesley Hills.

The trip was marred by the illness of Dean Amadon who is now resting at home but hopes to be able to take up his work soon.

Hulitt Hall Is Rejuvenated

Things are different now at Hulitt Hall. Under the supervision of Mrs. W. S. Luper, hostess of Hulitt Hall, the women's dormitory has been redecorated.

In the reception room are to be seen flower covered sofas and armchairs with new matching drapes. Two green plastic leather divans have also been added. In the corners of the room are built-in cupboards for the "what-nots" of the students.

Hall redecoration includes battleship linoleum-covered steps, and repapered walls with imitation tile wainscoting.

In addition to the improvements the women have made in their rooms, is the installation of a telephone on second floor for the convenience of the students and housemother.

INTRODUCING MYSELF . . .

I am the Sandburr. To many of you I am a very familiar feature of the campus but to others I am just "something new". I appear around here every other week around noon on Thursday. I hope to become good friends with all of you during this coming year. As friends we will have certain responsibilities and privileges. I promise you that I will try to bring to you a complete coverage of the year's events. Since I come no oftener than twice a month, I will often bring you reports that to you is not news in the strictest sense of the word, but at the end of the year if you have kept all of my reports, you will have a historical record of this year's events. Although you on the campus are the friends nearest to me, I must reserve a little corner of my heart for my many friends all over the United States; for I visit almost ten times as many people off the campus as I ever get to meet here. Like all true friends we should feel free to help each other. If you have any suggestions as to anything to help my personality, I'd appreciate your telling me and I in turn will try to help you. Thus our friendship will grow and we'll be mutually aided.

PATRONIZE OUR ADVERTISERS!

Part of the expense of printing the SANDBURR is defrayed by their purchasing advertising space. Use the "Burr" as a directory or a business guide when you go shopping. When making a purchase, state that you saw their ad in the College paper. Cooperation between the business men and the students will make a greater York and a greater York College.

To the old and new advertisers, we extend our wish for a prosperous year.

(Signed) Business Manager.

Day of Doom Dawns . . .

"Ladies and gentlemen of the court, I will prove to you that this animal of the genus frankfurter does have a vertebra." Thus spoke one of the freshman featured in last Friday's Freshman Court sessions. (He very ridiculously proved his point.)

Freshman Court, as most people know, is the York College way of initiating its freshmen into college life and helping them become acquainted and develop class spirit. "Tex" Conway, as chief justice, and "Gypsy" Gillespie, as clerk of the court, are the powers at the head of a corps of eight judges who solemnly and dolefully pass sentences upon the freshmen.

The judges are, "Hard-hearted Harriet" Thomas, "Whitey-the-paddle-slinger" Nordstrom, "Blood-thirsty Cindy" Campbell, "Dangerous Milton" Snow, "Terrified Lois" Dever, and "Ruined Rocky" Rockhold.

As well as using several traditional sentences such as spats, fishing in the street, a mock wedding, etc., these judges have many unique ideas. The Pantherettes were firmly saluted by two freshmen boys at the Kearney game. The campus was blessed (?) with the presence of a "dangel" — a girl dressed as half angel and half demon. A mock suicide, picketing of the local telephone office, and washing clothes on the court house lawn are a few of the activities freshmen are engaged in on Saturdays.

According to Bob Gillespie, clerk of the court, the court is endeavoring to summon and sentence each freshman at least once in the three weeks of probation.

Second sentences will be passed only after a large per cent of the freshmen have been called up.

A Warning:

Be careful, my freshmen, or you shall see
Conway swing that paddle at thee.

ON BANDS . . .

Rubber bands, freshman bands (ties, that is), wedding bands, band-aids, bandits and bandanas all come into our minds, when the word band is mentioned. Wait a minute . . . what about musical bands?

According to our old pal, Danny Webster, a band is "that which binds together; that which connects". Although he may not have had our York College band specifically in mind he hit the nail right on the head. No football game is complete without the marches and general pep furnished by a band. No pep chapel is complete without some "corny" music and no school year is really complete without some "long-haired music. So our band is going to "Bind together" sports, music, culture, students, faculty and James Koontz.

But right now we need some cooperation in "binding together" our band. If you are a student who plays an instrument, join the band. If you are a student interested in learning to play an instrument, join the band. If you are an instrument, join the band.

The total result will be a band of which Y. C. is proud.

Thanks . . .

To the Roberts' Floral Company and to the York Floral Company for the bouquets at the opening of the Hulitt Hall reception room.

Hi-Lites from Chapel Talks

by Louis Rachow

Grow in Understanding of God

The necessity in Christian life is to grow and to advance stage by stage in understanding of God. This was the essence of the last formal chapel address by Dr. D. E. Weidler, head of the education department. It is God's purpose that we should develop; it is our privilege, he added.

"There are four means of grace by which we can develop and nurture the Christian life," declared Dr. Weidler. "They are the chapel service, church worship, private devotions, and communion in prayer."

Keep Your Friendship in Repair

"Friendship is indicated by the handshake; the heart is in the fingertips," declared Dr. Charles Bisset, head of the social science department, in a recent chapel address. "The world's greatest need is friendship. People must make new friends and keep their friendship in constant repair."

Prof. Bisset declared that York college is a friendly college, York is a friendly city, and the Evangelical United Brethren Church is a friendly church. "Kindness is a kind of language," he added.

Cupid Continues Work Through Summer Months

When a man marries his troubles begin . . .

Three York college men "began their troubles" last summer when they entered the institution of matrimony with three York college women. Don Noll, Gerald Edgar, and Merwin Kurtz now have to answer to the "Little women".

Don Noll and Betty Jean Schoonover were married the first of June. They now live in York. Mr. Noll attends college, and Mrs. Noll is on the faculty of the Lushton high school.

Two Kansans, Irene Brandenburg and Gerald Edgar, were married in early August. Both Mr. and Mrs. Edgar are attending college. He is Business Manager of the Sandburr and she is a cub reporter.

Although she sometimes answers to "Miss Anderson", Jeanne B. was married to Merwin Kurtz last month. Both are attending college. They are easily known by their matching sweaters.

Miss Shirley Keil, summer school sophomore, Gresham, has visited on recent Saturdays with her former roommate, Lois Riddle, sophomore, Brookfield, Mo. Miss Keil, teacher at district No. 55, is taking music lessons and expects to be a regular campus visitor on Saturdays.

Sports Dope

Yes, we know York college has a football team, but whom do we play? Are we in a conference? If so, with whom? What about this conference? What are our chances?

THE N. C. C.
 York College is a member of the Nebraska College Conference. The N. C. C. was born in the spring of 1946 and officially went into effect with the 1946 conference track meet. Nine Nebraska colleges are members of this conference. They are Nebraska Wesleyan, Midland, Doane, Peru State, Hastings, Kearney State, Wayne State, Chadron State, and York College.

SOME DOPE
 Peru State won the 1946 state track meet, and Kearney State edged out Chadron State for the 1947 championship. In football, Doane College won the 1946 crown with an undefeated, once tied, season of play. Nebraska Wesleyan, the team which also went undefeated, but played one less conference game than Doane, played in the New Year's Will Rogers' Bowl game in Enid, Okla. against George Pepperdine College of California. In the 1946-47 basketball circle, Hastings emerged state champs by nosing out York College by a 47-46 score in the next to last game of the season for York.

Panthers Lose Opener to Kearney Antelopes, 26-6

Kearney's 58 Man Squad Out Weigh The Panthers 12 Pounds Per Man

A seventy-four yard touchdown run from kick off at the beginning of the second half, sparked the Kearney State Antelopes to a 26-6 victory over the York College Panthers after a tied first half in their opening game last Friday night on York's home field.

Kearney brought along a 58 man squad which carried a weight advantage of twelve pounds per man. The average weight of the Panthers was 177 pounds. A near capacity crowd watched the hard fought battle in perfect baseball rather than football weather.

York drew first blood after a pass from Ross Speece to Jim Conway put the Panthers on Kearney's 35. Speece on a naked reverse ran 35 yards to score. Try for point was wide.

In the second quarter, Carroll intercepted a Panther pass on the York 40. Two passes to Rumbaugh and Marrow put the Ante-

lopes in scoring position and Ryan carried it over. Try for point was wide.

The Antelopes received when the second half opened, and Haver took the kick-off and ran 74 yards to score. Try for point by Cox was good. The Teachers scored again on a drive from their own 39. A Kearney punt which went out on the York one foot line kept the ball in York territory the rest of the quarter.

The Antelope's ball on the York 13 at the beginning of the last quarter. A pass from Conway to Rumbaugh set the scoring position and Augustine carried it over. York took the kickoff, began a drive which carried them to the Antelopes 27, and lost the ball on a very hard tackle. Lee Miller intercepted a Kearney pass but the drive didn't get started again.

The Panthers had the spirit and the will to win; however superior weight and numbers wore them down. The line blocked well and some vicious tackles were made. Mark Fahring was knocked out in the second quarter and did not reenter the game.

The starting line-ups:

York	Kearney
Conway	LE Rumbaugh
Christiansen	LT Davis
Farrer	LG Wilson
Rockhold	C Imming
Fahring	RG Dusek
Denton	RT Harding
Dick	RE Marrow
DeBoer	FB Johnson

ACTIVITIES IN FULL SWING

First Joint Meeting Y.M.C.A. and Y. W. C. A.

World unity through sharing and love was presented as the chief goal of the Y. M. C. A. and Y. W. C. A. for this year. Jasmine Ingaham, senior of Sewal, Ia., presided at the Christian associations' first joint meeting of the year held in the chapel.

The following program was presented: group singing, led by Milton Snow, junior of Des Moines, Ia.; devotionals, Mark Fahring, sophomore, Salina, Kans.; "Balm in Gilead" by the Junior Girls' Trio composed of Wanda Miller, Russell, Kans., Barbara Blauch, York, and Mary Alice Riggs, Ames, Ia.; current goals of the Christian associations, Jane Martin, senior of Concordia, Kans. Mark Fahring gave the closing prayer.

New Members of Y. W. C. A. Inducted

New members of the Y. W. C. A. were inducted into the organization during a candlelight session held in the chapel September 23. Miss Irene Shipley, department of speech and dramatic art, and sponsor of the group, gave a brief talk on the ideal Y. W. C. A. girl. A special number, "God's Highway," was sung by Rachel Langenberg, sophomore, Woodruff, Kans.

"Shadows" Featured At Y. W. C. A. Tea

"Shadows" was the theme of the annual Y. W. Tea held at the Evangelical United Brethren church Thursday, September 12.

"Deep Purple", a piano arrangement, was played by Eunice Goodrich, senior, Portland, Ore., for the opening musical shadows. Welcoming the freshman, Ethel Brooks, senior, Cedar Rapids, Ia., president of the Y. W. C. A. presented the "Y. W. Glow" followed by a freshman's "Reflection" by Glenna Auchard, Woodston, Kans. "The Shadow Child," a reading by Harriet Thomas, and "Notes of Twilight Shadows" by the Girls' Trio completed the afternoon's program.

Miss Irene Shipley, sponsor of the Y. W. C. A., and Ethel Brooks presided at the table.

Nadine Allen, '47 who is now teaching at Strang, was a weekend visitor to her friends in York.

Clarence Yates, ex-'50, Espanola, New Mex., visited friends in York enroute to Indiana Central college.

Harold Hasenkrug, ex-'50 was on the campus recently. Hasenkrug plans to return to college the second semester.

INTERNATIONAL RELATIONS CLUB

It is likely that some of the Y. C. students have a clearer view of the importance of the Marshall plan and the Japanese Republican-Netherlands war since attending the International Relations club meeting last Tuesday night. Warren Porter, sophomore, and president of the club, Aurora, presided at the meeting which was held in Dr. E. I. Doty's room in the Administration building at 7:30 p. m.

Lois Jean Shaneyfelt, senior, Central City, gave a talk on the Marshall plan and Harold Walker, junior, Santa Cruz, New Mex., spoke on the Japanese situation. The speakers were questioned by the members and open discussion was held on both questions.

Dr. Doty of the History and Political Science departments has this to say about the IRC. "This club is made up of students who are interested in the Foreign Affairs of our country. The work of the club is carried on by students. There is a sponsor who is in no sense a boss."

"The members of this club think we all have a stake in the international events and situations of our day and they want to know more about them," said the club president. "The UN assembly is just now beginning another session. It is frankly admitted that its action may result either in war or in peace. We think it makes a difference and we want to study developments."

Y. C. STUDENTS GIVE PROGRAM

York College students participated in a recent luncheon program of the Co-op. Business Men's club. Milton Snow, junior, Des Moines, Ia., sang, "Desert Song" by Sigmund Romberg. Iona Shaw, senior, Great Falls, Mont., read "Husbands", and Hope Howland, senior, Kansas City, Kans., read "Pigs and Proposals" by Ann Lee.
