

Miss Wanda Miller Reigns As Homecoming Queen of 1947

ATTENDANTS CHOSEN FROM FOUR COLLEGE CLASSES

Miss Wanda Miller, junior, Russell, Kans., was crowned Homecoming Queen of 1947 in a colorful ceremony at the college church as a part of the annual homecoming celebration. Miss Miller is an accomplished musician and athlete. She is a member of the cheerleading squad and the junior trio, and is active in the Y. W. C. A., W. A. A., Zetas, Life Work Recruits, and Press Guild. On the Sandburr staff she serves as news-editor. As a freshman, her majesty was elected president of her class, and was chosen Panther Sweetheart.

The queen was crowned by Jean R as p Schneider, Homecoming Queen of 1946. Her court was made up of attendants from each class. They were: seniors: Jane Martin of Concordia, Kans., and Denny Auchard of Alexander, Kans.; juniors: Harriet Thomas of Topeka, Kans., and Milton Snow of Des Moines, Ia.; sophomores: Faith Megill of Arkansas City, Kans., and Lester Hazen of The Dalles, Ore., and freshmen: Catharine Walker of Maize, Kans., and Ronnie Martin of Whittier, Calif. Mike and Midge Huebert, little son and daughter of Mr. and Mrs. Lee Huebert, '47, carried the queen's train.

The morning program began with an organ solo, "Marche Heroique de Jean d'Arc," Dubois, by Prof. Bruce Herrick. Then followed the coronation, after which Dean W. J. Karraker, as master of ceremonies, introduced the college ladies' chorus under the direction of Prof. James Koontz, which sang "Keep Your Lamps Trimmed" by Nobel Cain.

Greetings were extended from York College to visiting parents and alumni by Pres. W. E. Bachman, and greetings from the city of York were extended by John Riddell, city attorney, a former York College athletic coach.

Harold Holton, sophomore, Russell, Ia., played "Nocturne in E flat" by Chopin.

Rev. W. P. Watkins, superintendent of the Nebraska Evangelical United Brethren Church, gave an address on the responsibility of the Christian college.

The program was concluded with another number, "How Lovely Are Thy Dwellings," Cain, by the ladies' chorus.

Miss Mary Alice Slee Moved To Iowa Hospital

Miss Mary Alice Slee, head of York College department of education from 1928 to 1945, who has been a patient at the York General hospital since June 6, was removed to a hospital at Hampton, Ia., last week. The hospital in Hampton is located next door to the office of her brother-in-law, Dr. F. L. Fibert. Mrs. Fibert will be remembered as Miss Elizabeth Slee who visited her sister in York a number of times.

In 1945 Miss Slee gave up work at Y. C. to return to public school work in her home state at Guthrie Center, Ia., where she taught for two years. While at Y. C., Miss Slee was interested in many of the student activities and was sponsor of PALS for some time. She was a guest at the PALS' banquet last spring when she was stricken by a cerebral hemorrhage.

JOHN REGER WEDS

John Reger, '50, was married to Miss Genevieve Schneidewind of Julian Oct. 3 in the Methodist church in Julian. Mr. Reger's father, the Rev. L. A. Reger, was the minister in charge of the service. The attendants were Miss Schneidewind's sister and brother-in-law, Mrs. and Mr. David Housh. Mrs. Robert Davis, sister to Mr. Reger, supplied the music for the service.

York College Represented At District YM - YW Meet

Seven students and one faculty member represented York College at the semi-annual Nebraska District Student Conference of Y. W. C. A. and Y. M. C. A. held at Camp Brewster, Omaha, Oct. 10-12. The highlights of this conference were the workshops which instructed those present in planning Christian vocations and worship services, building Christian marriages and homes, and studying WSSF and membership problems. York College was represented in each of these groups.

Ethel Brooks, senior of Cedar Rapids, Ia., president, and Mary Katherine Jackson, sophomore of Adrian, Mo., represented the Y. W. C. A.

Those representing the Y. M. C. A. were as follows: James Bergland, sophomore of Glendive, Mont., program committee; Frank Medsker, sophomore of Columbus, Kans., program committee; Ralph Amen, sophomore of Cheyenne, Wyo., secretary; Bert Smith, freshman of Seattle, Wash., campus affairs committee; Alfred Kilpatrick, sophomore of York, district representative; and Prof. Bruce Herrick of the religion and philosophy department sponsor of the group.

DR. BACHMAN ATTENDS CHURCH BOARD MEETING

President Walter E. Bachman is in Dayton O. this week attending a board meeting of the Ev. U. B. church.

He will drop in to a few of the sessions of the National Brotherhood meeting as he attends the meeting of the General Board of Christian Education Oct. 27, 28. The presidents of the colleges and seminaries are also having a meeting at this time.

Before returning to York, he will visit the campus of Otterbein College at Westerville, O. If time permits, he will call at the Otterbein Home at Lebanon, O. to see Dr. J. R. Overmiller, the superintendent of the Home, who is reported to be in poor health at present. Mr. Overmiller was president of York College during the years, 1928-38.

Rachel Langenberg, sophomore, of Woodruff, Kans., visited her sisters, Betty and Adeline Langenberg of Hastings, over the week-end.

The investiture of Dr. Walter E. Bachman as president of York college took place before a large college church audience which included dignitaries from Nebraska colleges on Homecoming and Parent's Day last Friday. Dr. J. Gordon Howard, president of Otterbein college, Westerville, Ohio, presented eight impressive ideals which students should attain.

The program began with a processional in which college presidents of Nebraska and York faculty members participated. After the invocation by Dr. E. I. Doty, vice-president of the college, the York college chorus sang "The Twenty-third Psalm." President Emeritus D. E. Weidler introduced distinguished guests from state colleges.

Dr. J. Gordon Howard

Dr. Howard's message emphasized the following purposes for students: students should be Christian in purpose and conduct and active in the church, diligent in the search for facts and truth, able to select and enjoy the best, competent to enter a vocation, sympathetic with hopes and fears of humanity, able to choose wisely a life mate and build good homes, and trained in physical fitness, intellectual competence, and emotional poise.

Following a solo by Mrs. Bertha Riggs Boone, '41, Dr. Bachman was installed as tenth president of York college by Bishop V. O. Weidler, president of the board of trustees. President Bachman responded by saying that four groups of people hold keys to the success of the college. They are the faculty, the students, the administrators, and the friends and supporters. Dr. Bachman then introduced Prof. J. W. Karraker, newly elected dean, and the Rev. Vaughn Leaming, director of public relations.

A traditional Negro spiritual was sung by the college chorus. Dr. E. I. Doty gave the benediction.

Miss Mary McLanachan Is Recent Guest Speaker

Miss Mary McLanachan, editor and publisher of *The World Evangelist*, was a recent visitor on the York College campus. Here to attend an institute of the Women's Society of World Service at the college church, Miss McLanachan spent a few hours of her time with the G. M. G. girls.

At an informal meeting in the "Con" the visitor related some of the frenzy and rush she has experienced in being editor of the missionary booklet.

Editorially Speaking . . .

IF SO, WHICH?

This week the campus has been in a feverish state because of the Zeta-PALS competition in recruiting new members. Each organization has been boosted and the merits of each have been laid on the golden altar of student opinion. Because there seems to be no glaring difference between the ideals, programs, and activities of the two organizations many students find themselves confused as to which way to step.

It is hard to remember, when the competition is the most strenuous, that actually the organizations are sisters and that after the little family quarrel is over the two societies work side by side toward a common goal.

A literary society does have an important place in campus life. No other organization has as its sole aim the acquisition of culture. Musical programs, art programs, and literary criticisms are all a part of the year's plans. Active participation in the program gives students opportunities to experiment with their talents before sympathetic audiences.

The important thing is not which one to join but that everyone joins one. Because they meet at the same time and have parallel goals, their differences lie in the individuals belonging to each society. Therefore new students should select a literary society on the basis of the people comprising it. Above all, new students should select a literary society.

SHALL WE MOVE?

Hats off! Yes, Hats off to the loyal fans who sit in the bleachers of the opposing teams, who often in spite of a poor season on the field, have shown the courage, faith, and persistence to follow the team and pull them through to victory. The cheerleaders find a wonderful response to their efforts on the east side of the bleachers in our Friday nights' games. Perhaps, the York team should adopt that side and see just what the great advantage is. Throughout the season the loudest yelling, and lustiest rooting has emanated from the east side bleachers regardless of what team has been represented there. How about making a change in that possibility at the next game? The team is Chillicothe who will be a long way from home and unable to produce too many followers to rival the spirit of Y. C. It is a golden opportunity to set a new precedent and show the rightful respect for the men who have fought long and hard in spite of defeats and setbacks. In short, they give their all every Friday night. Can't we give a little?

Signed,
 A Y. C. Sophomore.

Y. C. STUDENTS ATTEND OPENING CONCERT NUMBER

Miss Mary Van Kirk, contralto, opened the current Community Concert series in York, with a recital on Oct. 9. About 800 listeners including a large number of York College faculty members and students, filled the city auditorium and heard Miss Van Kirk and her accompanist, Willard Sekterberg, present a well chosen, varying program.

To the autograph seekers, Pianist Sekterberg remarked, "You are a wonderful audience!" Although directed to a few young people, the words were a compliment for every local concert-goer. Miss Van Kirk stated that, as a native of Akron, Ohio, she felt at home among mid-western audiences. "I was studying to be a nurse," she said, "when I won a music scholarship to Oberlin College." After winning other auditions, she was assisted in her career by her local newspapers. "I have spent many months learning how to walk on stage and meet an audience, but I forget all those

instructions when it is time for the actual performance. I can only be myself." At this point, the singer expressed her views concerning the preferences of audiences. "They want to enjoy your music, and to feel that you are sincere. All the study in the world will not help a singer who fails to satisfy these two desires." It was this quality of sincerity that made the singer an audience favorite, and the dramatic meaning of each piece of music was made evident by her wholehearted response to its meaning.

"We who tour for Community Concerts are allowed to make up our own programs" she said. "We may be given a few suggestions for changes, if it is necessary, to provide a well balanced presentation, but for the most part the program is of our own choosing."

Miss Van Kirk's musical taste runs to Bach for listening, and for singing, to the role of Amneris, in Verdi's opera Aida. To those students who aspire to a concert career, she offers one word of advice: "Work! Study, not only in the single field of music, but in all fields. I only regret that I have not studied more."

As I Saw The Parade

By Heartless Herman,
 The Panther

"Wow, what a parade! In fact, I think it's the best I've ever been in. Of course, it's too bad every float couldn't have a prize; they were all so sharp."

The whole thing was led by the Pantherettes. I couldn't see them except when they turned corners ahead of us, but they looked mighty trim in their outfits. I could hear the drums (when cheer-leaders on my float weren't yelling their heads off.)

The first of the floats, naturally, was the Queen's "Regal", is the word for her majesty and her consort! Then came the rest of the floats. Almost all the Y. C. organizations were out for that prize money.

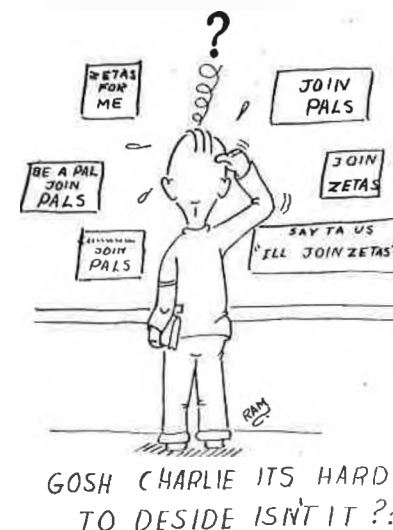

Of course, I'm not particularly friendly with dogs, but the PALS had an ingenious idea in their "Hot-dog machine". Wonder if they could use Rev. Shell's dog—he had me worried for a while when we passed the Presbyterian manse.

Honorable mention went to the Y-club for their blue and white decorum. No, they didn't use Conway's station wagon.

The O. B. N.'s very dignified global float was awarded second prize. Third place was the Zeta's, the characters all looking very "informed!"

Probably the smallest representative was Porter's Press Guild phenomenon. The Y. W. C. A., Alpha Psi Omega—I can't even name them all, but they all did wonderfully.

Of course, Lester Hazen, sophomore, The Dalles, Ore., (the Big Boss) should receive a medal or something. I guess that the fact that his Panther Club float came out on top is reward enough. But it's understandable that we won; after all, I was on the Panther Club float; I'm the symbol of school spirit, and I guess we made more noise than anybody!

KAMPUS KIDS

From the pile of tires on the practice football field two heads popped up. "Hi! Can you build one of these?" called one. "It's a boat", said the other one. These two "little people" were Pete and Kathy Koontz, children of Prof. and Mrs. James Koontz.

Pete is four years old and was born in Wakefield where his father was teaching. Mrs. Ruth Auchard and Mrs. Donald Light are his favorite girl friends. He has blue eyes and light brown hair.

"I'm Pete's baby sister," said Kathy, aged two and a half. She has blue eyes and brown hair also. Her boy friends are Paul Clark and Dick Basin.

Pete and Kathy are very athletic. Football is their favorite sport. They go through all the exercises that the football players do. They spend much of their time playing football, Kathy as Paul Clark and Pete as Dick "Basement". They also play basketball with Mrs. Donahoe.

"I sure do like Paul's car," said Pete. "It has a 14 Super-Sud body". Pete likes to be a cheerleader, too. He cheers for Wakefield high as well as for York College.

Kathy often is actually "in the doghouse." Her neighbor, Mike Speece, has a Spaniel and Kathy crawls in and out of the dog's house. Her favorite toy is a stuffed dog that she calls "Poochie".

If you see a small boy in a large silver football helmet followed by a small girl who is a cheerleader, or hear some small voices cheering for Wakefield, you

I'm happy to see so many young men taking positions at the college," said Dr. Paul Clark of the Evangelical United Brethren church, Des Moines, Ia. I've known most of them since they were boys and I think it's a fine thing."

Dr. and Mrs. Clark were here to attend the Homecoming festivities and to visit their son Paul, sophomore.

Mr. and Mrs. Clair O. Anderson of Arlington, Colo., came 500 miles to see their daughter Mary, senior, and incidentally, to celebrate their 28th wedding anniversary. "I think Mary was rather lonesome for Beth and pretty glad to see us," commented Mr. Anderson. Beth '47 is teaching at Anchorage, Alaska. The Andersons are hoping to drive to see Beth, perhaps next spring.

Dr. H. V. Riggs, (Leander Clark, '14) pastor of the Evangelical United Brethren church at Ames, Ia., probably has the record attendance for any York College fan with the exception of the faculty.

"We have been here every year they have had homecoming since 1933 and some part of the Riggs family has been connected with the college since 1919," stated Dr. Riggs.

Dr. Riggs has six children who have attended York College. The sixth, Dick, is now a senior.

PANTHER SPORTS

Sports Dope

By Denny

It can easily be said that the N. C. C. football crown is open for bids, and may the strongest bidder win. Doane, Wesleyan, Peru, and Chadron are all within a game or two of the championship. We can do nothing but wait until the last game of the season is played to find who will come out on top.

The week ending October 10 brought the following results: Wesleyan won over Kearney 14-6; Midland roughed York to a 13-0 victory; Doane handed Hastings its second conference defeat 14-7; and Chadron won its third conference game in a row 12-0 over Wayne.

Last week's games showed Peru winning over Chadron by 14-6. York dropped its fifth conference game in a row to Hastings 26-7 after leading 7-6 at the half-time; Wesleyan romped over Midland 20-6; and Doane drubbed Wayne 24-7. Kearney in a non-conference battle overwhelmed Sterling College, Sterling, Kansas, 34-0.

Doane is in the questionable lead in the conference race with three wins, no losses, and one tie. Peru and Wesleyan have both lost none, but Peru has two ties while Wesleyan has but two wins. From the picture as it stands now next week's games matching Wesleyan with Peru, Wayne with Hastings, and Chadron with Midland could easily tighten the race for the conference crown.

Back to York College. It seems that Y. C. has had nothing but bad luck this season. In not a single game have there been more than one touchdown between York and their opponents' scores at the half-time. For some reason the second half always finds York on the defensive. We are the smallest school in the conference and we lack reserve power. Nevertheless, it is yet to be said by a York opponent that its victory over York was not earned. We may be a long way from the top, but the top teams have had to fight and for the remainder of the season will have to fight sixty minutes to win over York.

Conference Standings

	W	L	T
Doane	3	0	1
Wesleyan	2	0	1
Peru	2	0	2
Chadron	2	1	0
Kearney	2	2	0
Wayne	0	1	3

Cubs Lose To Doane B Team

The Panther cubs lost their second game of the season to the Doane B-squad by a 26-0 score on the York field October 10. It was a hard fought game in spite of the margin of the score.

Doane scored all of its touchdowns in the first quarter and the remainder of the game was fought to a standstill. The B-squad is showing much improvement both offensively and defensively. They will journey to Wesleyan Monday October 20 to play the Wesleyan B team.

Panther Cubs Defeat Hastings 7-6

The Panther cubs were first to hit the win column by outplaying the Hastings B-squad with a 7-6 victory.

York's touchdown came in the first quarter when Hedrick ran over around end from the Hastings two yard line. Erforth converted. Hastings scored in the third quarter but failed to convert. Other than the two touchdowns neither team was able to score.

The York team was clicking and the fellows are geared up for their next encounter with Doane at Doane, Thursday, October 23.

York To Play Sterling College

Tomorrow and Saturday, October 24-25, York will travel to Sterling, Kansas, where they will play the Sterling College team at their annual Homecoming and Parents' Day.

Last year York played Sterling in our Homecoming game at York and won by a 17-7 score. York is yet to have its first win and is hoping this game will be the one.

"Curly" is a versatile man on the football team. He started the season as tackle, changed to end, and now is tackling again. He lettered in basketball and track when he was in York College previous to his work at the university last year.

As Curly says, "I have no responsibilities except my car and a bad ankle. I 'batch' with the 'Tonkin Frat' but do more dishwashing than cooking. The other fellows seem to like it that way. Besides women, which are, according to Curly a standing hobby, he is interested in mathematics and physical training.

One more thing . . . Curly belongs to the "mustache club."

Wayne Farrer . . . sophomore . . . Sioux City, Ia., . . . six feet tall . . . sandy hair . . . changeable eyes . . . good natured.

Wayne plays the position of guard on the football team. He lettered last year in football and also saw active duty during the track season.

Wayne's only claim to a nickname is "Pug." As Hope says . . . his nose has been broken so many times that it's just squashed.

Since he has a fine sense of humor, Wayne's friends are no longer surprised by the various things he does. One of his latest ideas is that ice-box cookies should naturally be kept in the ice-box . . . which he does.

Besides his French which he speaks "tres" well, Wayne is interested in the History department at York. As the saying goes . . . where there's Wayne, there's Hope.

Sidelined . . .

Mark Fahring, outstanding guard, watched his fellow team mates play the Homecoming game from the sidelines due to knee injuries received in the Midland game. The Hastings game was the first one in seven years of football experience for which Fahring did not "suit-up".

What About Punches?

"Fractured cervical vertebra—that's what happened to me in a football game with York College," said Dick Punches, center on the Doane College football team. Punches, who was injured October 3, was dismissed from York General hospital last week-end.

Punches is a Doane sophomore and his home is in Wymore. His main academic interests are English and History. He is a member of the "D" Club, participating in both football and basketball. Doane College is good to its wounded warriors. Punches received a radio from college friends, an electric razor from his fraternity, Sigma Phi Theta, a shaving kit, and a retractable Eversharp from the "D" Club.

"I am not married or engaged," said Punches to all the girls from York College who were clustered about in his room giving admiration to the deserving football hero. Several faculty members of York College have visited him. His parents, the Doane coach, and several Doane students have traveled to York to see him.

"Thanks for everything you have done for me," he said. "I especially want to thank the 'Y' Club for the flowers they sent and I appreciate the visits from York College students. I won't be in York when your paper comes out—at least I hope not," said Punches.

Hastings Spoils York Homecoming

YORK UNABLE TO DEFEND 7-6 HALF-TIME LEAD

After a seven to six Panther first half, the Hastings Broncos forged ahead to a 26 to 7 victory at the York Homecoming game held at East Hill Park. Neither team had won a game this season.

The Panthers were without the services of three key men who were injured last week: Mark Fahring; starting guard, Glen Elloe, center, and Bob Gillespie, quarterback. The game featured good punting and a number of penalties for clipping and holding. The Broncos held a six pound team weight advantage.

In the opening minutes of the game, McIllece lateraled to Rader who brought the ball to the Panthers' 47. They picked up five yards but lost it on a fumble which was recovered by Werner. McIllece then went through center and with good blocking reached pay dirt. Try for point was not good. The rest of the quarter was played in Hastings territory with the ball being exchanged on punts.

At the opening of the second quarter the Panthers picked up two first downs and a 28 yard pass from Schneider to Auchard from the Broncos 30 tied the score. Kick by Speece was good. The quarter ended with the Panthers intercepting, fumbling, and recovering a Hastings pass on the York 39.

York received and was forced to punt at the opening of the third quarter. Auchard intercepted a Bronco pass and Donscheski intercepted a Panther pass on the next play. An exchange of punts made it Hastings' ball on the Hastings 40. Rader brought it to the Panthers' 41, McIllece ran it to the twelve, and a penalty brought it to the two. McIllece carried it over but the try for point was not good. The quarter ended with Hastings in possession of the ball, second and nine on the Panthers' 33.

In the first play of the last quarter, DeBoer's ankle was hurt and the Broncos carried it to the

19. Rader went around right end for goal. Try for point was good. York took the kickoff and lost the ball on a fumble. The Broncos kicked and it was the Panthers' ball on their own 18. Campbell lateraled to Auchard for eight yards but Auchard was hurt on the play and taken from the game. A few minutes before the game's end, Donscheski intercepted a Panther pass on the York 31. Knapp carried it over from the 23. Try for point was good.

As I Saw The Parade

By Heartless Herman,
 The Panther

"Wow, what a parade! In fact, I think it's the best I've ever been in. Of course, it's too bad every float couldn't have a prize; they were all so sharp."

The whole thing was led by the Pantherettes. I couldn't see them except when they turned corners ahead of us, but they looked mighty trim in their outfits. I could hear the drums (when cheer-leaders on my float weren't yelling their heads off.)

The first of the floats, naturally, was the Queen's "Regal", is the word for her majesty and her consort! Then came the rest of the floats. Almost all the Y. C. organizations were out for that prize money.

Of course, I'm not particularly friendly with dogs, but the PALS had an ingenious idea in their "Hot-dog machine". Wonder if they could use Rev. Shell's dog—he had me worried for a while when we passed the Presbyterian manse.

Honorable mention went to the Y-club for their blue and white decorum. No, they didn't use Conway's station wagon.

The O. B. N.'s very dignified global float was awarded second prize. Third place was the Zeta's, the characters all looking very "informed!"

Probably the smallest representative was Porter's Press Guild phenomenon. The Y. W. C. A., Alpha Psi Omega—I can't even name them all, but they all did wonderfully.

Of course, Lester Hazen, sophomore, The Dalles, Ore., (the Big Boss) should receive a medal or something. I guess that the fact that his Panther Club float came out on top is reward enough. But it's understandable that we won; after all, I was on the Panther Club float; I'm the symbol of school spirit, and I guess we made more noise than anybody!

GOSH CHARLIE ITS HARD TO DESIDE ISNT IT??

Editorially Speaking . . .

IF SO, WHICH?

This week the campus has been in a feverish state because of the Zeta-PALS competition in recruiting new members. Each organization has been boosted and the merits of each have been laid on the golden altar of student opinion. Because there seems to be no glaring difference between the ideals, programs, and activities of the two organizations many students find themselves confused as to which way to step.

It is hard to remember, when the competition is the most strenuous, that actually the organizations are sisters and that after the little family quarrel is over the two societies work side by side toward a common goal.

A literary society does have an important place in campus life. No other organization has as its sole aim the acquisition of culture. Musical programs, art programs, and literary criticisms are all a part of the year's plans. Active participation in the program gives students opportunities to experiment with their talents before sympathetic audiences.

The important thing is not which one to join but that everyone joins one. Because they meet at the same time and have parallel goals, their differences lie in the individuals belonging to each society. Therefore new students should select a literary society on the basis of the people comprising it. Above all, new students should select a literary society.

SHALL WE MOVE?

Hats off! Yes, Hats off to the loyal fans who sit in the bleachers of the opposing teams, who often in spite of a poor season on the field, have shown the courage, faith, and persistence to follow the team and pull them through to victory. The cheerleaders find a wonderful response to their efforts on the east side of the bleachers in our Friday nights' games. Perhaps, the York team should adopt that side and see just what the great advantage is. Throughout the season the loudest yelling, and lustiest rooting has emanated from the east side bleachers regardless of what team has been represented there. How about making a change in that possibility at the next game? The team is Chillicothe who will be a long way from home and unable to produce too many followers to rival the spirit of Y. C. It is a golden opportunity to set a new precedent and show the rightful respect for the men who have fought long and hard in spite of defeats and setbacks. In short, they give their all every Friday night. Can't we give a little?

Signed,
 A Y. C. Sophomore.

Y. C. STUDENTS ATTEND OPENING CONCERT NUMBER

Miss Mary Van Kirk, contralto, opened the current Community Concert series in York, with a recital on Oct. 9. About 800 listeners including a large number of York College faculty members and students, filled the city auditorium and heard Miss Van Kirk and her accompanist, Willard Sektberg, present a well chosen, varying program.

To the autograph seekers, Pianist Sektberg remarked, "You are a wonderful audience!" Although directed to a few young people, the words were a compliment for every local concert-goer. Miss Van Kirk stated that, as a native of Akron, Ohio, she felt at home among mid-western audiences. "I was studying to be a nurse," she said, "when I won a music scholarship to Oberlin College." After winning other auditions, she was assisted in her career by her local newspapers. "I have spent many months learning how to walk on stage and meet an audience, but I forget all those

instructions when it is time for the actual performance. I can only be myself." At this point, the singer expressed her views concerning the preferences of audiences. "They want to enjoy your music, and to feel that you are sincere. All the study in the world will not help a singer who fails to satisfy these two desires." It was this quality of sincerity that made the singer an audience favorite, and the dramatic meaning of each piece of music was made evident by her wholehearted response to its meaning.

"We who tour for Community Concerts are allowed to make up our own programs" she said. "We may be given a few suggestions for changes, if it is necessary, to provide a well balanced presentation, but for the most part the program is of our own choosing."

Miss Van Kirk's musical taste runs to Bach for listening, and for singing, to the role of Amneris, in Verdi's opera Aida. To those students who aspire to a concert career, she offers one word of advice: "Work! Study, not only in the single field of music, but in all fields. I only regret that I have not studied more."

Homecoming Guests Chat With Reporter

I'm happy to see so many young men taking positions at the college," said Dr. Paul Clark of the Evangelical United Brethren church, Des Moines, Ia. I've known most of them since they were boys and I think it's a fine thing."

Dr. and Mrs. Clark were here to attend the Homecoming festivities and to visit their son Paul, sophomore.

Mr. and Mrs. Clair O. Anderson of Arlington, Colo., came 500 miles to see their daughter Mary, senior, and incidentally, to celebrate their 28th wedding anniversary. "I think Mary was rather lonesome for Beth and pretty glad to see us," commented Mr. Anderson. Beth '47 is teaching at Anchorage, Alaska. The Andersons are hoping to drive to see Beth, perhaps next spring.

Dr. H. V. Riggs, (Leander Clark, '14) pastor of the Evangelical United Brethren church at Ames, Ia., probably has the record attendance for any York College fan with the exception of the faculty.

"We have been here every year they have had homecoming since 1933 and some part of the Riggs family has been connected with the college since 1919," stated Dr. Riggs.

Dr. Riggs has six children who have attended York College. The sixth, Dick, is now a senior.

can be certain that they are Pete and Kathy Koontz.
